**A MESSAGE FROM DISTRICT GOVERNOR SAM**

Lions, Lioness, Leo's

By the time you read this article, I will be your District Governor. It is my hope to inspire district club members to take a step with me in service that will better serve our community and Lion's projects throughout the world.

The 4<sup>th</sup> of July celebrates a giant step to independence from England. As Lions, of District 14-T, I hope that we will take steps to strengthen our communities, state, and world.

During the year, we will be challenged to address programs in Vision, Hunger, Environment, Pediatric Cancer, Diabetes and needs of our local communities.

As we face the above needs, we must remember that cooperation among clubs will help lighten the burdens. Also, we need to have fun and comradery to strengthen us in our steps ahead. The Tin Man in the Wizard of Oz needs a heart to overcome his short comings and the Lion needs courage. As we work together, we can grow in courage and develop a heart of service. Step out with me in service, and we can have a banner year!

Yours in Lionism,

WALK WITH ME

DG Samuel R. Wagner

**IPDG KELDEEN'S MESSAGE**

Dear Lions, Lionesses and Leos,

July 1<sup>st</sup> and I have now changed my title once again. My District Governor Year is complete and together we accomplished several goals. Our overall reporting has improved, we accomplished some incredible Zone and Region Service projects with clubs working together, and we chartered three clubs, and ended the year with net plus 11 members! This TEAM's success is AMAZING and I thank each and every one of you who worked to improve the impact of your club and your members and your direct and indirect efforts for the District as well.

My District Governor duties are now transitioning to serve as Immediate Past District Governor, District

Global Leadership Coordinator, Guiding Lion for Blue Ridge Mason Dixon Lions Club, and I look forward to assisting with efforts for PA Lions Care For The Kids.

My journey before and during my District Governor Year has been rewarding in so many ways. I am grateful for the opportunity to serve with you in this capacity and I will see you on the Lions trail in 2019-2020, as we work hard for DG Sam in the name of Lions!

Thank you!

Yours in Service, IPDG Keldeen

## 1VDG CATHY'S MESSAGE

---

Happy New Year Lions, Lioness and Leos!

Wow, how quickly the last Lion Year went by and we are on to a new year full of more service to our communities. All of us in our clubs should take a moment to look back at last year and define what our successes were and if we fell short of a goal, how we can improve our clubs this year. Remember, our goals should

be SMART, Specific, Measurable, Achievable or Attainable, Realistic, and Time-based. When we use this plan, we succeed, and will have a fantastic year.

I look forward to traveling to all our clubs this year with DG Sam. I am anxious to hear about how you are growing leadership in your clubs and learning more about your fundraisers and service projects. One last thing to remember is a note to all secretaries in our district; please remember to submit your reports on time to the International office, the goal is to have 100% reporting this year. If you encounter difficulties please reach out to our District Administrator, Peggy Hummel. Let's have a great year serving together!

Yours in friendship & service,  
1VDG Cathy Baker

## WEST HANOVER TOWNSHIP LIONS

The West Hanover Township Lions Club initiated a new \$1,000 scholarship this year for a Central Dauphin School District graduate pursuing higher education in a program related to environmental studies. This year's scholarship was presented to CDHS graduate Anna McCormick.

During her schooling, Anna participated on the varsity golf club, the yearbook staff, and the student advisory club. Anna was also a student volunteer. Outside of school, Anna has raised service dogs since 2006; and she has participated in various church service projects. Starting next year, Anna will be

studying Geosciences at Eckerd College.

The vision and environmental scholarships will again be available in the 2019-2020 school year. Interested seniors can get info and an application at the Central Dauphin High School College and Career Center office, and on the Central Dauphin School District web site.

## READING ACTION PROGRAM

---

Literacy is blooming in District 14-T! The Reading Action Program continues to inspire Lions to empower their community with the gift of literacy! Below are ways that Lion Joann Williams from the Buchanan Lioness Club of Mercersburg and Lion Carol Smith from the Landisburg Lions are enhancing literacy in their community. Please share your Club's Reading Action Program with us by contacting Lion Tammy Sweger, RAP Chair, at [tammymarie7@hotmail.com](mailto:tammymarie7@hotmail.com).

Lion Joann Williams has some good news to share! The Buchanan Lioness Club of Mercersburg partnered with United Way of Franklin County and Mercersburg Lions Club to place a Little Free Library at the Mercersburg Lions Community Park. United Way supplied the Library and the Lionesses will be the stewards of the library.

Lion Carol Smith is a member of the Landisburg Lions Club and she has an exciting new program to share with you! Lion Carol Smith raised puppies for Leader Dogs for the Blind. She then decided to purchase her own puppy and start a reading program called "Reading with River." She started the program local in

her community; however, she wants to extend her program to other Lions Clubs and communities to promote literacy through our Reading Action Program. Here is a picture of her first session. Lion Carol is very excited to offer the "Reading with River" program, and she is looking forward to working with many more children or adults. Please contact her to schedule a session at the following information: Lion Carol Smith's phone number is 717-265-5985 and her email is [bleu\\_7@hotmail.com](mailto:bleu_7@hotmail.com)

## GLOBAL MEMBERSHIP MESSAGE

---

New Clubs, New Members, International Convention, and New Lions Year - there's a lot to talk about as the minutes wane in Lions Year 2018-2019.

When I check in last month, I was riding on a bus in Italy. Now, our District Governor-Elect is in on his way to Italy to be installed in Milan. We do a lot as individuals and clubs to serve our communities and fellow human beings, but we also celebrate and enjoy being with other Lions. Most of us are not in Italy, but I hope you take advantage of club picnics and other fun activities to strengthen your bonds with the members in your clubs.

As we move into 2019-2020 I want to welcome 3 new clubs and say goodbye to one. I thank the Sand Hill Lions Club for their many years of service. We're certainly sad to see them go and hope that their members continue to serve in their community. We're also excited to welcome the Blue Ridge Mason Dixon Club, the Susquehanna Township Club, and the Lower Paxton Township Lioness Lions Club. Two of these clubs are filling vacancies where we once previously had clubs. I personally thank outgoing District Governor Keldeen Stambaugh, PDG's Bill Tuttle and Kathy Fouse, Lion Doug Long, and all of the new members and others who played a role in the chartering of these clubs. As notifications are sent for any charter celebrations, I encourage all of our other clubs to welcome and support our new Lions as they begin and in many cases continue their service.

I congratulate all of our clubs who added new members this past year as well as all of your efforts to improve the member experience. Each step you take to make membership more flexible and fun and rewarding increases our retention and allows us to continue to serve. I hope you will continue this ongoing process to adapt and change and grow.

Lastly, I've accepted DG Sam Wagner's call to serve one more year as the GMT (Global Membership Team) Coordinator for our district for this new year. This will mark my third and last year in this capacity, and I will continue to serve it the best of my ability. I've enjoyed collaborating with many of our clubs in the past two years and offer my assistance again. If you need help with recruiting, want to discuss ideas for retention, or would like me to present an orientation program, please contact me. I look forward to serving with DG Sam, our district GAT (Global Action Team), and our clubs.

As was true in 1917 is still true in 2019 - We Serve

PDG Lion John Mallonee

At the June 12 board meeting of the Northeast PA Lions Service Foundation, some improvements to the grant application process were adopted. Any grant application submitted with an expedited review request will be approved by both the president of the board and the grants committee, up to a \$5000 limit. In most cases, a complete and expedited request will be decided upon within 7 business days. Grant requests of more than \$5000 will still require a full board vote, however this can be achieved going forward via email rather than having to wait until the next quarterly board meeting. Copies of grant applications will be sent to the board representative(s) from whom the grant originated so that the representative can follow the grant's status and assist in acquiring any further information needed about the grant. These changes were adopted for the purpose of providing better service to our nine Lions districts and the communities that they serve.

Two grants were awarded at the June meeting; \$2000 to District 14H to help purchase a second Spot vision screener to better serve the children in 21 school districts in which 14H conducts screenings and \$8500 to replace a gazebo that was gifted several decades ago to Elm Street Station Park by the Penbrook Lions in District 14T that will house a new eyeglass collection box, braille library and serve as a hub for white cane collections, beeping egg hunts and other community service projects.

The foundation is planning a presentation for incoming DGs and VDGs at the August State Council meeting.

The board of directors extends their gratitude to all the clubs that have donated funds in the 2018-2019 Lions year to enable us to continue to serve the Lions clubs that serve their communities.
