A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Lions, Leos, and Lioness,

It's almost September which ushers in the final celebration of summer, Labor Day. Also, school is back in session and it is quiet at home, at least, during the day.

As our labor force works to provide us with the necessary services needed for a comfortable life, our Lions have the potential to serve their community and people in need to have a enjoyable life. Be sure, as you do your community service, to enter your hours into your club activity report.

Fall is always a great time to look for new club members. Over the summer, with projects conducted by your club, you may have noticed community people willing to help. Now is the time to ask them to join your club (just ask).

When you start your fall projects, keep in mind as you conduct them, take pictures and write a news article. Remember a picture is worth a thousand words. Invite your local newspaper editor to your projects and take his/her picture. Then go to the paper's office with the editor's picture and your news article and present it to them. It might make the front page.

Have a great time with your projects and don't forget to record your activity hours to LCI. Let's hear the Lions Roar! We Serve!!!

Yours in Lionism,
Samuel R. Wagner, District Governor

A MESSAGE FROM 1VDG CATHY

Greetings Lions, Lionesses, and Leos

Well September is finally here. The children are back in school with pencils sharpened and are ready to learn. Children are the focus this month as it is the month for Childhood Cancer Awareness month. Here are ten things we all should know that are from the Alex's Lemonade blog:

1. *Childhood cancer is not one disease but several.* You can learn more about the different types of childhood cancer, including brain tumors, leukemia and other solid tumors like neuroblastoma [here](#).
2. *Every day, there are almost 700 new cases of childhood cancer around the world.* This is equivalent to an entire elementary school of children. This adds up to over 250,000 new cases of cancer each year in children under the age of 20.

CONT. MESSAGE FROM 1VDG CATHY

3. *Childhood cancer is the leading cause of death by disease in children in the United States.* Every day, 250 children around the world die from cancer. Each year, 91,250 children lose their lives to cancer. Last year, brain tumors overtook leukemia as the deadliest cause of death by cancer. Long term survival rates continue to increase, but not fast enough to save the thousands of children who will die at the hands of cancer.
4. *Childhood cancer treatment is no longer just chemotherapy and radiation.* Cancer treatments are always changing and becoming more targeted. Precise therapies, like Car T cell immunotherapy, that attack the genetic components and drivers of cancer are offering more hope than ever before.
5. *A cure is not enough.* Surviving childhood cancer brings its own set of complications. Two-thirds of all childhood cancer patients will have long lasting chronic conditions from treatment. Advancements in treatment have increased survival rates. However, the treatment can lead to late term effects including chronic health conditions or struggles with learning and cognitive impairment.
6. *Data and collaboration will lead to cures.* ALSF has funded over 800 research grants—bringing together the innovative and brilliant minds of childhood cancer researchers. This year, ALSF opened the Childhood Cancer Data Lab (CCDL). The CCDL team will collect and analyze the vast wealth of data already available while integrating discoveries from ALSF-funded researchers and many others.
7. *Families often must travel for cancer treatment.* Fortunately for families in our area we have the Ronald McDonald House in Hershey where they can stay at no cost while their children are receiving treatment. Ever wonder why the Childhood Cancer Awareness ribbon is gold? In 1997, a group of parents picked gold as the official color because it symbolizes how precious children are and their resiliency.
8. *Children, like gold, are precious and strong.* Ever wonder why the Childhood Cancer Awareness ribbon is gold? In 1997, a group of parents picked gold as the official color because it symbolizes how precious children are and their resiliency.
9. *There is hope.* While childhood cancer is consistently underfunded at the government level, your support of research projects for all types of childhood cancer is bringing us closer to cures than ever before. There are children alive today that would not be because of our supporters' dedication to finding cures for all children, one cup at a time.
10. *Cups, miles and donations lead to cures.* The founder, Alex Scott, started Alex's Lemonade Stand Foundation with one front yard lemonade stand. It all started with one cup of lemonade.

Research is the key to end cancers attacks on our children. We as Pennsylvania Lions, Lioness, and Leos have pledged to raise funds under "Pennsylvania Lions Care for the Kids". We are raising funds for the Four Diamonds project. Much of the fund raising comes from the THON dances that are held across the state. Please consider donating to this worthwhile cause. If a young child can make a difference by fundraising by selling cups of lemonade, please consider what your clubs can do to raise funds to continue childhood cancer research and wear a gold ribbon to help raise awareness.

GMT MESSAGE CONTINUE

What do you prefer to experience in life - sitting on your favorite living room chair where everything is familiar and comfortable - or trying something new and exciting that you've always wanted to do?

As we work and plan within our clubs, it can be easy and comfortable to do the same old thing - perform the same service projects and fundraisers and club activities, and do so in the same way you've always done. If you think back, can you remember when you started these and how good it felt? Can you remember the idea that sparked you and your club to head down a new path?

Maybe it's time to encourage your newer members and those with new ideas to help make a difference in your club. That's the goal of the 2019-2020 edition of the New Voices program from Lions Clubs International.

Last year, New Voices was initiated with the help of International President Gudrun Yngvadottir to focus on gender parity in Lions. By giving voice to our women Lions, we invited new ideas in our clubs and our leadership. New perspectives help us find solutions to challenges in our clubs and communities and help us find new paths.

This year, New Voices continues and expands to other sources for these ideas and perspectives. The expansion of focus challenges us to be more diverse and to listen to our members who don't have "titles". These New Voices may be younger members in our clubs. They might also be older members who aren't a PDG or Club President or Zone Chair.

Lions Clubs International is seeking stories from these New Voices to be shared with others. Districts are encouraged to nominate members for this program from both Lions and Leos through our District Governors. They are looking for members to share their stories and ideas and who are comfortable with speaking, but who has not had the opportunity to lead and are passionate about our mission.

To find out more about the evolving nature of New Voices, see the web page at www.weserve.org/newvoices.

Where or not you want to be a New Voice, I ask you to encourage all of the members in your club, to listen to their ideas, and to give them the opportunity to serve. It's the best way to retain our members and continue to serve.

Yours in Service,
PDG Lion John Mallonee
Global Membership Team Coordinator

GREENCASTLE LEOS

G A Blue Leos participated in the Parade during Old Home Week, carrying a banner celebrating the many years of service provided by Greencastle Lions, Lioness, and Leo Clubs.

A MESSAGE FROM 2VDG PEGGY

Greetings Lions, Lionesses and Leos,

It is September! Hopefully you are all going at full speed with your fall projects. How is it going with reporting your activities?

What a challenge the Lions website has been for all of us this year, so far! I am hoping this gets easier and easier as we go forward into this year. As your District Administrator, I would be glad to help in any way I can with the reporting of projects, membership etc. Please just send me an email and I will get on It!

I can't wait to see as many of you as I can this fall and to hear about all your activities. I am planning to attend the USA/ Canada Leadership Forum this month in Spokane, WA and am excited to return refreshed and with a stronger understanding of how our communities are served by Lions and how our diversity as individuals, clubs, communities make our District 14-T as strong as it can be.

As our International President, Dr. Choi, states " Every person's perspective is required for our success. " Let's all join our District Governor Sam in getting started on our Walk Together in Service.

Serving with all of you,

SORTING RECYCLED EYEGLASSES

Many Clubs collect used eyeglasses in their community. This is a great visible ongoing service project that benefits many individuals across the globe. Clubs can sort the eyeglasses as a service project at a meeting. This gets everyone involved in the project. There are 3 categories you sort the eyeglasses into: prescription eyeglasses; sunglasses; readers. Cases, broken eyeglasses, loose lens can be thrown away, if you are able to do so. If not, please place in separate container and I will dispose of them. Use sturdy, reasonable size boxes to place the sorted glasses. Eyeglasses can be dropped off at my house, 6088 Molly Pitcher Hwy South, Chambersburg or at the PA State Lions Office, 949 East Park Drive, Harrisburg. Eyeglasses collected are taken semiyearly to the New Jersey Lions Eyeglasses Recycling Center in Trenton, New Jersey. There, volunteers clean, prescribe, and bag eyeglasses to be used on medical mission trips in many countries. You can find out more at www.njlerc.org. If you know of a group planning a medical mission trip, please provide them with this resource. Information about obtaining eyeglasses for medical missions is also found on the website. Thank you for your service to others by participating in this project.

Eyeglasses Collection Coordinator

ENVIRONMENTAL MESSAGE

Dear Lions, Lionesses, and Leos of District 14-T,

Again this year we will have a district environmental photo contest, so start taking those pictures! **This year all members' photos will be brought to the District Convention and judged. Previously, only those photos selected as best in each club could be entered at district level.** Clubs may continue to have their own competition but again, all photos will be brought to the convention. All other rules of the contest are still in effect and must be complied with. They are simple and are listed below. Let's make this another fun competition!

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention next spring by those members in attendance at which time one photo will be selected as overall winner. A fabulous prize will be awarded to the winner!

Let's get those cameras working Lions and remember,
HAVE FUN!

Lion Steve Hower,
District 14-T Environmental Committee Chair

ENVIRONMENTAL CHAIR MESSAGE

Dear Lions, Lionesses, and Leos,

The greatest threat to wildlife is the loss of habitat. The constant increase in human population creates a constant demand for more resources and as a result many species must either adapt or disappear completely.

One such specie in need of our help is the purple martin. These birds are migratory and spend our winter months as far away as Brazil and Bolivia in South America. As our days get longer and temperatures warm they return to our area where they feed on the flying insects that begin to reappear in spring. "Scouts" arrive first to search for suitable nesting sites and that's where the problem comes in. Traditionally these birds nested in tree cavities created by woodpeckers but over the years they have adapted to manmade nesting structures. Today it is estimated that purple martins in the eastern U.S. are 100% reliant upon these structures. Now I ask you, how many purple martin nesting structures are you aware of in your areas? And of those, how many actually have martins using them and not the more common and often destructive European starlings or English sparrows.

Within our district in Juniata County, near the village of Honey Grove, a concerned teacher had purchased the materials and erected the nests in front of the elementary school a few years ago and what do you know? The scouts eventually found the site and for the past several years martins have been successfully raising young there.

Earlier this spring however the school closed its doors and both the building and property were purchased by the township. Reluctantly, the teacher removed the nests and then erected them near his home in Huntingdon County with hopes of attracting purple martins there. When the scouts returned to the school in April they had no nesting structures awaiting them.

After making a few phone calls and doing a little research I have obtained permission from Tuscarora Township to return nesting structures to the site. The Pennsylvania Game Commission and the Juniata Valley Audubon Society have both agreed to partner with the Lions of District 14-T in the purchasing and installation of new nesting structures so that when the scouts come looking next spring the nests will be in place.

The total cost of the project will be approximately \$1620.00. Approximately \$500 has already been donated leaving a balance of \$1120.00. If your club would like to participate in the project to return the purple martin nesting structures to Tuscarora Township please send your donation to me. Checks should be made out to the "**Juniata Valley Audubon Society**" or just "**JVAS**" and mailed to **Lion Steve Hower, 7599 Raccoon Valley Road, Millerstown, PA 17062**. Any funds raised in excess of the amount needed will go toward other Audubon Society projects.

Upon the completion of this project I envision a very positive news release highlighting the involvement of the Lions Clubs of District 14-T. Thank you for considering a donation!

Lion Steve Hower,
District 14-T Environmental Chair

ICKESBURG LIONS

During the Ickesburg Lions Club's Summer Picnic, King Lion Scott Hoyer presented Lion Beryl Hansbury with the very first Lion of the Year Award issued by the Ickesburg Lions Club, named after her late husband Lion Wilson Hansbury; The Lion Wilson J. Hansbury Lion of the Year Award.

LCI Peace Poster Contest

For the last 32 years Lions Clubs around the world have proudly sponsored the Lions International Peace Poster Contest in local schools and youth groups.

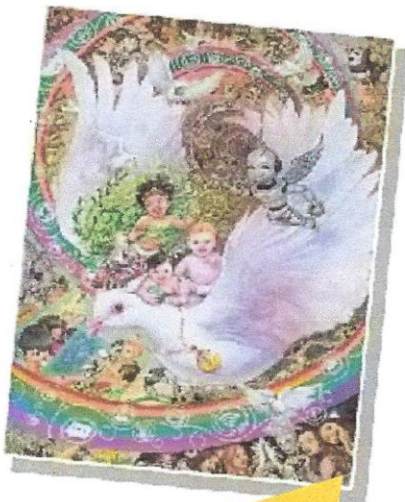

We encourage every Lions Club to engage with the youth in their community to sponsor a Peace Poster Contest entry.

The Theme of the 2019-2020 Peace Poster Contest is

“Journey of Peace”

Students, ages 11, 12 or 13 as of November 15, are eligible to participate.

Lions Clubs interested in sponsoring the Peace Poster Contest can order a Peace Poster Contest kit (PPK-1) from the Club Supplies Sales Department at International Headquarters until October 1, 2019.

The kit is \$11.95 plus shipping, handling and applicable taxes. Clubs must purchase a kit for each contest sponsored. Each kit contains:

- Official Club Contest Guide and Rules
- Official School or Youth Group Contest Guide and Rules
- Participant Flyer to duplicate & give participants to take home
- Sticker to place on back of winning poster
- Certificates for contest winner and school or youth group

Please review contest rules and order kits as soon as possible to guarantee sufficient time for a well-planned contest.

Please allow 3-4 weeks for delivery

November 15, 2019: Postmark deadline for a Club to send one winning poster (per contest sponsored) to the District Governor.

Your Club winning posters should be given to **Lion John Petrina** at the **November 10th** Cabinet Meeting, which is the very last date.

For Immediate Release

September 5, 2019

JAN STEPHENSON'S NEXT ROUND

Harrisburg, Pa- **Vision Resources of Central Pennsylvania (VROCP)** is inviting the public to purchase tickets to an exclusive fundraising event with LPGA golf legend, Jan Stephenson. The event will be an opportunity for Jan to introduce her line of wines and rums to guests, share stories from her time as a touring professional, and talk about her work with disabled veterans and first responders. For **VROCP** the evening will allow the agency to bring public awareness to the agency's mission to the blind and visually impaired and its 98 year history.

The evening will include tastings and sales of all 6 wine blends and 4 rums not yet available in Pennsylvania and complimentary hors d'oeuvres. Jan has also agreed to autograph all bottles purchased. Jan's wines are produced in Paso Robles, California, and during harvest she actually is an active participant in the harvest of grapes, supervising all aspects of the wine making process. Her line of rum is inspired by the flavors of her native country, Australia, and they include Passion Fruit, Pineapple, and Mango flavors.

An Evening with Jan Stephenson, will take place on Tuesday, September 17, 2019, from 6:00 – 8:30 p.m. at the **VROCP** facility located at 1130 S. 19th Street, Harrisburg, PA, 17104. ***Tickets for this memorable evening are required and only a limited number will be available.*** The ticket price is \$25.00 and they may be purchased by contacting Cheryl Cuddy at 717-238-2531, or she may be contacted by email at ccuddy@vrocp.org. This will be a unique chance for guests to mingle with a LPGA Hall of Fame inductee, purchase some of her private line of wines and rums, and support the programs and services **VROCP** provides the region.

The goal of **Vision Resources of Central Pennsylvania** is to raise the quality of life for the blind, visually impaired and otherwise disabled in the region and to provide prevention services to all. The agency's programs extend to Cumberland, Dauphin, Franklin and Perry Counties.

TO: 2019-2020 State Council of Governors, Lions of Pennsylvania International Family,
Vice District Governors, MD-14 Committees and Coordinators and interested Lions

Multiple District 14 State Council Chairperson William H. Morgan has issued a call for the 2019-2020 PA State Council of Lions Clubs' Council of Governors to convene for its **second Regular Meeting at 1:00 p.m. Saturday, November 2, 2019** at the Woodlands Inn and Resort, 1073 PA-315, Wilkes-Barre, PA. **State Council will also hold a Preliminary Meeting at 2:00 p.m. Friday, November 1, 2019, at the hotel.**

In addition to the State Council meetings, select state committees will meet Saturday morning, November 2, 2019 at the hotel. ***State committee chairpersons and coordinators desiring to be assigned meeting times and space must contact the State Office prior to October 1, 2019.***

Three meal functions will be held as part of the State Council meeting weekend. The annual Lions of PA Foundation Banquet will be held Friday evening, followed by a luncheon and evening banquet Saturday. RSVP forms are included in this Call of Meeting packet.

Individuals desiring discounted overnight accommodations at the Woodlands Inn and Resort should use the following online link: <https://www.choicehotels.com/pennsylvania/wilkes-barre/ascend-hotels/pa657/rates?ratePlanCode=LLCI>. A discounted rate of \$125/night plus tax is available. Please make sure to use the "LLCI" code when making your reservations. **The discounted rate is only valid for reservations made through September 30.**

Committee chairpersons/coordinators who have an Action Item for State Council to consider at the November 2 meeting **must** submit that item in written form to the State Office no later than Wednesday, October 16, 2019. *Any Action Item proposal received by the State Office less than 14 days prior to a State Council meeting must be approved by a two-thirds vote (12 of 18) of the Council of Governors before it may be presented for consideration. An Action Item that does not receive the needed two-thirds vote for consideration will be tabled until the next State Council meeting.* Committee chairpersons/coordinators with Action Items must be present or have a representative at both the Preliminary and Regular State Council meetings. With some notable exceptions, all oral committee reports to State Council will be subject to a three-minute time limit. Complete versions of all written committee reports will be included in the official minutes of the State Council meeting.

Thank you for your time and attention to this matter,

Yours in Service and Friendship,

Lion Bob McComas

MD-14 State Administrator
