A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Happy Fall Lions, Lionesses and Leos,

October, the ghost month is upon us! Leaves change color and beautify the landscape.

September has been a busy time visiting clubs. This is the most enjoyable part of being a District Governor.

I only hope that the clubs learn as much as I do about our district and LCI. In October, please look around your community and ask two good people to become Lions. Remember as you bring in new faces to your club, it gives you extra hands to do the work of Lions. Keep in mind, if you bring in young people (i.e. grandsons and granddaughters) they can help you with your computer reports. If you make it a family affair, you receive a reduction on LCI dues. This is an incentive to ask your spouse to become a member.

Please check the calendar of events for the district. I have asked your Zone Chairs to do an orientation program at the November Zone meeting. This adventure can be fun and informative at the same time.

Don't forget to report your service projects and hours to LCI. Hopefully the computer program has most of the bugs fixed. The hours you report are important to LCI in working with other benefactors to increase funds available to those in need.

Let's ROAR as proud Lions and at the same time send news articles to your local paper, TV, and radio to inform your community about your club. Don't let your club be the most secret organization in your community.

Yours in Lionism,
DG Samuel R. Wagner

A MESSAGE FROM 1VDG CATHY

Happy Fall Lions, Lioness and Leos,

A chill is in the air now in the early mornings as we get our children off to school. October is Vision Awareness month for us as members of Lions Clubs International. Our organization has worked tirelessly to eradicate river blindness around the world with one small pill. We also serve our communities with our vision screenings. Our district now has a "Spot" camera for each of our four districts to do vision screenings wherever a need has been identified.

The Welch Allen Spot cameras are so very easy to use. Who in your club has done a vision screening? We can get you trained within five minutes on how to use the camera and then print out the results of the screening. Children as young as six months can be screened. Amblyopia, also known as lazy eye, is one of the most easily correctable vision problems with a vision exam. It is important to get this eye defect treated early so the weak eye can be corrected properly by an eye care professional. This year 15 October is World Sight Day so please be sure your family members have a vision screening this year. A chart screening at school is not enough to identify any internal eye issues.

CONT. MESSAGE FROM 1VDG CATHY

The National Federation of the Blind challenged the governors in 1963 from every state to proclaim 15 October of each year as White Cane Safety Day. In October 1964 the law was passed by joint resolution. This day reminds us how the white cane is an important tool for helping the blind and visually impaired live with greater independence. Our organization promotes activities to increase awareness about white cane and reminds people in cars and pedestrians that the right of way should be given to our citizens walking with a white cane. We will be out in our communities seeking donations for this worthwhile program. Remember all the funds we receive stay in our communities to help fund our vision programs.

Yours in Service ,
1VDG Cathy Baker

GLOBAL MEMBERSHIP TEAM MESSAGE

Welcome to October and our official entry into the Fall season. Thank you for taking the time to read this month's message about membership even as football is swinging in into gear and your clubs are organizing and hosting your fall events. This month, I'd like to talk to you about the Lions Clubs International (LCI) North American Membership Initiative (NAMI).

I was fortunate to attend the USA/Canada Lions Leadership Forum in Spokane, WA. Our 2nd International Vice President Brian Sheehan shared the following details about this membership to strengthen membership in USA and Canada. While Lions Clubs International has experienced growth over the past 35+ years, the number of Lions in North America has declined over that period. In fact, the last time that we had a positive net growth in the USA was in 1983 (and 1984 for Canada).

I'm sure that you have insight into some of the reasons of this decline, but for some perspective, over that time, Americans are having 43% fewer family dinners, and 35% fewer people have friends just drop by. We've heard it before, but the way that we live our lives is changing and we can't run our clubs the same old way to keep up. So what is Lions Clubs International doing to help us change this trend?

First of all, this initiative will be more than for just one or two years. The intent is to change the way we run our clubs from here forward. So it's not changing our habits like going on a diet and then going back to our old ways. It's changing our habits for the long term so we adjust to our world as it is. There will not be one prescribed way to do this for all clubs - each club and each district knows best what is needed in their own areas. However, we're going to need ideas and guidance on how to apply change where we live.

LCI has already been working with various districts around the US and Canada to pilot some new ideas and approaches. The results are promising, but we'll be hearing more about next steps soon. While there is no one-size fits all set of steps; there are some guideposts to be followed in this initiative:

1. Club and District-focused - change will be focused for each district and its clubs
2. Simple - the approach won't be complicated - it needs to be simple so as to not confuse our clubs and leaders

Continue next column

GMT MESSAGE CONTINUE

3. Accountable - all club and district members have to be accountable if we want to grow to serve the needs of our communities

The high-level district process is outlined here:

1. Leader commitment
2. District and Club Discovery - get ideas on how to improve
3. Plan Development
4. Club Commitment
5. Plan Execution

For now, I just want to whet your appetite and provide some awareness. Our district Global Action Team (GAT) will be communicating as we get more guidance and will be reaching out to all of our clubs to communicate with all of you. You don't have to wait for this initiative to get traction, though. You're already doing great work with recruiting new members and I hope that you're considering adjusting as necessary to meet the needs of your newer members. PDG Jan Adams (retention) and I are here to assist you, whether you need assistance with member orientation, retention, recruiting, or whatever.

So keep your eyes and ears open as we learn more and share with you. I also want to encourage you because I know that our clubs continue to do great work each and every year.

VISION RESOURCES

Vision Resources is privileged and grateful to welcome Anna Pantalone, M.S., O.T.R./L., as a new member of the staff. Anna is a Licensed Occupational Therapist specializing in

assisting individuals that are blind or visually impaired. She will work closely with clients of Heather Bourdeau, O.D. in the VROCP Vision Rehab Center offering guidance and tools that will help low-vision individuals use what vision they have, most effectively. Her work will be part of the overall goal of helping low-vision individuals lead more independent lives and enjoy a better quality of life.

Anna's skills are an important *first* for the staff of Vision Resources. To begin she will be working on a part-time basis and on-site the days that the Vision Rehab Center is open for clients. Individuals with appointments to the Center must be seen by Dr. Bourdeau before being referred to Anna. For more information and to schedule an appointment please call, 717-614-4018.

A MESSAGE FROM 2VDG PEGGY

Happy Fall

I will be back in November

GLOBAL SERVICE TEAM

Over the past year, I continued to relate to you the importance of reporting your Club's activities.

I can hear you now – "It's not worth all the trouble to report our activities with the new reporting system!" And yes, I've had my problems with it, too. But the issues I had were worked out at LCI and now I'm catching on. It does take a bit longer, but once you enter one activity, they are basically all the same.

There is one difference – and that is we cannot create a monthly report like we did with MyLCI. And so, our leadership will need to go onto the MyLION and research each Club's activities. We are hoping that in time, this will be corrected.

I can't stress and repeat enough, I can be available to come to you as a group or as an individual and we will work together to get everyone "on board."

We need you to report your Club's activities – how else are we going to let the world know how great the clubs are in 14-T!

How many of you check out the "Lions Events Calendar" – go to lionsclubs.org > click on "Resources for Members" – and you will find the "Lions Events Calendar." There you will find important monthly events.

OCTOBER: "Vision Awareness Month" – has your Club scheduled a KidSight screening or set up your White Cane Days?
"Lions and Leos Membership Growth Month" – has your Club scheduled a special meeting night to induct your new members?

NOVEMBER: "Diabetes Awareness Month" – will your Club sponsor a Health Fair OR maybe partnered with another organization to promote Diabetes Awareness OR why not gather your Club members together to walk in the Juvenile Diabetes Research Foundation's "One Walk" on City Island on November 3, 2019.

Please do not hesitate to contact me with any questions – I will share your questions and answers in this newsletter column.

QUESTION: With so many changes, who are we to send our monthly reports to?

ANSWER: As mentioned above, monthly "Activity Reports" cannot be created as they were before. However, you will continue to create your monthly "Membership Reports." Until further notice, please send a copy of your "Membership Report" to: the current District Governor, Vice District Governors, your Zone Chair, and the District Membership Chair (GMT).

Again – I am available for one-on-one meetings with Club Service Chairs, Club or Zone meetings to discuss Service Reports, Service Projects or just Service in general.

ENVIRONMENTAL MESSAGE

Dear Lions, Lionesses, and Leos of District 14-T,

Again this year we will have a district environmental photo contest, so start taking those pictures! **This year all members' photos will be brought to the District Convention and judged. Previously, only those photos selected as best in each club could be entered at district level.** Clubs may continue to have their own competition but again, all photos will be brought to the convention. All other rules of the contest are still in effect and must be complied with. They are simple and are listed below. Let's make this another fun competition!

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention next spring by those members in attendance at which time one photo will be selected as overall winner. A fabulous prize will be awarded to the winner!

Let's get those cameras working Lions and remember,
HAVE FUN!

Lion Steve Hower,
District 14-T Environmental Committee Chair

NORTHEAST PA LIONS SERVICE FOUNDATION

The Northeast PA Lions Service Foundation board of directors has been quite active since the beginning of this Lion year, updating by laws and operations manuals and most importantly, awarding \$49,903 in grants since July. District 14 T received two grants, \$4,000 to Penbrook Lions and \$4,536 to Ickesburg Lions. These patient care grants enable two girls, aged six and eight, to get much needed vision therapy that their insurance plans do not cover. Additional grants include NeuEyes glasses, a mechanical swimming pool lift, Spot vision screener and \$5000 to 'Cribs for Kids'.

Two new board members have joined us, PDG Bill Tuttle (14T) and PDG Bob Dunne (14G). We are grateful for the skills, judgment and passion they bring to our mission.

The NEPALSF provided a luncheon and presentation at the August State Council Meeting in Harrisburg to further educate district governors and vice district governors on how we can help Lions clubs serve. Information about grant guidelines and application forms can be found at nepalsf.org or through your district's board representative.

The Orbisonia Lions club graciously hosted us for a working retreat in August and we were able to enjoy the walking trail recently completed with the help of a community project grant from NEPALSF. It is a great addition to their community.

The board of directors extends their gratitude to all the clubs that have donated funds. \$6,355 was received in club or district donations for the 2018-2019 Lions year from the nine districts that we represent. Your donations enable us to continue to serve the Lions that serve our communities.

LOWER PAXTON TWP LIONESS/LIONS CLUB

The Lower Paxton Township Lioness club recently bridged over to become a full-fledged Lions Club. The Club will be known as the Lower Paxton Township Lioness Lions Club.

During the ceremonies on September 16th, Past State Council Chairperson Terri Kodgis conducted the Chartering Ceremony, the induction of charter Members and Installation of Officers.

Past District Governors Sallie Miller and Keldeen Stambaugh presented a new engrave gavel to the Club.

Members of the Lower Paxton Township Lions Club sponsored the formation of the LPTLLC, and presented the club with their new banner. Lion President William Minsker was on hand to do the presentation. Also present from the Lions club was PDG Kathy Fouse, the Guiding Lion and Club Liaison to the LPTLC

BEACON LODGE MESSAGE

Did you know Children's Village at Beacon Lodge has 12 cabins, a dining hall, infirmary and Arts & Crafts building? Are you aware the Lions Districts across PA paid for the construction of those buildings? *Did you know District 14-T has two buildings – a cabin and Arts & Crafts building and they are on the 2021 agenda to have new metal roofs installed?*

Several other Districts have already replaced their respective building's roofs, now it is time for District 14-T to address our roof installations. I will have more information about this topic at our November 10th Cabinet Meeting.

NEWSLETTER UPDATE

Please note change in deadline date for newsletter, October 22nd will be the deadline for articles for the November newsletter.

HERSHEY LIONS

Members of the Hershey Lions Club are partnering with one of its own members for a very important cause called the 5K for Trey planned for Saturday, October 12, 2019. In October 2018, Lion Brent Schultz's son, Trey, 24, succumbed to an infectious disease called Mycobacterium Abscessus. In 2018, this disease, along with other infectious diseases, took the lives of over 100,000 Americans, with cases in the U.S. growing steadily over the past 5-years. The 5K for Trey will raise funds to benefit research at the Milton S. Hershey Medical Center to find effective treatment options for infectious diseases, like the one that took Trey's life. It will also raise awareness in the community about the lack of funding and research in this area. Trey Schultz started having headaches, vomiting, and inability to swallow in July of 2018 and had his first of 12-brain surgeries in September. He passed away on October 24th, after 41-days in the hospital or in hospice. His dad, Lion Brent Schultz, was inspired to make a lasting legacy in Trey's name to help prevent others from having similar experiences.

Lion Brent approached the Hershey Lions Club about a partnership for this event. "The Lions Club has been known for its service worldwide for over 100-years, and for 75-years in the Hershey community," related Schultz. "Since I am a club member and my daughter is as well, it made sense to partner with the Hershey Lions," added Schultz. The Hershey Lions Club invites the community to help make a difference in this cause. The 5k run/walk event is taking place on the grounds of the Hershey Medical Center at 30 Hope Drive, Hershey, PA 17033, on Saturday, October 12, 2019, from 8:00 AM to 12:00 noon. Runners and walkers are invited to this family-themed event. Tee shirts will be available for the first 150-registrants.

Registration begins at 8:00 AM, with a short program at 8:30 AM, and the race beginning promptly at 9:00 AM. Participants are encouraged to arrive early to pick up race bibs and receive pre-race instructions. This will be a timed event and medals will be given out to winners of various age classes. The course will be mostly flat with low-grade hills, starting in the parking lot of 30 Hope Drive, along Cherry Drive, then onto 322 to Centerview Drive, around the parking garage and following the same route back to 30 Hope Drive. There will also be a silent auction with sports memorabilia. Additional volunteers for the event are invited as well. Contact Lion Brent Schultz at 717-639-7763 or historyrox28@yahoo.com with any questions. See more of 5K for Trey on Facebook.

Please let me know if you need anything else.

WEST HANOVER

Provides Scholarships and Grants

Again this school year, the West Hanover Township Lions Club will support local students with two \$1,000 scholarships and two \$500 grants.

The scholarships are for students with visual impairments and for grads pursuing higher education in a program related to environmental studies. The vision and environmental scholarships are available to graduates who reside in the area covered by the CD School District regardless of the school they attend, or even if they are home-schooled. Interested seniors can get info and an application at the Central Dauphin High School College and Career Center, and on the Central Dauphin School District web site.

In addition to the annual scholarships, the West Hanover Lions are continuing to provide two \$500 grants for the Central Dauphin Vision and Autism Support Programs.
