A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Hello Fellow Lions,

At the time of this writing, Mother Nature has touched Penn's Woods and made the landscape ablaze with the colors of fall. Ginny and I have observed the great display of fall. However, by the time you receive this newsletter, the colors will be gone and the trees will be

barren of color. This does not mean that Lions should close down on their activities.

Time is great for fall activities in Lion's service to your communities. The holiday of Thanksgiving opens avenues of service projects. Making sure that families have a meal and fellowship is one of the activities you could undertake. Join with other community programs such as food banks and churches to meet the needs of those that are identified as needy.

While working on the above activities, identify community members who would make good Lions, i.e., (food bank volunteers, church members, church ministers, and other community leaders). At this point our district membership is down by fourteen members from last year. Help the district and your club by simply asking individuals to join your club! Let's ROAR like Lions and take the district to the plus side by twenty members!

Make sure you report your activities to LCI. I know it is difficult at times, however if you are unable to complete the reports, please contact PDG Kathy Fouse, her contact information is in the district directory, for help.

Ginny and I wish every Lion a joyous Thanksgiving. We are looking forward to the upcoming visits to meet with you and talk about service in Lions. Walk with me in service to your community and the world.

Yours in Lionism,

DG Samuel R. Wagner

PS: Try to have several of your club members attend your respective Zone meetings in November. The November meeting will be beneficial and will help to strengthen your clubs.

A MESSAGE FROM 1VDG CATHY

Happy Fall Lions, Lioness and Leos,

November is finally here. I'm sure you are all beginning to think about Thanksgiving and the family and friends around your table and while I'm thinking of this day too, I am also thinking about diabetic friendly side dishes and dessert. The focus from Lions Clubs International this month is on Diabetes Awareness and is part of our Global Service Framework.

Many of us are diabetic, including me. I am a type two diabetic and maintain my condition by taking medication, not insulin, and I only test my blood sugar once a day. Type one diabetes is a result of your pancreas not creating insulin properly. When you have this type of diabetes you must take insulin every day and monitor your blood sugar levels many times throughout the day. Often diabetes is a hereditary disease, but not always.

CONT. MESSAGE FROM 1VDG CATHY

This is a wicked disease that is the primary cause of blindness. Lions around the world made the decision to make this a primary focus in the coming years. We work hard to educate our communities about this issue. Many communities hold Diabetes Awareness walks and hold free blood sugar testing too. Our primary goal is to educate people what causes diabetes and to help others from developing type two diabetes.

Educating the world about the needs for research, diabetic related medical studies will all help us to one day achieve a cure for this disease. It is Lions Clubs International to get to the cure through action in our communities, investment and kindness too. It is estimated that there are over 400 million people globally living with diabetes. This disease contributes to over 5 million deaths each year and is the 8th leading cause of death in the world.

Medium blue is the color that is associated with diabetes and we ask that you wear it to help visualize and bring more awareness. Please consider holding a diabetes walk in your area it can be held any time throughout the year. Have a blessed Thanksgiving celebration with your family and friends later this month.

Yours in Service,
1st VDG Cathy Baker

GLOBAL MEMBERSHIP TEAM MESSAGE

Where do we find new Lions?

I've heard this question many times from many clubs and I'm sure that you have too. We know that we need to continue to invite new members into our clubs so that we can continue to do works of service in our community and to lead our clubs. We also know that we need to find new ideas and new perspectives as we are reminded in our New Voices campaign. So let's talk about some practical advice on where and how to find them.

We all have personal networks, and that's the best place to start. Sharing what you like about being a Lion with your family, close friends, coworkers, and other groups to which you belong is the safest feeling and most comfortable. You can share your photos and club events on Facebook to connect with people who know you. Think about the people you know at your church who are service-minded. You have a far-reaching network, so why not invite them to a meeting or club event as your guest? I know a PDG who has sponsored numerous Lions by inviting to pick a friend up, pay for their meal, and drop them back off at home.

If you can still use other ideas for where to find members, take a look at the Just Ask! guide on the Lions Clubs International (LCI) website - <https://temp.lionsclubs.org/EN/pdfs/me300.pdf>. If you look in at the Recruiting Wheel on page 7, you'll see a number of ideas.

GMT MESSAGE CONTINUE

Courtesy of Just Ask! Lions Clubs International

** May include but is not limited to elected officials, school principals, police and fire chiefs and hospital administrators.*

*** May include but is not limited to doctors, accountants, dentists, lawyers and bankers*

I continue to recommend the Just Ask! Guide, but some other ideas for finding members are:

1. Lists your club already maintains such as donors or people who have volunteered with your club.
2. Other organizations that may have partnered with your club.
3. Businesses in your community that share values with your club.
4. Holding a brainstorming session with your club.
5. Local businesses in your community.

When it comes to local businesses, there are opportunities to visit and talk to the business owners. It might be a little intimidating at first, but you only need to ask for a few minutes. Managers at banks, owners of small businesses, and funeral directors are just some potentials. Often, banks require their managers to join service organizations and pay for their dues.

Without going much further, there are lots of places to look for new members. Don't forget to talk to women and younger members (who may even be in their 40's and 50's) in your family and community. If you hear that some younger folks like millennials don't ever volunteer, don't you believe them. Not everyone will want to serve, but it's not because of their age or because they're different from you. And once you have new demographics of members in your club, you'll have an even larger network to find new members.

These are just some ideas. I challenge you to be positive and share your experience. You can get other ideas by looking at Lions forum groups on Facebook, or talk to friends you know in other clubs and districts. If you need help getting started, I can also come speak with your club.

So as we edge closer to Thanksgiving, don't forget those in need in your community and work together to continue to bring new members and new ideas into your club for now and the future.

Yours in Service and Friendship,

PDG Lion John Mallonee

A MESSAGE FROM 2VDG PEGGY

Greetings to All,

What a whirlwind fall so far! I hope you are doing well and enjoying the season. This, of course, is my first year traveling with the District Governor and I

have been so impressed with how welcoming everyone has been. You all work so hard in your communities! It is hard to keep up with all the activities...

I love seeing clubs work together to do everything from Halloween Parades to combining to provide monies for a little girl to be able to get the eye therapy she needs for school. This is Lionism at its best.

Keep trying the computer program for reporting our activities.. we were assured that by the beginning of the new year many of the "bugs" will be worked out.. I certainly hope so. I am always available to help with reporting as your District Administrator. PDG Kathy Fouse and PDG Tom Gregg are both wonderful troubleshooters for this new system.

I hope to see you all at our upcoming District meeting on Sunday Nov. 10, 2019 at the Lurgan Township Rec. Center. Don't forget your November Zone meetings.

Serving with you,
Lion Peggy Hummel, 2nd VDG 14-T

ENVIRONMENTAL MESSAGE

Dear Lions, Lionesses, and Leos of District 14-T,

Again this year we will have a district environmental photo contest, so start taking those pictures! **This year all members' photos will be brought to the District Convention and judged. Previously, only those photos selected as best in each club could be entered at district level.** Clubs may continue to have their own competition but again, all photos will be brought to the convention. All other rules of the contest are still in effect and must be complied with. They are simple and are listed below. Let's make this another fun competition!

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention next spring by those members in attendance at which time one photo will be selected as overall winner. A fabulous prize will be awarded to the winner!

Let's get those cameras working Lions and remember,
HAVE FUN!

Lion Steve Hower,
District 14-T Environmental Committee Chair

NEW BLOOMFIELD LIONS

At their October, 2019, meeting the New Bloomfield Lions Club celebrated two new Melvin Jones Fellows. Lion Alan Fry has been treasurer of the New Bloomfield Club for many years. Lion Kim Hummel was recognized for his many years of work backstage for Lions Community Theatre and for his multi-year appearance as the Easter Bunny at the Lion-sponsored egg hunt. Pictured (from left) are Lion Norm Harrison, DG Lion Sam Wagner, Lion John Sanderson, Second VDG Lion Peggy Hummel, Lion Kim Hummel, Lion Alan Fry, PDG Lion David McCluskey, and Lion Raymond Adams.

At their October, 2019, meeting the New Bloomfield Lions Club celebrated the award of \$4536.00 in behalf of Kaylee Weibley and her parents Shane and Melissa Weibley, to cover the cost of specialized eye treatments for Kaylee. PDG David C. McCluskey received the initial request for funds from Lion Tom Wagner, a member of New Bloomfield Lions Club and Kaylee's grandfather. The family needed funds to secure important eye treatments not covered by their insurance. PDG Dave worked with Kathy Nearly to secure a grant from Northeast PA Lions Service Foundation. Total funds needed were \$4536.00 NEPALSF awarded 80% of this total. The Ickesburg Lions Club, home club of Kaylee's residence, and the New Bloomfield Lions Club, each contributed 10% to complete the monies required for Kaylee's treatment. The prompt response from NEPALSF and the rapid cooperation of the two local clubs resulted in a 10% discount and ensured that the entire cost was paid prior to the start of treatment.

Shown in the photo (from left) are grandparents Deb and Lion Tom Wagner, Ickesburg Lions Scott and Lauri Moyer, PDG David McCluskey, EPALSF representative Lion Vicky Dougherty, and Kaylee, Shane, and Melissa Weibley.

GLOBAL LEADERSHIP TEAM

Dear Lions, Lionesses, and Leos,

Life in a service organization is constantly changing, which is no different than the world around us. Lions, Lionesses and Leo clubs have events and activities that directly serve our communities, or allow us to raise the funds to facilitate the needed service and support. As each year passes, there is a need to navigate at some level, make improvements or allow alterations, which in effect, is often a more efficient way of doing business. Like it or not, we live in an ever-changing world.

If you embrace the change and “think out of the box”, Lions Clubs International will continue to survive and grow in the United States. For most Lions and Lionesses, the focus remains on a smaller scale, in our own towns and municipalities and in our own clubs. What does the future hold for your club? We need to constantly re-evaluate the needs that surround us, in addition to the leadership which will guide us into the future. We must look at succession planning. This will allow us to create a plan and a path to keep our organization strong by finding replacements to mentor so we may move forward on that pathway.

In my professional life, I create a budget for the upcoming year but I also review trends of recent years and projects for two additional years. I have a list that includes needs and goals for the next 5 years. Benjamin Franklin once said, “If you fail to plan, you are planning to fail.” We need to look at our club in the same way. Don’t wait!

The Baby Boomers have reached retirement age and we need the following generations to have the desire to continue to carry the Lions torch of service. Be positive and open-minded in your conversations and IDENTIFY potential future leadership. Guide that individual to prepare and plan their service within your club. Share information and training opportunities that you know are available.

As experienced Lions and Lioness, we need to provide a path for a smooth transition of key positions and improve the depth on the member bench by increasing opportunity for leadership. When a Lion (new or seasoned) is included in the involvement of the decision-making process, they feel more committed and connected to the club and retention is high.

If you currently serve or have served as a leader, you may have experienced guidance from another club member, or maybe you were simply the one left standing when they asked for volunteers then got thrown into the deep end of the pool with the “sink or swim” approach. Learn, educate, be flexible and allow others an opportunity to shine. Embrace positive change, celebrate successes and encourage future leaders to take the first step!

Thank you for your continued service!

Sincerely,

IPDG Keldeen Stambaugh
14-T Leadership Development Coordinator, GAT

BLINDNESS AWARENESS EVENT

Harrisburg, Pa- **Vision Resources of Central Pennsylvania (VROCP)** will be holding the organization's eighth annual, *Evening in the Shadows* dinner in support of the organization's mission.

Shadows is one of **Vision Resources'** most popular and unique awareness events and each year it just gets better. This special evening offers participants the experience of dining through the eyes and senses of someone who is visually impaired. Before being seated, guests are assisted with donning adjustable lightweight blindfolds. They are then led to tables where they are served a five-course meal created by C & J Catering and each course is paired with a specially selected wine. Guests are encouraged to discuss and guess exactly what foods they are tasting, while enjoying the live background musical entertainment. The most repeated comment from guests is that they have never attended anything that compares to it!

Evening in the Shadows, will take place on Thursday, November 7, 2019. The fundraising event will begin at 6:00 p.m. at **the 903**, 903 Spring Garden Drive, Middletown, PA 17057, and is certain to provide an unforgettable mix of epicurean and sensual delights, excitement and a splash of mystery. Ticket price is \$80 per person and are available in limited quantities to offer attendees a pleasurable and intimate evening. The requested attire is business casual. Interested parties can make their reservations by purchasing tickets securely online at **www.vrocp.org** or by calling Cheryl Cuddy at 717-238-2531.

The mission of **Vision Resources** is to facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment and educational awareness programs.

The agency's services extend to Cumberland, Dauphin, Franklin and Perry Counties.

Dear Lions, Lioness, and Leos,
