A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Hello Lions! It is time to say goodbye to 2019 and move into 2020 with a ROAR! I hope all of you had a great Christmas and New Year.

Now it's time to get busy in Lions stuff. Have you invited a person into our organization? Set the stage of your invitation by sharing the Lions service activities with a

friend or colleague. Remember we are the largest service organization in the world and have a great track record. Community minded people are interested in being a part of something great. So, invite them to be a part of Lions.

Clubs should be looking for new officers for the upcoming 2020-2021 year. To help, Zone Chairs will conduct an officers training program at their Zone meetings in February. Encourage prospective officers to attend and discover the skills and joy of serving. Zone meetings are important to the Lions overall programs. Club presidents and secretaries plus other interesting Lions should attend. Come and share your successes and problems with other club members. Sometimes success can be borrowed from other clubs.

Club presidents, it's time to appoint a nominating committee to select your leaders for the coming year. By appointing a nominating committee in January, it gives the committee time to find good leaders to lead and direct your club activities during the coming year.

The February 16, 2020 Cabinet Meeting has been moved to Grace United Methodist Church, 433 East Main St., Hummelstown, PA 17036. There will be leadership training for all attending. Check your directory for cabinet meeting schedule, page 8.

Lion Ginny and I hope all will have a Happy and Joyous New Year!

Yours in Lionism,
DG Samuel R. Wagner

1 VDG CATHY MESSAGE

Happy New Year
Lions, Lioness and Leo's

I hope you all had a blessed holiday season and celebrated the incoming New Year 2020. We have left the old decade behind us and look forward to seeing clearly into 2020. Our primary focus has always been vision and this New Year

should have us all seeing clearly into the future.

Don't forget to celebrate Melvin Jones' birthday (13 January 1879) this month. Our foundation will celebrate it the week of 13-17 January 2020.

Have you made a pledge to donate to LCIF this year? The monies donated support Lions clubs in serving their communities locally and globally. They give hope and impact lives through our humanitarian service projects and grants. Has making donations changed you as a Lion? Our donated funds are used for short-term and long-term program expenses including the grants that are provided globally. Did you know that if you donate \$100 your money can provide measles vaccines to 100 children? None of the funds donated are used to cover LCI's daily operating expenses. Our foundation has earned a four star rating for eight consecutive periods from Charity Navigator. Your donations can be done online at www.lcif.org/donate

DG Sam, VDG Peggy and I will be visiting clubs again starting this month, see you then,

Yours in Lionism,
1VDG Cathy Baker

2VDG PEGGY'S MESSAGE

Happy New Year 14-T Lions!
Greetings from Perry County on the First day of January, in a New Year and in a new decade!

It continues to amaze me how important Lions Clubs are for our

communities. 48,000 clubs around the world! That is wonderful help and support for our friends and neighbors around the globe. Each of these clubs is autonomous as to how it raises funds and contributes those funds back to the community. In Pennsylvania, I believe our best fundraisers have something to do with food! That is so PA Dutch of all of us and such a great tradition. From Pork and sauerkraut dinners to chicken bar-b-q's to pancakes, waffles, turkey dinners, homemade ice cream! We know how to do food.

Not only do you all help each and every one of your communities you graciously donate to our District 14-T projects. Do you know what those are?

Continue message next column...

CONTINUE 2VDG PEGGY MESSAGE

Take some time at the beginning of this year to review those projects.

- Beacon Lodge www.beaconlodge.com, a wonderful summer camp in Mt. Union for campers, adults and children with disabilities. Consider a visit to this beautiful camp in Central PA.
- Diabetes research, awareness, education fund is providing funds to health care facilities in all 4 counties to help with patient education, patient outreach programs, as well as research. Think Diabetes Bowl-a-Thon funds! Such a help for our area health care facilities.
- Leader Dogs for the Blind www.leaderdog.org
- District 14-T Disaster fund to help those in our district that are victims of a natural disaster for fire.
- PA Lions Care For Kids fourdiamonds.donordrive.com is PA Lions partnership with the Four Diamonds fund to help children with cancer and their families while receiving care at Penn State Hershey Medical Center Children's Hospital.
- Youth Activities. We continue to support local Boy Scouts, Girl Scouts and our District Leos!

These are six of 16 projects that District Governor Sam is focusing on this year.

Should we do more? Are there areas of need in our communities we should be focusing on for this next decade?

I do believe that as we help each other and reach out to our communities, new members will come. So, SHOUT out all you do! Use Newspapers, Facebook, twitter, and other social media to promote yourselves. You are your best advertisements for your community! I also highly recommend checking out the Lions International website, www.lionsclubs.org. There are wonderful education resources for clubs, officers and members. If you would like a wonderful training experience to consider the USA/Canada Lions Leadership Forum this year in Louisville, Kentucky, Sept. 17-19, 2020.

It is promoted as the largest and best Lions Club Leadership Training event in the world and after attending last year's event I whole-heartedly agree! www.members.lionsforum.org

I am planning to continue my travels with DG Sam and 1 st VDG Cathy this new year and am excited to see you all soon!

"Your journey is not the same as mine, and my journey is not yours, but if you meet me on a certain path, may we encourage each other".

Happy New Year as we serve together,
2VDG Peg

GLOBAL SERVICE TEAM MESSAGE

Happy New Year!! Wishing 2020 brings each of your health and happiness and may your Clubs continue to SERVE to your communities.

Earlier I shared with our Secretaries and Club Service Chairs a message I received from our State Service Coordinator. I am proud to say that as of December 15, 2019, 14-T had the 2nd highest percentage of clubs reporting their service activities (70.45%). Congratulations!!

First place was 14-U with 87.50%. So we have some work to do to catch up. Remember, I am still available to help where I can – just give me a call or send me an email.

In case you haven't check the "Lions Events Calendar" lately, Peace Poster Kits go on sale January 15 and can be ordered through the Club Supplies Sales. Let's get more of our clubs actively participating with local schools.

FEBRUARY is Childhood Cancer Awareness Month, with February 15 being International Childhood Cancer Day. In recent years, Lions Clubs International added Childhood Cancer to our Global Causes. In 2018 our Lions added "PA Lions Care For the Kids" and partnered with Penn State's Four Diamonds. Childhood Cancer has taken on a much more significant importance to me and my family in the past 2 months. For those who do not know, in mid-November, my great granddaughter was diagnosed with Childhood Leukemia (ALL) and has a long fight ahead of her over the next 2-3 years. "Rosie" (as I call her) is being treated at Penn State Hershey's Children's Hospital through Four Diamonds.

PA Lions Care for Kids is #11 of our 2019-2020 District 14-T Projects. I would like to personally ask each of our clubs to consider a "special fundraiser" – even a small one – for the purpose of raising funds for this District Project. Your support can provide funds to one day conquer childhood cancer so other children and their families do not have to endure this pain. Learn more about Childhood Cancer and how Lions around the world are supporting this Global Cause: <https://lionsclubs.org/en/start-our-global-causes/childhood-cancer> Continue to check the Lions Event Calendar at <https://lionsclubs.org/en/resources-for-members/lions-events-calendar>. Try to schedule your activities, fundraisers and speakers around the various topics listed on the calendar. And don't forget to publicize – a great way to enlighten prospective members! And of course, REPORT those activities!

The Lions of Pennsylvania are standing up to their motto: "We Serve," by assisting Four Diamonds in its mission to conquer childhood cancer. ... to make a difference in the lives of children fighting cancer and ensure that "Where There's a Need, There's a Lion." GLOBAL MEMBERSHIP TEAM MESSAGE

Welcome to 2020! Or should I say 20/20? Well, both are signs that we have our sights focused on the future. What an appropriate year for us to enter as Lions with this reference to one the key components of our service platform - Vision.

Here's where you can help me and our District with some feedback and ideas to grow our clubs and membership as we focus our 20/20 vision on our future in 2020. I would like your insight on where we can expand our clubs through **Specialty Clubs**. Each of you has an individual view on opportunities that might exist to start a Specialty Club.

What are they?

Specialty Clubs are new ways for us to engage new groups of members, even in our existing communities. They can help us to serve more people through their shared interests or backgrounds. Here are the different types of Specialty Clubs:

1. **Cause-Specific** - This is a group of individuals focusing on a specific cause such as Diabetes, Vision, Hunger, Environment, Childhood Cancer, or Other need in a community.
2. **Cultural** - This is a group that share a cultural background or heritage and may be a culture in your community that is currently under-served.
3. **Life-Stage/Experience** - This type of club takes advantage of an opportunity where individuals are already drawn together because of their stage in life such as Academics (school, college), a particular Profession (firefighter, hospital worker, plant worker, etc.), Retiree including joint members of a retirement community or retired workers who already join together, or young parents and families.
4. **Partnerships** with other organizations such as Lions Champions Clubs (Special Olympics)
5. **Sports or Hobbies** - These clubs center around enthusiasts for a given sport or hobby like fishing, drone flying, Instagramming, sewing, bowling, or whatever!

Specialty Clubs can be fully chartered clubs (20 members or more), or Branch Clubs (5 members or more, sponsored by another club). They might be a group of individuals who might not have an interest in joining your club, but through their association with each other, could start a whole new club in your community. For instance, young families could start their own club, or nurses, or the Hispanic community in your town, or a group of people interested in saving our environment. There are so many different options.

How can I help?

Now that you have some idea, take a look around your town or service area and think about someone you might know who a member is of one of the groups. Then, I'd like you to share that idea with myself, District Governor Sam, or your Zone Chairperson. We may need your help to make a contact, but your ideas are what's most important at this step. Then we'll have a 20/20 view (get it?) on the opportunity too and can share the message of Lions and possibly add more Lions to our pride. If you have any questions, please contact me directly.

Continue GMT page 6...

CONTINUE GMT MESSAGE

So as 2020 begins, thank you for what you've done to help your club and those whom you serve. I hope that you can also help your club and/or our district to grow.

Yours in Service,

PDG Lion John Mallonee
Global Membership Team (GMT) Coordinator

HERSHEY LIONS

The Hershey Lions Club recently helped the Hershey Food Bank and hungry Derry Township residents with a food donation. This new service project provided food for the Hershey Food Bank at a time when it was needed most. This project netted over 278-pounds of non-perishable food items that was collected during the club's December meeting.

According to Bart Callear, president of the Hershey Lions Club, "This is a great way for the Hershey Lions to partner with the Hershey Food Bank." The Hershey Lions contributed financially as well. "It was surprising to learn that at least 400-families rely on the Hershey Food Bank monthly," added Callear.

Long-time Hershey Food Bank volunteer and guest speaker Odette Bergloff shared with the Hershey Lions Club that the food bank receives and distributes at least 26,000 pounds of food each month. She also shared about other services and referrals that the food bank provides.

Along with many other hands-on service projects, helping to feed hungry Derry Township residents is a pressing need being met by the Hershey Lions Club. Lions Clubs around the world are also meeting this need in other communities. According to Lions Clubs International, hunger impacts many people. In 2016, 815 million people, or 11% of the global population, were affected by hunger.

Pictured: Hershey Food Bank volunteer Odette Bergloff was a guest speaker for the Hershey Lions Club's December meeting. Club President Lion Bart Callear is pictured with the club's 278-pounds of donated non-perishable food items for the food bank. With at least 400-families relying on the food bank monthly, donating food is one way the Hershey Lions Club helps meet pressing needs within Derry Township.

ENVIRONMENTAL MESSAGE

Attention Lions, Lionesses, and Leos of District 14-T,

Just a friendly reminder that the district environmental photo contest is still ongoing. With the snow that is certain to blanket our area soon great photo opportunities will surely present themselves. Remember, this year ALL photos will be judged at our district convention. We have eliminated the judging at club level so bring them all to the convention. As always, a fabulous prize will be awarded to the winner, so good luck!

All other rules of the contest listed below are still in effect.

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention on Saturday, April 25th by those members in attendance at which time one photo will be selected as overall winner.

At their December holiday party, the West Hanover Lions Club commemorated the dedication of the Houck athletic field 50 years ago. At their December meeting, the Lions club unveiled signs that are being displayed at the athletic field that tell the story of Larry Houck, including his many accomplishments at Central Dauphin High School, Messiah College and in the Marines, and how he died in Vietnam. Larry's siblings also were recognized at the meeting.

West Hanover Lions presented the prestigious "Lion of the Year" award to King Lion Bill Moulfair for his work as club President. Bill also coordinates all public relations activity for the West Hanover Lions. Treasurer, Lion Don Holmes, right, presents

ARTFUL GATHERINGS – VISION RESOURCES

If you are a member of a club, a church group, a social organization and you could use a little stimulus to liven up your next meeting, Vision Resources of Central Pennsylvania might be able to assist you.

If you are a boss at your place of work and want to do some team-building- brainstorming, but away from the telephones, computers and cubicles, perhaps Vision Resources can provide a solution.

Several years ago, Vision Resources received a donation of hundreds of art prints. A variety of subject matters, classic art reproductions, history, modern, fun, whimsical, landscapes, sailing ships, florals, in a variety of sizes from postcard to posters. This generous opportunity prompted the agency to renovate a space in the organization's facility into a small gallery, a unique gathering place.

Donors, friends, business associates have helped christen room. The art is neatly displayed for purchase and priced to make our guests visit that much more enjoyable. Your group is welcome to do as others and bring foods and wine or beer (we can help arrange this too), turn on a little music, and allow the atmosphere to provide a little change of pace for everyone

If this sounds interesting please call us to see what we might schedule, but don't feel like you can't visit by yourself or with a friend, we would be happy to show individuals around. Call 717-238-2531 and ask for Danette, Paul or Cheryl for more information, thanks.

**PA LIONS BEACON LODGE
CAMP**

"500 CLUB"

Dear Lions, Lioness, and Leos,

This is the time of the year that we ask for your support of the "Beacon Lodge 500 Club". This is an opportunity for each Lion, Lioness and Leo to make a personal contribution to help with repairs and maintenance of the Beacon Lodge Camp.

The "500 Club" is based on \$ 5.00 per year. Since it began in 1992, as the 365 Club, this fundraiser has totaled in excess of \$966,413.46. The Lions, Lioness and Leos in the state of Pennsylvania continue to embrace the Lions Motto "We Serve". We encourage all Lions, Lioness and Leo Clubs in this district to consider 100% participation in this great project.

- We ask that you:
1. Make checks payable to Beacon Lodge 500 Club.
 2. Send a copy of your membership roster
 3. Mail checks and roster to:

Lion PDG Jan Adams, 6 Logans Run., Enola, PA 17025 OR

Lion Denise Heck, 110 W. King St., Waynesboro, PA 17268

Enclosed you will find a copy of the 2020 Beacon Lodge Wish List.

Once again we thank the Lions and Lioness of District 14 T for your continued support of PA Lions Beacon Lodge Camp: helping to make it one of the Best Special Needs Camps in America.

Yours in Lionism,

District 14 T Board Members
