A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

It's time for February newsletter. One twelfth of 2020 is over. Male Lions don't forget February 14th or it could be a hot end to February. Invite your significant other to join your Lion's Club in February, it could then be a warm and cozy end to February. My prediction for spring arriving is March 19th.

Down to business. Lions nominating committee should be working on a slate of officers for the 2021 Lions year. Their report should be made to the club in March

Zone chairs will be conducting officer training at the February zone meetings. This training is for both existing officers and prospective new officers. Clubs should try to make an effort to have current officers and anyone looking to be an officer attend the Zone Meeting.

Membership needs to be addressed. The district is down by twelve members. Let's look for new members in your community and invite them to one of your meetings. I am asking each club to increase their membership by three, of which one of the three, is to be a female. Remember, just ask.

Now is the time for Lions who are interested in running for 2nd Vice District Governor to let the leadership know. The Lion must have served six month and one day as Zone Chair to be eligible for the position.

Any Lion interested in a Zone Chair position next year should contact 1st Vice District Governor, Cathy Baker. In order to be eligible for the Zone Chair, a Lion must have served as Club President for one year. It is essential to have a Zone Chair in each of our zones to make a smooth-running district next year.

Start making plans to attend the District 14-T Convention, April 25, 2020. Our guest speaker will be Immediate Past International Director, Tom Gordon from Canada.

Yours in Service,
DG Sam Wagner

1 VDG CATHY MESSAGE

Happy Valentines Month Lions, Lioness and Leos,

February is the month that we think of as the month of hearts, flowers and love. However, for all our clubs it is the time of year to begin our search for the leaders and board members of our clubs for the next year. If you would like to step

up into a leadership position in your club, talk to your current club President and the Immediate Past President. If you are unsure, please come to our next cabinet meeting on February 16th in Hummelstown (see the schedule dates at the end of the newsletter). IPDG Keldeen Stambaugh will be providing training for current officers and for everyone who thinks they may want to step forward. If it is the fear of the unknown responsibilities of being a club officer or board member, take a moment and talk with the people who have filled those positions in the past. Additionally, the Governor's team is always available to answer your questions and provide you more insight.

While we don't serve heart shaped pancakes, this month will find all of us across our District flipping pancakes, cooking sausages and eggs, and serving our wonderful breakfasts. Please offer your assistance to other clubs who may need more hands to serve at their pancake breakfasts too. This is a great time to ASK1. I keep a few membership applications with me. You never know who you may invite to become a member of the world's largest service organization or when an opportunity presents itself to use your elevator speech

I will be in St. Charles, IL, for First Vice District Governor Seminars February 10-14. If you need info, please email me at lioncathybaker@gmail.com This is my new email address so please update me in your contacts/directories.

LCI has International Childhood Cancer Day as February 15th. Please consider a donation as an individual or as a club to help with the needed research being to find a cure for this life and family changing disease. There are many within our district facing the trauma so please keep them all in your prayers.

Stay warm my friends.

FVDG Cathy Baker

LCIF UPDATE

We are currently at only 11% of our 2019/2020 goal. Please make every effort to send in your LCIF dollars-maybe a fundraiser or Melvin Jones for one of your outstanding club member(s). We all have people in our clubs most deserving of this honor.

Thanks to all
PDG Dave McCluskey
District LCIF Chairman

GLOBAL MEMBERSHIP TEAM MESSAGE

Happy February! Our Lions year may be more than halfway through, but you've still got time to invite your family, friends, and colleagues to be a part of the largest service organization in the world. Here are a few activities to consider within your club as we get closer to Spring.

Women Members

While we have welcomed women to serve in our Lions Clubs since 1987, we still haven't achieved gender parity within our clubs. Within District 14-T, we are still at about 28% women within our 44 Lions clubs. We want to continue to share the opportunity to serve with both men and women, but we have more room for opportunity with the women who aren't members of our clubs.

If you are already a woman and a Lion, have you invited those within your circle of friends to serve and experience what you like about being a Lion? If you're a man and a Lion, have you invited the women in your life? It's important to let others decide whether and when being a Lion is right for them, but you'll never know if you don't ask.

Our Immediate Past President Gudrun Yngvadottir helped to launch the New Voices program to help us add more perspectives to our clubs and give women, men, and younger adults an opportunity to have their voice heard. Please help us keep that program growing by including women in our consideration along with men for service within our clubs and communities.

Lions Information Night

Whether it's women, men, older, or younger, this is also a perfect time to plan a Lions Information Night program to fit into your late Winter or early Spring club calendar. We've talked about this in the past as a great way to share what you with your community and hopefully invite some of them to be members.

Here are some ideas for a program:

1. Have a district chairperson speak about one of our district projects.
2. Ask your club membership chair to present a program on what Lions do.
3. Conduct a Member Orientation program. This can help existing members learn while also telling non-members what Lions Clubs all are about.

If you're not sure how to find content for your program, feel free to contact me and I'll help you find some presentation materials that are already available.

Thank You

I also want to thank our clubs and members who continue to do good work in their communities and invite others to help them. Membership is always important and if we're not growing, then we're declining. However, it's important to recognize our successes and hard work. So, thank you!

As always, if you need additional ideas or assistance with growing your clubs or improving member experience, please contact me.

Yours in Service,
PDG Lion John Mallonee
pdgjohn@hershelylions.org

READING ACTION MESSAGE

Dear Reading Action Friends,

Greetings! Grace and peace to you and your family! I trust that all is well!

Thank you for encouraging literacy in your community with projects that have enhanced literacy for years in your community and new projects that inspire others to join the fun!

Please tell us how your Lion's Club encourages literacy in your community by responding to this email by February 10th.

Your club's Reading Action project will then be included in the Reading Action report at the District 14-T meeting in Hummelstown! Your projects will help to spark new ideas for other clubs to enhance literacy in their community, too!

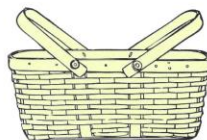

Please pass this message on to other Lions who might want to share their club's Reading projects, too. Thanks again for your time and care!

Have a delightful day!

LCIF EFFORTS IN AUSTRALIA AND PUERTO RICO

In efforts to keep you informed on the ongoing efforts of Lions Clubs International Foundation's response to the wildfires in Australia, LCIF has awarded Australian Lions with US \$143,000. US\$103,000 has been provided to purchase water tanks, which will be used to help combat the fires. In addition, four emergency grants of \$10,000 each have been approved for 4 districts.

In addition, yesterday, Puerto Rico (MD51) has also been hit by a 5.8 magnitude earthquake, followed by a 6.4 magnitude earthquake this morning, damaging homes and business and resulting in widespread power outages across the island. LCIF has been in close contact with our Lions on the ground to provide emergency relief efforts.

Many individuals have asked how they can help. LCIF is currently accepting donations for both disasters as our relief efforts will be ongoing. Our Board of Trustees are meeting this week at headquarters and will be reviewing each of these disasters in detail. Please visit, <https://bit.ly/2s2U55r> to make your gift or visit my Facebook fundraiser at <https://www.facebook.com/donate/502862457078646/>. Please share within your networks to help us raise awareness and gather the support of others.

ENVIRONMENTAL MESSAGE

Attention Lions, Lionesses, and Leos of District 14-T,

Just a friendly reminder that the district environmental photo contest is still ongoing. With the snow that is certain to blanket our area soon great photo opportunities will surely present themselves. Remember, this year ALL photos will be judged at our district convention. We have eliminated the judging at club level so bring them all to the convention. As always, a fabulous prize will be awarded to the winner, so good luck!

All other rules of the contest listed below are still in effect.

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention on Saturday, April 25th by those members in attendance at which time one photo will be selected as overall winner.
