A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

March already!!

Spring will arrive on March 19, 2020. Time to start planning your spring activities. Clean up lawn, get lawn mower serviced, get lawn furniture out, clean and any other job that is needed. Oh yes, it's Spring.

Your club nominations for 2020-2021 should be complete and ready for voting. Go online to LCI and print off the officer's duties for your nominees. This will help strengthen your club and make it more productive for serving your community.

Please check your calendars for district, state, and international activities. Our District Convention is April 25, 2020 at Red Lion Hotel, Harrisburg. The State Convention is May 15-16, 2020 at Erie, PA. LCI Convention is scheduled for June 26-30, 2020 in Singapore (keep in touch, it may be rescheduled). District Governor's Appreciation Day is set for July 25, 2020 at Newport Fire House, Newport, PA.

Clubs should review their service projects and update or add new projects to serve their community. Let's have a great Spring and a great time serving our communities.

Yours in Service,
DG Sam Wagner

1 VDG CATHY MESSAGE

Hello Lions, Lioness and Leos,

Here we are in March and this Lion Year is just flying by. On March 7th many Lions will be taking part in the 41st Annual Lions Day at the United Nations. The focus this year is about protecting our future and the health of our children.

The end of February has the students at Penn State hold the annual THON which raises funds for childhood cancer research and care. I think we are fortunate to live in an area that embraces this annual event. The amazing dancers raised \$11,696,942.38 "for the kids." This year was the 47th and it grows every year.

We also celebrate women this month. March 8th has been designated International Women's Day. Did you know that our association has women as members when we first began? The change occurred when not many women owned businesses, and our association was started by a group of businessmen. The vote at the International Convention ended the 70-year-old ban on 5 July 1987, and we have continued to embrace women joining LCI. Women have made several achievements within our ranks and they continue to work hard to help with gender equality on a global level.

Last month I was in St. Charles, IL, for Vice District Governor training. What an amazing week! We were 780 Lions strong from around the world. Each class was about 25 lions and we had the opportunity to speak with 1st International Vice President Douglas Alexander. He was very inspiring in the classrooms and when he spoke to us at the collective group sessions in the auditorium. I made new friends from St. Petersburg, Russia, Thailand, Canada and the Ukraine. Many of these will be lifelong friends. I look forward to serving as your District Governor. I look forward to seeing you all at our District Convention on April 25th at the Red Lion Hotel in Harrisburg.

Please note I have a new email address:
lioncathybaker@gmail.com please update me in your contact list.

Call for the 2020 District Convention

We invite all Lions, Lioness and LEO club members in District 14T to the 30th annual District 14T Convention on Saturday, April 25th.

We will be hosting Immediate Past International Director Thomas Gordon from Ontario Canada and his partner in service Gillian at the Red Lion Hotel 4751 Lindle Road in Harrisburg. The convention will be a one-day event again this year with Nominations, Necrology Service, Seminars, Environmental Photo Contest, Rally Luncheon, Voting for District Leaders and District Cabinet Meeting.

On January 17th the convention assessment notices of 50 cents per member were sent to each club's President and Secretary via email. If your club did not receive an assessment notice, please contact PDG Pete Van Zandt.

Please also consider having your club provide the convention with a raffle basket. We will also be requesting that you bring your club's banner for display during our rally luncheon. Watch for the registration form in the March and April district newsletter.

We're looking forward to seeing you at the Red Lion Hotel on April 25!

HERSHEY LIONS

During its January 2020 meeting, members of the Hershey Lions Club celebrated Citizenship and Patriotism by recognizing members of the community which included first responders and an educator. 2020 marks the 35th year that first responders have been recognized and the 19th year that educators have been recognized.

Peter Sniderman, Firefighter of the Hershey Volunteer Fire Company, Officer Michael L. Henry, Jr. (posthumous) of the Derry Township Police Department, and Emily Gallo, 11th grade English Teacher of the Milton Hershey School, received awards in appreciation of their outstanding and dedicated service to the community. All were selected by their peers to receive these awards.

In a particularly touching tribute, Officer Henry's wife, Jackie Henry and son Zachary attended the event and received the award in his memory. They noted that "Officer Henry's passion was police work and his family." "There was nothing else we would have rather done than support him and the community," added Henry. Officer Henry passed away on January 2, 2020. Several of his fellow officers attended the event as well. In his memory, the Hershey Lions Club gifted a donation to the Derry Township Police Department K9 Unit.

Firefighter Sniderman has served for 3-years with the Hershey Volunteer Fire Company. According to Sniderman, "I don't want a homeowner to be alone on their worst day." "With firefighters there, they are not alone," added Sniderman. Educator Emily Gallo's passion for teaching was very evident. She works with students who are overcoming adversity. Gallo shared "that when asked what my dream job is, I already have it."

GLOBAL MEMBERSHIP TEAM MESSAGE

I love My Lions Club!

Doesn't that sound exciting? I hope that we can all say that, although I'm guessing that not all our Lions are quite as enthusiastic as that. I don't mean to be a downer, but we continue to lose more members than we install every year.

Rather than focus on the numbers for now, I'd like to help us focus on ways we can improve our clubs. Even if your club seems to be running smoothly, I'm sure that there are ways that you could improve, either in how you hold your meetings, how you raise money, or how you serve your communities. Fortunately, Lions Clubs International has a straightforward tool to help you look for opportunities to better understand the dynamics of our club and look for specific ways to implement positive change.

I've talked about this before in other postings and in talks on Membership, but I want to remind clubs to consider using the How Are Your Ratings? survey and guide to gain more insight into the workings of your club. You can find this on the LCI website (www.lionsclubs.org) by doing a search for "How Are Your Ratings". This will take you to a page with the following:

1. Survey
2. Administrative Guidelines
3. Results Template

The survey can be conducted rather easily at a club meeting. In my own club, we were able to complete it in about 10 minutes. I highly recommend sending copies, either electronically through email, or through paper mail, to any member who is unable to attend the meeting where you conduct the survey. I suggest that either the Club Membership Chairperson or one of the other club officers conduct the survey and then collect the results. I also recommend that you genuinely assure the members that their responses will be anonymous so as to get honest and helpful responses. Ask the members not to write their names on their survey forms if they want to remain anonymous.

Once all of the survey forms are completed, the Lion conducting the survey will use the instructions in the Administrative Guide to tally the responses in the Results Template. The Results Template is a Microsoft Excel file which automatically arranges the results in an easy way to interpret the results in conjunction with the Administrative Guide. In our club, we learned a lot of things that we already knew, but we did learn a few things that were important to our members and on which we could take some action.

Understanding ourselves better is a key part to our growth, and the growth and change of our individual clubs is important for us to continue to serve our communities in the future. I urge and challenge you to try this if you haven't already done so, or haven't done it in a number of years. I'm more than happy to help you should you have any challenges or questions.

Thank you for being the most important part of the largest service organization in the world - a Member!

Yours in Service,
PDG Lion John Mallonee
pdgjohn@hersheyions.org

GLOBAL SERVICE TEAM MESSAGE

SPRING IS ALMOST HERE! It's in the air – our birds are returning. It's coming from the ground – our Spring flowers are popping up!!

Are the plans for your Club's Spring service projects in the works?

April is Environmental Awareness Month – April 22 is Earth Day and April 24 is Arbor Day – does your Club have plans to provide a service that involves the Environment or maybe your Club can plan to plant a tree in memory or in honor of your members.

April is also Leo Awareness Month – can you think of ways to SERVE together with your Leos – plan a service activity together that will highlight your Leo Clubs and our Leos.

By the end of this Lions Year, I'm counting on all of you to know the difference between a "Service Activity" and a "Fundraising Activity."

Now is the time that many of our Clubs are having their Spring Fundraisers – breakfasts, dinners, etc. This is where your money (\$\$) comes in – that is why they are called "fundraisers" and in the MyLION, they will be reported as "fundraisers."

Throughout the year, our Clubs have made donations to the District Projects. Perhaps you made a donation to your speaker's subject "cause." Many of you will be doing "road-side clean-ups," cleaning community parks, sprucing up community flower beds, volunteering at local nursing homes, awarding scholarships – these are ALL various forms of "service" and will be reported as "service" in MyLION.

It's easy to remember – "fundraisers" means the money comes in; "service" means the money goes out.

And, while I'm discussing MyLION. I have been forwarding to our Club Secretaries and Club Service Chairs everything I receive on the updates for MyLION reporting. I have been receiving very good feedback on the improvements. For those who are not reporting your service activities on MyLION, I'd like to encourage you to give it another try.

I will be speaking at the Waynesboro Area Lioness Lions Club on April 1 about MyLION and reporting. I can make myself available in that area earlier in the day. Feel free to contact me.

The environment is where we all meet; where all have a mutual interest; it is the one thing all of us share. – Lady Bird Johnson

We, also, honored and thanked Mrs. Manty Ryan, who is the art teacher at the Fannett-Metal Schools for her great work with the students.

ENVIRONMENTAL MESSAGE

Attention Lions, Lionesses, and Leos of District 14-T,

Just a friendly reminder that the district environmental photo contest is still ongoing. With the snow that is certain to blanket our area soon great photo opportunities will surely present themselves. Remember, this year ALL photos will be judged at our district convention. We have eliminated the judging at club level so bring them all to the convention. As always, a fabulous prize will be awarded to the winner, so good luck!

All other rules of the contest listed below are still in effect.

- Photographs are to be of an environmental theme. For example, pictures of insects, reptiles, birds, mammals, plants, flowers, or landscapes will be accepted. Basically, any photos that are related to our environment will be accepted for judging. Only photos taken during the current Lions year may be entered.
- Photos should be 8" X 10".
- The photo contest is open to **all Lions, Lionesses, and Leos** in District 14-T. Only one photo per member may be submitted, so submit your best one.
- Judging (by written ballots) will be held at the District 14-T Convention on Saturday, April 25th by those members in attendance at which time one photo will be selected as overall winner.

VETERANS PROJECT NEW HOPE

This project is one of my primary interests and responsibilities at Beacon Lodge.

Two 4-day weekends are available this summer (June 17-30 & July 11-14) for disabled Veterans and family members. There is *no cost to the veteran* to attend, however donations toward the expenses are greatly appreciated. If your club should decide to donate toward this project, please note on the check memo area "Project New Hope" and mail to me at 6 Logans Run, Enola 1025.

I have made contacts with several Veterans Affairs Directors within our 14-T area promoting this valuable opportunity for veterans. I've learned through one contact of the large number of veterans who need to make use of a local food bank for food supplement. **Remember our veterans, their needs and mention Veterans Project New Hope** at Beacon Lodge to a veteran family member or friend. Brochures are available upon request.

Roof Replacement - due to the generosity of our 14-T Clubs, we are OVER the half way mark for funds needed to replace 14-T's two cabins. It's so true, **Where there's a need, there's a Lion!**

Thank you, Lions and Lioness, for continuing to be kind to Beacon Lodge,
PDG Jan
