A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Lions, Lionesses, Leos,

Let's hope May will treat us better than March and April. Covid-19 has placed a strain on everyone. It is my hope that all are well and looking forward to a warm and pleasant May.

At this writing, I am not sure we as Lions will be able to meet and get clubs back in order. So, the best we can do, as Lions, is look

for ways to serve our communities needs that will be safe to our members and beneficial to our communities. Think outside the box.

Club elections should be finished and club secretaries should be reporting new officers, by May 15th to LCI and also to District Governor Elect, Cathy Baker. For further information for reporting to District Governor Elect, please refer to the newsletter for additional instructions.

Our District 14-T Executive meeting is still scheduled at this time for Sunday, June 7th, 2020, at 2 PM to be held at the State Lion's office, 949 E. Park Drive, Harrisburg, PA 17111-2810. If we are not allowed to hold large group meetings at that time, I will schedule a telephone conference to take care of District Lion's business.

The 2019-2020 District Governor Appreciation Dinner has been cancelled. We will use a District event some time in September to present some awards.

I would like to thank all Club Delegates for stepping up to elect our 2020-2021 District Officers and vote for Constitution and Bylaw changes. Also, a big "Thank you" for those involved in conducting the election. District 14-T Secretary Lion Gloria McPherson; PDG Pete Van Zandt, Convention Chairman; PDG John Mallonee, Computer expert; Nominating Committee, PDG Grady McMullen, PDG William Tuttle, Lion Steve Hower; Election Committee PDG Dalton Paul, Lions Phyllis Lyons, and Lion John Petrina. Without the above Lions, we would not have had a smooth election.

The District Membership is down by 28 members. Keep looking for new members. There are 44 Lions Clubs in the District. If each club would add a new member we would be on the plus side of membership.

Thanks to all Lions, Lioness and Leos for all you have done for your communities.

District Governor Samuel R. Wagner

The material published in the 2019-2020 14-T District Directory is used by many people for many different purposes. Please review your Directory and send any corrections/changes to: swagner@embarqmail.com

When changes are listed in this article of the newsletter, please be sure to update your copy of the District Directory. Updates will be available on the District website also.

DISTRICT 14T CALENDARS

It is not possible to deliver the calendars to Clubs or Zone Chairman at the present time due to the COVID 19 situation. Calendar Chair Lion Betty has sorted and bundled the calendar and they will be disbursed as soon as possible.

Please remember this is an important fundraiser, especially since 14-T is hosting a Council meeting in February and a MD 14 State Convention on the horizon. When calendars are available, please consider purchasing one.

DGE CATHY MESSAGE

Greetings Lions, Lionesses, and Leos,

Good Morning everyone. I am sure that many of us have COVID-19 on our minds and we are all hoping for a full and open "release" date for the entire state. I have noticed that there has been an increase in the use of social media as a result of this. I know my club has used a group

meeting application for our Board of Directors meeting and our next club meeting will be held in this manner too. If your club is doing the same, please remember that not everyone is up to date with the latest technologies, and we have some members that do not even use or own a computer. Please send those members a copy of the meeting minutes so they are aware of what is happening within your clubs.

It is time for us to keep our minds active while we are isolated and kept from our friends and families. Perhaps you could paint some of the interior of your home, read a book a week, (this could be a challenge for your club members), or get your garden started. The current situation does weigh heavily on our minds and staying active is one way to ease the tension in your mind and body. Try to get out and walk for 15-30 minutes a day to embrace the sunshine and vitamin D. It's a great way to clear out the mental cobwebs some of us have. These are uncharted times the likes of which we each have never seen before, allow yourself some space to breathe, smell the blooming trees and listen for the songbirds in the trees. Please take time each day to STOP running on the treadmill we call life and take time to unplug and relax.

I am hoping to see you all soon. I want to thank everyone who voted for me and who have supported me these past few years. Your friendship and encouragement have inspired me to continue. This year, 2020 is providing us with a new 20/20 lens on how we view our lives, communities, and our global inhabitants.

Yours in Service,
DGE Cathy

APRECIATION DAY – BEACON LODGE

Preparation is underway to hold **Lions Appreciation Day at Beacon Lodge on August 23, 2020!**

COVID 19 caused the original date of July 19 to be cancelled along with campers' registrations.

A Beacon Lodge picnic was already scheduled for August 23rd, so this will now be a combined event.

The annual Duck Race and basket raffle will take place and updated details of the day's events will be forth coming.

Please put August 23rd on your calendars, Beacon Lodge staff and Board Members look forward to seeing PA Lions, Lionesses, Leos for a day of fellowship!

1ST DGE PEGGY MESSAGE

Dear Lions, Leo's and
Lionesses of District 14-T,

It is with extreme pride that I now move to the 1st Vice District Governor position in our District 14-T for the year 2020-2021.

Thank-you to everyone who took part in our absentee balloting this year, as we try and negotiate Covid 19.

I am excited to be a part of our DG Team under the direction of our new District Governor, Lion Cathy Baker.

I don't know about all of you, but I personally did need to just step back for the past month and try and envision our future in the Covid 19 world. I am still working as a Nurse Practitioner and when I go to the Cancer Center it is all masks going in the building, temperature taken upon entry and staying masked all day. But that is not all that is new for me and for many. As I have heard from many, we just **jettisoned** ourselves 7-9 years or possible more into the future.

I am now meeting with patients from my home to their home via Telemedicine. I am speaking with family and friends via Zoom meetings. I am playing Yahtzee with my 6-year-old grandson via Google hangouts. We have not lost our ability to communicate with each other, and we are discovering new ways to reach out to each other. Each club **can** reach out to their members and proceed!!!

I am sure 2020-2021 Lions year will be quite different, but it can be very exciting time to try new ideas, new clubs are forming, and new members are joining. Many community members will be looking for new ways to serve their communities and give back and as **Lions we will be there to show the way.**

I know those clubs that are able are still giving to our Libraries, Senior Centers, Kids lunch programs, EMS and Firefighters, to name a few projects. Let us not forget our own Beacon Lodge that has had to close for this season. They will need our continued support and funds. Do you know we can create fundraisers on Facebook!

We will emerge from 2020 slowly, like turtles from their shells. We will greet each other differently, shop differently, think about our healthcare differently, be more efficient with our time because we know we don't want to waste one minute on trivial things, and we will be able to be with our family and friends live and in person! We all have **Plans** and those plans will happen.

Remember we all have the courage and hearts of Lions and that will take us all down the path that lies ahead and into our new future.

You are all special and I wish you all stay well and stay safe!

Serving Together wherever we may be, in the name of Lionism.
Lion Peggy Hummel
1st Vice District Governor 14-T

PA LIONS GIVE FROM HOME FTK CHALLENGE

Dear PA Lions of MD-14,

I hope this email finds you and your loved ones safe and well.

At a time when everyone needs to come together, we need to be physically apart. Our usual events and fundraisers have come to a halt, even after many years of tradition. As we responsibly practice social distancing to reduce the spread of the novel coronavirus during this global pandemic, we must also consider other ways to support those most vulnerable to COVID-19, including immuno-compromised **childhood cancer** patients.

To-date, the PA Lions Care – For The Kids project has raised a total of **\$22,246.46**, but there is still time to GIVE and HELP us reach our statewide goal of \$100,000 to assist **Four Diamonds** in their mission of conquering childhood cancer.

With that being said, I'd like to introduce the **PA LIONS GIVE FROM HOME FTK® CHALLENGE**. This challenge asks and encourages every PA Lions member to contribute to our PA Lions Care – For The Kids project between now and **June 15th**. It also rewards individual contributors, the top fundraising Club, and top fundraising District.

Most importantly, your gift to the PA Lions Care – For The Kids project is helping to make a difference in the lives of children and families facing a cancer diagnosis, and supports a diverse platform of childhood cancer research seeking improved treatments and cures to benefit kids around the world.

Please review and share the attached flyer with your clubs and members. It outlines how you can donate, the incentives for donating, and how your dollars are helping children like [Theresa](#) conquer childhood cancer.

Please reach out if you have any questions and remember, **childhood cancer does not stop during a crisis**.

Yours in Service,
IPDG Keldeen Stambaugh
MD-14 Childhood Cancer Coordinator

MT PARNELL LIONS

Our sympathy goes out to Lion President C. Eugene Wingert and Lion Jere Wingert and their families upon the death of Gene's wife, Betty Wingert. Please see address below for anyone who could take time to send out a card.

All Mt. Parnell Lions Club meetings for May are canceled. In addition, the Ox Roast has been postponed indefinitely.

The Club has had a fantastic response from members and community members concerning donations for the St. Thomas Food Bank. We have been sending checks every Monday as donations come in. This coming week we will be sending at least an additional \$575. This brings our total donations thus far to \$4,045.00!! There are promises of additional donations in the future. Thanks to all! (Because of our help the Food Bank has been able to purchase much-needed protein (Meat).

Keep us informed about your families and friends

GLOBAL MEMBERSHIP TEAM MESSAGE

Another month of no in-person meetings and limited opportunities for connecting with our members and communities. How do we continue our clubs' relationships with everyone?

Many of our clubs have been conducting meetings over conference calls or Zoom or Google Hangouts or email or other means that help us to stay connected. I'm also seeing that our clubs continue to use Social Media to reach out to their members and to the communities that they serve. I'd like to share some tips that I gathered from a recent webinar related to the effective use of Social Media. *These tips are courtesy of Chad Barger of Productive Fundraising.*

While reading the tips below, think of them within the context of getting others to engage with your club through Social Media. That's the whole purpose of using this communication channel - so that people become interested in what you're doing, and support what you do to help others through donations, participating in fundraisers, and wanting to help as a volunteer or hopefully as a member.

1. Tell the Right Story

Similar to thoughts I've shared before related to attracting new members, it's helpful to boil your story down to a short "elevator speech". Specifically, the message that you share on Social Media should show WHOM you help so that they can do WHAT. People don't care so much about things, but about the story that you're telling and the emotions you trigger through that story. For example, you can show that you helped a family who suffered a house fire so that they can get their lives back. Each story you tell in your posts should be simple, focusing on one person (or family), provide supporting detail, represent a solvable problem, and show that the person you are engaging is the HERO. The people you engage are helping others through donations or fundraisers or by wanting to become a member. The story needs to be about them and not about you.

2. Use the Right Channel

This means that you are using the right social media platform to accomplish your goal for using that platform (communications channel). Here are some quick notes about commonly used social media channels:

Facebook - Target ages 25-54, 60% women, build relationships, some limited reach

Instagram - Target ages 18-29, build relationships and have online conversations

LinkedIn - Target ages 30-49 (professionals), news and articles and have conversations

Pinterest - Target ages 18-35 80% women, "scrapbooking"

Twitter - Target ages 18-29, news and articles and have online conversations

YouTube - Target all ages, good for "How to"

Regarding where you should be, it is best not to try to be on all or too many. Pick the 1 or 2 where you think your audience (donors, potential members) is and focus on them. It's also a good idea to ask your audience where they like to engage most (such as through online surveys or mass email or postcards).

Continue next column

CONTINUE GMT MESSAGE

3. Use the Right Format

The format of postings on social media needs to be the right fit for the social media platform/channels you choose. For example, it's easy to post a link to a newsletter, but that doesn't tell a good story on Facebook. Consider instead including a picture and targeted story from the newsletter to engage others (and then provide a link to the full newsletter).

Also, what is most engaging these days to people viewing media is videos - even as much as 12 times the engagement of pictures and text. The videos don't have to be professionally produced but can be simple videos from a smart phone. Consider recording individual stories of your members or people you serve or showing others what goes on behind the scenes at your fundraiser or service activity.

There is a lot more to social media than can fit into a single article, but hopefully this gives you some ideas, or challenges you to learn more through online articles and webinars. Share your stories, engage your communities and members, and start conversations to grow support and grow your clubs. Don't forget that when you start such conversations that you need to follow-up, answer questions on social media, and find ways to thank those who become engaged with your clubs.

As we can see right now, we are all eager to reach out and connect with others. Social Media is another tool that you can use to do so. **#WeServe #BecomeAMember #LionsClubs.**

PDG Lion John Mallonee

THANK YOU NOTE – BEACON LODGE

Thank you for every donation clubs are making to PA Lions Beacon Lodge Camp. Funds are especially needed now when several cancellations had to be made for camp activities which affects the overall operation of the camp.

Reminder: Donations received by District Treasurer Lion Denny will be applied to general operation expenses. If your club wants part of your donation to be designated for a "specific" Beacon Lodge project, please make that notation when submitting your check to Lion Denny.
(same applies when/if donations are sent direct to me for Roof Replacement, 500 Club or Veterans New Hope Project).

Thanks for your continued kindness to Beacon Lodge.

WEST HANOVER TOWNSHIP LIONS

The only news we have for you this month is, "To keep the public and members safe in the midst of the Covid-19 pandemic, the West Hanover Township Lions Club has canceled its annual Memorial Day Weekend Chicken Barbecue fundraiser."

WAYNESBORO LIONESS LION

Four new members were inducted into the W. A. L. L. Club by PDG Lion Joann Williams at our March meeting, including our first male member! New members are Heather Monn, Aaron Bumbaugh, Mary Lou Pollard, and Ruth Rogers

MIFFLINTOWN LIONS

During this shut down of all of our communal activities as a Lion's Club it has been extremely hard to serve.

1. Our meetings, meals, and programs have been interrupted.
2. Our activities like highway clean-up and traffic circle beautification projects have been interrupted.
3. Our participation in Festival in the Park has been cancelled.
4. Our main fundraiser (Chicken BBQ) has been cancelled.

But, did we quit? NO!

Our BBQ profits have been one of the major sources of donated dollars to Central Juniata Park Pool in Mifflin each year. We earmark \$4500 for this in our budget.

Also, in our budget was \$500 for a camper at Beacon Lodge for the Blind. They have cancelled their summer season. A motion was made to send the \$500 anyway for maintenance costs.

Another motion was also passed to donate \$400 in gift cards from local restaurants to our two local doctor's offices. They can use them to order takeout meals at work as they fight this virus in the trenches.

A third motion was also made to solicit donations from members to make up for the time spent doing the BBQ. So, we are going to make these donations this year, not from surplus funds, but by the generous donations of club members which has surpassed \$5300 at the time of this article.

These last two months have been trying as we work to keep our club active. We pray to overcome this obstacle and hopefully soon get back to normal living.

President of Mifflin-Mifflintown Lions

WEST HANOVER LIONS

The West Hanover Lions Club presented \$1,000 scholarships to two CD High School graduates, one for a visually impaired student, Hannah Roth, and one for a graduate who is pursuing higher education in a program related to environmental studies, Gabriella Recce. Both students demonstrated through their school and community-related activities and academic accomplishments that they are very deserving to receive these award

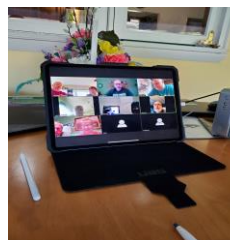

During her schooling, Hannah participated in the debate club, track, theatre, and was a student assistant in the multiple disabilities' classroom. Outside of school, Hannah participated in the Girl Scouts, the YMCA's Youth and Government; and she was a counselor at Long Lake Performing Arts Camp, and a supervisor at the Jewish Federation of Harrisburg Day Camp.

At school, Gabriella was vice president of the National Honor Society, editor officer of the Key Club, and a member of Four Diamonds, the Spanish Club, and the Chess Club. Gabriella was on the varsity golf team for four years, including the team's MVP in the 2019 season: and a medalist on the varsity track and field team. Outside of school, Gabriella attended the Penn State Hershey Medical Center PULSE Program, the Penn State Harrisburg STEM Summer Enrichment Camp, and the Harrisburg University Nanobiotechnology Camp. Gabriella is also a weekly volunteer at the PAWS of PA Cat Shelter.

In addition to the annual scholarships, the West Hanover Lions have provided grants for the Central Dauphin Vision and Autism Support Programs. The Lions also have made contributions to support cutting edge equipment at the Penn State Hershey Eye Center, to fund the West Hanover Senior Van Service, to help families affected by disasters, to assist community residents with visual needs, to support local youth athletic teams and facilities, and to sponsor visually impaired campers at the PA Beacon Lodge Camp.

The vision and environmental scholarships will again be available in the 2020-2021 school year.

LANDISBURG LIONS

The Landisburg Lions were one of the first clubs in the district to fully embrace the technological age, as we held our first Zoom board meeting on Thursday, April 2. All of our board members participated in the meeting

VISION BOWL 2020

The annual VROCP Vision Bowl Blindness Awareness Fundraiser will soon be here, Monday, July 13. Teams could have the entire bowling alley for the evening event as we plan to fill every lane. The fun will be at ABC East lanes, 1001 Eisenhower Blvd., Harrisburg and the competition begins at 6:00 p.m.

This year the event continues to grow. The competition will begin with a warm up game for everyone and the second game will be the challenge game for all the marbles: *everyone competing is required to bowl wearing one of the four special glasses that emulate the major eye diseases*. It can be a tricky task to win a trophy, but there is guaranteed to be some humorous trash talk and fun for everyone participating to keep the evening lively and enjoyable.

2019 Team McNees

Vision Resources is looking for teams to join us for the evening. We know we have the Lower Paxton Lions Club participating, do any other Lions want to challenge them? The \$200 contribution entry fee, per team, includes shoes, a souvenir t-shirt, and foods to snack on. The event also welcomes sponsorships, so if this interests you please contact Cheryl Cuddy at ccuddy@vrocp.org for details.

Proceeds will support the mission of Vision Resources to *facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment and educational awareness programs.*

WHITE CANE DAYS COLLECTIONS

October is the month when many clubs hold their White Cane Days collections. We thank all clubs for their efforts and extend best wishes for their donations. Please remember to submit your reports to me including final tallies when your receipts are complete and compiled. PDG Dalton Paul. Best wishes for your event whether this month or later in the Lions year.
