A MESSAGE FROM DISTRICT GOVERNOR SAMUEL

Lions, Lionesses, Leos,

I hope everyone is doing well. This Lion's year has had a lot of challenges and successes. We went from person to person meetings to phone conferences and zoom all in one year.

Looking ahead, most of Pennsylvania is in yellow with some counties in green. I want to caution all Lions as we move from red to yellow to green, Covid-19 has not disappeared. So be careful and follow the recommended precautions including face masks and social distancing.

With the above in mind, I want to compliment all Lions who have found ways to safely serve their communities. The needs are still present, and we must be diligent in our service and at the same time be safe.

I want to congratulate our new District 14-T officers: District Governor Elect, Cathy Baker: First Vice District Governor, Peggy Hummel and Second Vice District Governor, Tom Ralston. Next month they will be in the "driver's seat". Please give them all the support needed to make District 14-T ROAR.

As my term of Governor winds down, I would like to thank all Lions of District 14-T for their help. Without help from all Lions, the job of leadership becomes difficult and goals are hard to meet. Thank you for allowing me to serve!

District Governor, Samuel R. Wagner

DISTRICT 14T CALENDARS

It is not possible to deliver the calendars to Clubs or Zone Chairman at the present time due to the COVID 19 situation. Calendar Chair Lion Betty has sorted and bundled the calendar and they will be disbursed as soon as possible.

Please remember this is an important fundraiser, especially since 14-T is hosting a Council meeting in February and a MD 14 State Convention on the horizon. When calendars are available, please consider purchasing one.

DGE CATHY MESSAGE

Greetings Lions, Lioness and Leos

I want to thank you all who voted for me to be your District Governor for our next Lion year 2020-2021. I am humbled by your confidence in me to lead our district.

We have one month left in this year to hopefully increase our club's membership. You will see and hear much about the North American Membership Initiative (NAMI) that will help each club to increase their membership. This is the initial roll out to get the program running so stand by for more information.

How are you all holding up with the Covid-19? The health professionals have been telling us that this virus goes away with heat. We all know how June can bring us some very warm days, so get out and go for a walk. The best way to get vitamin D is by being out in the sunshine so go for a run or a walk, you will feel better.

This was the month I have been looking forward to for the past four years. I had planned on going to Singapore but as many of you know, the Ministry of Health there cancelled our international convention due to Covid-19. In our state we do not yet know when we will change from the yellow phase to green which is being called the new normal, but there will be limitations on how many people can be together as a group. I am anxious to see all of you when we can meet when I come to visit your clubs.

Yours in Service,
DGE Cathy

1ST DGE PEGGY MESSAGE

STAY SAFE 14-T

I will see you in July!

LANDISBURG LIONS

While continuing with our monthly Zoom meetings, the Landisburg Lions Club is continuing to provide service to our community. Lions Club members assisted our local VFW in placing flags on Veterans' graves prior to Memorial Day. Many of whom are also veterans. Those who helped with this effort were Lions Carl Myers, Jim Hardy, Joe Burroughs, Vic Lis, Kathryn and Terry Tibbs and Cathy and Deke Gilbert. Of note, Lions Carl and Nancy Myers' granddaughters also helped with the flags and donned their cheerleader shirts procured by the Landisburg Lions. The shirts were worn for their October cheer events in honor of breast cancer awareness month.

Even though we cannot meet in person, we continue to seek ways to help others and serve our community.

MEMBERSHIP CHANGE NOTICE

Please note PDG Jan Adams has transferred to Paxtang Lions Club from Marysville Lions effective June 1st

EAST HANOVER LIONS

We are planning to hold a meeting/club picnic on Tuesday, June 23 at the Grantville Fire Co. Carnival Pavilion. This provides us with safe distancing, and we'll take all necessary precautions when serving the food. This will also be the drawing of our 2020 Raffle. We sold 350 tickets - \$10 per person and we give away \$1725 to the winners.

Also, we awarded (2) - \$1000 scholarships - one to a senior at Lower Dauphin High School - Micah Nye and one to a senior from Northern Lebanon High School - Harrison Lerch, they also receive engraved plaques from the club.

We will recognize three elementary school students who could not receive their recognition due to the virus whenever it is deemed safe by their parents. This fifth graders received a framed certificate, large Hershey Candy bar and a card with a \$50 bill. These students are chosen by their teachers who also write a paragraph explaining why they were chosen. Students names: Makenzee Meyer and Xavier Deswert from East Hanover Elementary School, Lebanon County and Joselyn Swartz from East Hanover Elementary School, Dauphin County. Hopefully, we'll receive the 2nd name from this school.

Several members continue to maintain our baseball field with mowing and weed eating. It is quite a large field and takes about 7-8 hours for one mowing. Currently we have surrounded our flower bed with club sign with American Flags.

LCIF CHAIRMAN MESSAGE

I hope this finds everyone safe, healthy, and getting back to sub normal distancing.

Our LCIF District 14-T Fund is down to less than half of last year's total. Could everyone make a special effort to send in individual donations. Kitty and I used part of our extra money sent by the Feds to enhance our LCIF funding.

Please consider doing the same. Even a small contribution by everyone will result in a boost to our funding this year. Keep in mind that LCIF has sent out nearly \$25 million to support those affected by the corona virus.

Thanks for support
District 14-T LCIF Chairman

GLOBAL MEMBERSHIP TEAM & NAMI MESSAGE

Have 3 years gone by that fast?

As I completed my District Governor year in June 2017, I shifted to my role as Global Membership Team (GMT) Coordinator. It has been my honor to try to serve District 14-T in that capacity since then. I want to thank all our clubs for being open to assistance and guidance, and for continuing to pay attention to strength and growth in membership.

While I will no longer be the GMT Coordinator for the 2020-2021 Lions Year, I will be taking on a new role of North American Membership Initiative (NAMI) Champion for our district. In this regard, I will be cheerleading, educating, and reporting regarding this new initiative along with our district leadership and our clubs. But what is NAMI and why are we pursuing it?

Let us start with the why. Since 1980, membership in Lions Clubs in the US (Constitutional Area 1) has fallen from over 500,000 members to barely 300,000. We have not had one year in that timeframe where we've had an increase in membership in the US (Canada has seen a similar decline). The US is where Lions Clubs was formed, and the needs of our communities continue to grow. Only with focus and determination can we break this trend for the future of our clubs and those for whom we provide service.

To get additional details on NAMI, you can visit the LCI resources at www.lionsclubs.org/nami. You'll find information on the areas of focus and process framework. You'll see that we're planning to use many of the tools we already have but will be putting our clubs and districts at the heart of our grass roots efforts. We'll also be enhancing our processes, sharing lessons learned across the district and state and beyond, and drawing from the knowledge of our clubs.

Areas of Focus

1. *Rejuvenate Districts with New Clubs* - building on recent successes, we will look for new opportunities for new clubs including club branches, specialty clubs, and possible cyber clubs in under-served areas within our district.
2. *Rejuvenate Clubs with New Members* - with assistance and involvement from our clubs, we will look to develop the future of our clubs with new members, especially for clubs who are most in need.
3. *Re-Motivate Members with New Fellowships and Exciting Service* - to continue to provide value to our members and ensure a positive experience, we will work with clubs to explore new ideas from our members, improve our service, and in turn improve our retention.
4. *Support District and Club Leaders* - since we need the combined assistance of our district and club leaders to effect this change, we will also be giving more attention to the developmental needs of our leaders through training, mentoring, and leadership events.

Process

1. *Build a Team* - District Governor-Elect Cathy Baker has already begun planning to develop our district-wide leadership team to support the areas of focus above. Each area will have a team leader and team members. If you are asked to assist, we ask you to thoughtfully consider how you can help.

Continue next column

CONTINUE GMT & NAMI MESSAGE

2. *Build a Vision* - Using the LCI SWOT (Strengths, Weaknesses, Opportunities, Threats) Analysis framework, our teams and leaders will discuss where we are as a district and develop a vision and goals for positive change.
3. *Build a Plan* - Also using the LCI framework, we will create a step by step plan to meet our goals and achieve our vision.
4. *Build Success* - Here is where the "rubber meets the road" and we take the concrete steps to develop new clubs, attract new members, enhance our member experience, and support our leaders. We will also be communicating regularly and reporting on progress to our clubs, district, state, and LCI.

Join Me

Our District of 14-T has already opted in for this ongoing journey after some early successes have been realized by pilot districts within the US. We all need to commit to our roles whether it's inviting friends to learn more about this or sparking new clubs in new communities. You will be seeing more communications, but won't you join me in making a difference as Lions? If so, can I hear you ROAR?

Again, I thank you for your support in my role as GMT Coordinator, and look forward to partnering with you and your clubs as we collectively grow and improve membership within North America.

Yours in Service,

PDG Lion John Mallonee
