A MESSAGE FROM DISTRICT GOVERNOR CATHY

Greetings Lions, Lioness and Leos,

It is a great day to Serve! I am proud to serve as your District Governor for 2020-2021. While I was disappointed that the Singapore convention was cancelled, I will do my part to make this a great year to be in service to our communities. I will begin club visits in September, so watch for more details in each monthly newsletter.

My DG team will be made up with 1VDG Peggy Hummel from the New Bloomfield Lions and 2VDG Tom Ralston from the Mercersburg Lions. Together we will assist your clubs and focus on growing new Lions leaders and increasing our membership in each club. Each area within our district has a Zone Chairs who will be your first point of contact if there are issues in any club, or if a club would need more hands to help serve at any clubs' functions.

The Covid-19 virus had us all staying home and staying safe, but the end results were that most clubs had to cancel their fundraising events. Additionally, many of the clubs have used social media to stay in touch with each other or using an app like Zoom to have video face to face club meetings. If you have not used it give it a try. If you are uncertain how to use it, trust me, get a younger person or a grandchild to give assistance. I know I have done it and they are terrific with all the new technology.

If you have questions, please feel free to contact me at lioncathybaker@gmail.com

Now that we are a green zone, everyone is out on the road again. Please be safe and wear a mask as the Governor has mandated us to do. Stay safe and healthy and I will see you soon.

LCIF CHAIRMAN MESSAGE

I hope this finds everyone safe, healthy, and getting back to sub normal distancing.

Our LCIF District 14-T Fund is down to less than half of last year's total. Could everyone make a special effort to send in individual donations. Kitty and I used part of our extra money sent by the Feds to enhance our LCIF funding.

Please consider doing the same. Even a small contribution by everyone will result in a boost to our funding this year. Keep in mind that LCIF has sent out nearly \$25 million to support those affected by the corona virus.

Thanks for support
District 14-T LCIF Chairman
PDG Dave McCluskey

**August's newsletter deadline will be July 28th. Please have your articles and club information emailed to Lioness/Lion Amy Hornbaker buchananlionessamy@gmail.com
Thank you**

Thank you all for your continued thoughts and prayers for Rosie. She turned 4 on June 27 and continues to charm and amaze us with her strength.

1VDG PEGGY's MESSAGE

Dear 14-T Lions, Lioness and Leos,

We have made it to the summer of 2020 and the start of a new Lions year. This year, that is a most unique accomplishment. My hope is that you have all remained safe and that all your families have been safe and well.

Incredibly special **Congratulations** to our new District Governor, Lion Cathy Baker. I commend Lion Cathy on her willingness to take over our District in this year of so many challenges for all our clubs and communities. I am deeply sorry that DG Cathy was not able to celebrate properly in Singapore with all the new District Governors worldwide. I am sure that moment is an incredibly special one. I encourage everyone to give DG Cathy all your love and support in this difficult year.

More Congratulations are in order... **Congratulations** to our 14-T **Lioness of the Year**, Lioness Elaine McCurdy of the Buchanan Lioness Club. Thank-you! Lioness Elaine for all your service.

Our State Magazine, **The Pride**, also notes the Leos of the year and although 14-T does not have a candidate this year, please take a moment to view the article concerning the Leos. These are all wonderful young WOMEN leading in their communities. Let us continue to honor and mentor all our young Leaders and encourage their journey in Lionism and service.

This time for all of us has been fearful, dark, and uncertain. We cannot give in to fear and must remain hopeful that our medical community will find a path to a healthy future for us all. We will get there! Our International President Choi envisions all Lions around the world as candles in a window, lighting the way for our communities. Every day that all of you put kindness into action, I am lifted.

We must continue to find ways to help our neighbors. Our world is different, and it will take vision, "out of the box" thinking, love and kindness to navigate our new world and continue our mission.

I am overly excited to hear those ideas and help in any way I can to make these new ideas become a reality for 14-T!!!

Our journey together is just beginning.

Life becomes harder for us when we live for others, but it also becomes richer and happier. Albert Schweitzer

Serving Together with kindness,
Lion Peggy Hummel, 1st Vice District Governor

2VDG TOM's MESSAGE

Greetings Lions, Lioness and Leos

I am incredibly grateful for you electing me as your 2Vice District Governor for 2020-21. I will try not to disappoint you. I look forward to working with DG Cathy and 1VDG Peggy as we serve you.

For those who didn't see my resume, I'm a retired Spanish teacher, a Viet-Nam era Army veteran, I served 26 years in local government and have been a Lion for 30 years serving as

President twice, Treasurer for many years and Membership Chairman.

I hope that the restrictions on activities we have endured since March are relaxed so that we can once again fully serve our communities. I look forward to visiting with you and learning from you as the year goes by.

Let us have a great year.

Yours in service
Tom Ralston, 2VDG

LANDISBURG LIONS

The Landisburg Lions Club recently presented Melvin Jones Fellow honors to Lions Deke Gilbert and Allan Egolf. The honors were presented by fellow Landisburg Lion, PCC Steve Benedict, during the June Lions meeting at Mark Henry Memorial Park.

GLOBAL SERVICE TEAM MESSAGE

CONGRATULATIONS to our new District Governor, Cathy Baker, and her entire leadership team as we enter 2020-2021 with "new normals."

Throughout the past few months as we lived through the pandemic, I've read how clubs within our District continued to meet through virtual meetings and lately with outdoor picnic-style meetings – staying at a social distance. But true to our motto – I've read how clubs created ways to continue to safely "serve" and hold fundraisers.

COVID19 is still among us. And so, all our members are going to need to put on their "thinking caps!" – come up with ways to safely hold meetings! At those meetings, come up with ways to safely provide service projects and do fundraisers!

As your clubs meets these new challenges, share your successes with our fellow clubs.

I will be continuing as your District GST Coordinator. And as in the past, I will be readily available to assist our Clubs and officers in reporting your activities through the MyLION.

This year DG Cathy asked me to also serve as your District Administrator (hoping I can fill VDG Peggy's shoes). With that, I will also be available to assist with your membership reporting on MyLCI.

I "Believe" we have the power among us "2 Achieve" great successes as we move forward to "**Bee the Change**" within our service to others.

If at any time officers or members have questions concerning MyLION or MyLCI, please do not hesitate to contact me.

"Do not wait until the conditions are perfect to begin. Beginning makes the conditions perfect." – Alan Cohen

GREENCASTLE LIONESSE

Four area food banks each received \$400 from Greencastle-Antrim Lioness Club.

Because of extra needs resulting from the COVID-19 pandemic, the club's board of directors recently voted to give a total of \$1,600 to: Greencastle-Antrim Food Pantry (housed in Greencastle Presbyterian Church); Antrim Brethren in Christ Church; Greencastle Evangelical Lutheran Church; and The Storehouse Community Church.

Also, the annual Lioness luxury purse and cash bingo will not be conducted in September. However, it might be conducted later or be replaced by another fundraiser yet to be determined. The club made \$441 at its March 14 bake sale/\$1 items at the Lions Club pancake breakfast in Greencastle-Antrim Middle School.

Money raised is returned to the community in various ways.

MIFFLINTOWN LIONS

May, June Activities-As everyone else, we in Mifflintown Lions are having trouble serving our community due to Covid-19.

We did get together once before Memorial Day and once after to work on the traffic circle in Mifflintown at the intersection of Rt. 35 and old Rt. 22. The first meeting we weeded, tilled, and planted some new shrubs. The second day

we spread 19 scoops of mulch. All other meetings in May were canceled.

Needing to have our installation of officers, we decided to meet at a large camp at the foot of the Shade Mountain near McAlisterville. We had 23 members attend and after a main meal of sausage sandwiches and/or steak sandwiches, macaroni salad and/or chips, we had fresh strawberry, and blueberry pie and ice cream for dessert.

Our business meeting followed with financial reports given by our two treasurers and we found we were solvent with some surplus. We voted to give a \$1000 donation to the Juniata County Library, and an additional \$650 to go along with the \$4500 budgeted to Central Juniata Park Pool in Mifflin.

Two certificates were presented. The first was a Diamond Centennial Membership letter and pin to Lion Tom Wert and the second to Larry Booker for sponsoring Bob Graybill as a new member.

Highway clean-up will take place after the state mows the berm along Cedar Spring Road.

Lion Sam Leister reported on the awarding of two new Lloyd Showers Scholarships to Erin Crimmel (Juniata HS) and Paige Smith (East Juniata HS). These \$500 Scholarships go to a student that will be attending either Millersville or Shippensburg Universities after they have successfully completed their Freshman year. Last year's 2019 recipient, Gregory Niebert was also awarded his \$500.

We had a very enjoyable evening sitting in the forest and meeting and socializing for the first time since March.

LIONS OF PA FOUNDATION MESSAGE

Under normal circumstances, the Lions of PA Foundation Board meets four times a year. Due to COVID19, our meeting discussions have been carried out through emails. But rest assured, the Foundation continues to provide grants to our Clubs to improve services to your communities.

The Foundation provides an average of \$25,000 in grants every quarter for approximately \$100,000 each year. Grants are considered for Districts and Clubs. The Grant Application can be found on the LOPF website: lionsofpafoundation.org

The Foundation raises funds for Grants through donations made by our Clubs to the District Projects which in-turn is sent to the Foundation at the end of the Lions Year. At the end of 2019-2020, 14-T presented the Foundation with \$6,000.

Grant funds are also raised when our Clubs and District honor our members with a Lions of PA Fellow, a Progressive Fellow or a Past International President Joseph L. Wroblewski Award. Applications for these awards can also be found on the LOPF website: lionsofpafoundation.org

As a member on the Board of the Foundation I am here to assist you with information about the Foundation and Grants. I am also available to honor your fellow members when you present a Foundation award.

WAYNESBORO LIONESSE LION

The WALL Club presented our two scholarship winners their certificates in front of the Class of 2020 banner since there was no awards ceremony this year. Both students will be attending Penn State Mont Alto, one in nursing and the other in civil engineering.

We had a June membership meeting at Red Run Park so we could socially distance. Because we could notice how much quieter it was there than at Renfrew, our July picnic will be held there on July 8, a week later than usual because of the holiday. Past Zone Chair Lion Jill Miller will be installing the officers at that time.

LANDISBURG LIONS

The Landisburg Lions Club, home of District Governor Sam Wagner, recently welcomed him on his final stop of official visits.

During his visit, the club was able to surprise DG Sam as we presented him with the PIP Joseph L. Wroblewski Award. The Wroblewski Award is an award by the Lions of Pennsylvania

Foundation that can be presented by a Club or a District to a worthy Lion that already has a Pennsylvania Fellow.

In addition, the club's secretary, Shelly Wertz was awarded the Pennsylvania Counselors Award, which is awarded by the Past District Governors in MD-14 (PA).

LANDISBURG LIONS

The Landisburg Lions Club recently presented "Link to the Future" service awards to two seniors in their service area of the West Perry School district. The scholarships were presented during the 2020 graduation at the school.

Pictured are the 2020 scholarship winners, Kaitlyn Sheriff and Kaden Robinson. Many thanks to West Perry School District's, Kathy Zendt for providing the photo to the club.

GREENCASTLE LIONESSE

Madison Meyers is the recipient of Greencastle-Antrim Lioness Club's annual \$2,000 scholarship.

She is the daughter of Ivan and Mishele Meyers, Greencastle, and this fall plans to major in chemistry: pre-pharmacy at Shenandoah University, Winchester, Va. Her mother is a Lioness.

The club, which to date has given out \$30,500 in scholarships, received four applications for the award, according to scholarship committee chairperson Nancy Henry. It goes to a Greencastle-Antrim High School graduating senior planning to further his or her education in the medical field. At GAHS, Meyers was a member of National Honor Society, for which she was secretary; Spanish National Honor Society; and Big Buddies. For four years, she played field hockey, and in winters she enjoys snowboarding.

MT PARNELL LIONS

The Mt. Parnell Lions Club of St. Thomas, PA has not had any regular meetings through the months of April, May, and June due to safety concerns with the Coronavirus pandemic. However, the Club investigated and found that the St. Thomas Food Bank was in dire need of additional funding to purchase food and supplies for their ever-increasing requests for aid from the community. Many families have been without adequate food and basic supplies. Therefore, the Mt. Parnell Lions began a program of identifying needs and supplying financial resources to meet those needs. Through the generosity of the Club, the Club members, and families and from friends of the Lions Club, more than \$7,500.00 was raised and sent to the Food Bank. We especially thank the St. Thomas American Legion, the St. Thomas Sportsmen Association, and more than 60 individuals and families for their cooperative help with this project. In addition to the financial resources obtained and donated we were able to have hundreds of dozens of eggs donated to the clients of the Food Bank. The Director of the Food Bank has said that the Mt. Parnell Lions Club has been an absolute blessing to the program. This project helped the Lions Club to "give back" directly to a great community that has supported us throughout the years.

"GOOD THINGS HAPPEN"

One of the things we encourage our year-round staff to do at PA Lions Beacon Lodge Camp is to become certified to operate the climbing tower and zip line. This provides our seasonal staffers, who have less experience, with support they can call on until they become comfortable in their roles as operators. It also means our Camp Coordinator has more flexibility in planning activities, knowing he can rely on more than only the counseling staff if counselors are needed for other activities during the same time. That is how I ended up at the top of the zip line, loading campers and sending them to the bottom.

We had very good participation that day, with lots of Children's Village campers eagerly waiting in line to experience the ride on our 700 feet long, 65 feet high zip line. Many rode two or three times. Throughout the activity I kept seeing one little girl in particular who had Down syndrome. She hadn't left the benches where the Children's Village Unit Director was helping the kids get into their harnesses and helmets. I saw her shake her head vigorously "no" when she was offered a harness. Toward the end of the activity period she came down, carefully, to the fence to watch others take the ride. When she noticed me looking at her, she ran back to the benches and sat looking the other way. The CV Unit Director was seeing this as well, and kept offering the little girl a harness, which she eventually accepted. She made her way to the platform three times, each time running back to the benches and starting to take the harness off. Through encouragement, the Unit Director would help this little girl get her courage back up, and she would try again. The fourth time she came down, she got as far as putting one foot on the platform when she started to cry. She yelled at me, "I don't want to do this!" I told her she didn't have to. She stood there with tears streaming down her face, looking at the cable, the platform, the landing area so far away. She asked to see the trolley. She asked what the "clippy thing" was called. I started talking to her about wanting to do something, but being scared to try. Eventually, through her questions and my demonstrations of how the equipment works together to keep a rider safe, she was connected to the zip line, safety checks done, and the workers at the bottom were ready to assist at the end of the ride. I asked if she was sure she didn't want to ride. She looked at me nervously, beginning to cry again. I told her it was ok if she didn't want to ride, but she'd be happy with herself if she did, and that

everything was ready if she decided to ride. Through her tears, she smiled up at me and said, "You sound like my Dad." Then she turned and took a brave step off the platform to have the ride of her life. She decided to step out of her comfort zone into growth. From 700 feet away I could hear her yelling, "I did it!"

If your club has ever sent a camper sponsorship, you made this happen. If you have ever joined the 500 Club, you made this happen. If you have ever come to help at a work weekend, you made this happen. That important moment in that little girl's life would not have happened without you, a Pennsylvania Lion. This is only one of the stories from a place that has been doing this for 73 years; only one of the triumphs out of hundreds of campers at PA Lions Beacon Lodge Camp, and you make this happen.

Beacon Lodge is a state project of the Lions of Pennsylvania. By being a Pennsylvania Lion, you are making this possible for all our campers. You are giving them the opportunity to take a vacation, learn to make new friends, grow as individuals and get a sense of control over what they do. Next time you have the opportunity, please come visit the place where good things happen. What an incredible thing we, as Lions of Pennsylvania, have built.

Pa Lions Appreciation Day August 23, 2020

As with everything else this year, the plans have changed. Beacon Lodge has designated August 23, 2020 as Pennsylvania Lions Appreciation Day, combined with the 14-L Picnic! This is a day to not only recognize Immediate Past Governors and District Liaisons, but also ALL Lions, Lionesses, and Leos for their outstanding support of Beacon Lodge! Join us for a relaxing day getting to know your camp.

We will also be having several new activities this year!
