A MESSAGE FROM DISTRICT GOVERNOR CATHY

Greetings Lions, Lioness and LEOs.

As we continue to March through this year we all should arrive to keep a positive attitude. I am now hearing songbirds in the early morning which is a sign that Spring is coming with warmer days and Daylight Savings time. I hope you are all doing well and considering your service projects.

With Spring coming all clubs should be working on identifying your new club officials and board members. Training will be scheduled for incoming Presidents and Vice Presidents in early April. There will be more training for other club officers in the next few months.

Growing leaders in our district is one of the most important things we can do. We need past presidents to become a zone chair, we will train you, and past zone chairs to become our next Vice District Governors. I know many may have thought about it but are unsure. We have fabulous free leadership training for all the positions. Please consider taking one of these positions. We have many PDGs who can assist you on your way to district leadership. Please contact me or any of the DG team and we can discuss your personal leadership growth.

With new leaders we also need new members to join and help to grow our association. Make a list of people you know from work, school, church, and your neighbors. Then get your basic questions and answers together and put together your elevator speech. You can download a membership application from www.lionsclubs.org just type application in the search bar.

We will have our district convention next month, but it will be a Zoom meeting. International Director Alan Hunt from Chilliwack, British Columbia will be our guest speaker. Watch for more information in our April.

Stay safe and healthy,
Bee 🐝 the Change,
District Governor

1VDG PEGGY's MESSAGE

Greetings Lions, Lioness and Leos,

I continue to wish you all be well and please stay safe. We just had a District zoom meeting on Sunday Feb. 28 and it was wonderful to see everyone!

This is the time of year we do start thinking of our next Lion's year 2021-2022 and what will we be doing for our communities in the next year. Time to start our planning! We still may be meeting virtually, but with more and more of our community members being vaccinated, hopefully, seeing each other in person will happen later this year.

Continue to **Promote** your story by utilizing social and local media. It helps us stay connected to our communities and will inspire the caring men and women who are looking for an opportunity to serve. Ask them to serve with YOU! Whether it is a Checkbook writer, soup server, deliverer of PPE, Food Bank collector or packer of many plastic bags for recycling, Just ASK .

Soon we will get back to our incredible "hands -on" service and until that time, I encourage all of you to continue to be creative.

Please review the District positions that are available for the coming year on the enclosed flyer in this newsletter. If you are passionate about what you do and love Lions , please considering helping at the District level. Our Lions community of Franklin, Dauphin, Juniata and Perry Counties need your help and guidance!

Please be safe as we continue to Serve together. You are all in my thoughts and I wish you all the Best.

Serving Together,
Lion Peggy Hummel, 1st VDG 14-T

2VDG TOM's MESSAGE

Greetings to the District 14T Lions Family

Spring is only three weeks away!!! It's time to take all the plans for Club Activities off the back burner and make March a month of renewed service to our communities. Please make every effort to hold club meetings in a form which lets everyone become involved.

There are so many opportunities available for us to make our communities better. If your club has not done anything for children at Easter in the past, this might be the year to try something new. It's also a good time to look at helping seniors transition from winter snow and ice to spring with flowers, gardens, lawns and car washing.

We are less than two months from the District 14T Convention which will be virtual again this year. Clubs will be asked to register voting delegates for conducting business and voting in the election of District leaders. The 2021 State Convention in Altoona has become virtual. Details for registration should be coming to clubs shortly. The International Convention in June was to be in Montreal, Ontario, Canada. It also will be conducted in a virtual format. It is open to all Lions and a low- cost registration is now available on-line.

District 14T is looking for a 2Vice District Governor. If you are interested, please contact 1VDG Peg or 2VDG Tom information and help with the nominating process (It requires an endorsement by your club's Board and also by the members.).

For those of you, who like me, have passed age 65 and are getting frustrated with the ridiculous system in place for scheduling a Co-vid immunization shot, remember that it's being run by the government. Just think how much better it would operate if it was a Lions Club Community Service program.

As always keep those who serve and protect us in your thoughts and prayers, remember to thank those who make our lives easier and never forget WE SERVE.

Yours in Lions service

CHAMBERSBURG EVENING LIONS

Supporting Healthcare and Restaurants

The Chambersburg Evening Lions recently donated a total of \$450 to 4 local restaurants who provided meals to healthcare workers at Chambersburg Hospital. The Community Uniting SHaRe project supports local restaurants while showing appreciation and gratitude to healthcare workers. A donation is made to a participating restaurant who prepares predetermined grab and go meals from \$5 to \$8 and delivers the meals in batches of 50 to the Hospital. This is one way we can continue to SERVE our community.

GREENCASTLE LIONS CLUB

HERSHEY LIONS CLUB

THE FEDERATED WOMEN'S CLUB OF HERSHEY PARTNERS WITH THE HERSHEY LIONS CLUB TO IMPROVE VISION

Derry Township, PA -- The Federated Women's Club of Hershey recently partnered with the Hershey Lions Club to heighten awareness about vision impairment and collect used eyeglasses. The joint effort began with a recent \$250 contribution by the Federated Women's Club of Hershey to the Hershey Lions Club to help the visually impaired.

"The 2-year project started with information from the National Eye Institute that by the year 2050, the four most common eye problems will or will nearly double. It is important that we learn about the detection and treatment of these diseases," reported Carol Foley, local and state project chair and member of the Federated Women's Club of Hershey. "Helping people who are blind or visually impaired to live the most fulfilling lives they can is valuable to those people and to their communities," shared Foley. Why partner with the Hershey Lions Club? "Once I

learned the Vision Impairment Awareness project was chosen by our state president, I immediately thought about teaming up with the Hershey Lions Club to help support their projects," added Foley.

"We're delighted to affiliate with the Federated Women's Club of Hershey to benefit the community. Partnering to help the visually impaired is a meaningful way to expand the service impact of both organizations," added Hershey Lions Club President, Steve Gallerizzo. The \$250 donation from the Federated Women's Club of Hershey was quickly used to help an uninsured resident obtain an eye exam and eyeglasses. The Hershey Lions have been helping the visually impaired since the club's founding in 1944 with eye exams and glasses and used eyeglass collections. Used eyeglasses are collected to be matched up with needy people around the world. Hershey Lions have also provided camp sponsorships for the visually impaired, and large print books for the Hershey Library, among other efforts.

Federated Women's Clubs across the state, which fall under the General Federation of Women's Clubs Pennsylvania (GFWC Pennsylvania), are also partnering with other Lions Clubs and other organizations in similar ways. Collectively, the Federated Women's Clubs have a goal of gathering over 2,020 pairs of used eyeglasses for donation by May of 2022. Federated Women's Clubs swiftly exceeded their goal with the most recent total of 2,045 used eyeglasses collected. The "Vision Impairment Awareness" project is 2020-2022 GFWC Pennsylvania President Sandy Hauenstein's State President's project. Hauenstein also volunteers at Vision Resources of Central PA and hosts a two hour weekly live radio broadcast including current weather, news, opinion pieces, and interesting articles broadcast on line and available to the vision impaired.

General information about the state project is available at gfwcpennsylvania.org. Residents can learn more about the Federated Women's Club of Hershey on Facebook at [FedWomensClubHershey](https://www.facebook.com/FedWomensClubHershey). For more information about the Hershey Lions Club please visit our website at www.hersheylions.org.

Pictured: Carol Foley, local and state Vision Impairment Awareness project chair and member of the Federated Women's Club of Hershey with over 100-pairs of used eyeglasses. LANDISBURG LIONS

For more than 25 years Super Bowl Sunday has been chicken barbeque day for the Landisburg Lions Club. The effort begins the week before collecting supplies and members gather to load the first seven racks of birds Saturday morning to store in the fire company's walk-in cooler. By 4AM the morning of the big game the "Pit Crew" has reported for duty preparing the pit and touching off the fire no later than 4:15. Within fifteen minutes (depending on weather conditions!) optimum temperature has been reached and the cooking begins, as does the annual debate of "are they ready to be turned?" (traditional wisdom is they are ALWAYS ready to be turned). Meanwhile the Sauce Master and his assistant, the designated Sprayer, have been conjuring the mythical and magical brew that is liberally applied over the birds as they sizzle and crisp. It's a good year weather-wise when the nozzle of the sprayer doesn't have to be kept near the pit to prevent freezing!

Now there was a time when after about ninety minutes of local news and sports chatter, tall tales, and outright lies the real debate would erupt-- is a rack done? This was, at one time, determined by the twisting of the leg portion of the quarter. If it was "tight", cook on. If "loose", take off the rack. This would lead to controversies and accusations of "leg snapping" by impatient Lions. However in the last decade the meat thermometer with its 185-190 degrees under the wing goal has been introduced and made the historic "bones of contention" moot. As the racks come off the chicken is placed in foil lined coolers and another 40 birds are readied for cooking. In a normal year a second round of six racks are needed to cook the 500 halves; but in this year of Co-Vid and a predicted snowstorm only 400 quarters were prepared. By the time (8-9 AM) the second set of racks are completed the "Sellers/ distributors" have reported for duty as many of the Pit Crew head home. This year the club set up drive-thru pick up lanes at two locations.

Officially sales are from 9 am until noon or sold out; but typically, as occurred this year, a passing pedestrian made the first purchase of three quarters at 7:30AM. BBQ Committee chair Michael Lyons reported that despite the impact of Co-vid the last sale was at 11AM. His thanks to all the Landisburg Lions who helped with this year's Super Bowl Sunday BBQ.

100th ANNIVERSARY FOR VISION RESOURCES OF CENTRAL PENNSYLVANIA

March 2021 will mark the 100th anniversary for one of Central Pennsylvania's most vital non-profit, community benefit organizations: Vision Resources of Central Pennsylvania (VROCP). The agency began as a member agency of the Pennsylvania Association for the Blind (PAB) for Dauphin County and the programs and services of VROCP have grown to include Cumberland, Perry and Franklin counties.

A growing, elderly population in Pennsylvania and across the nation has experienced increases of individuals affected by the four major eye diseases: Macular Degeneration, Diabetic Retinopathy, Cataract, and Glaucoma. In turn there will be greater needs for prevention and education programs, employment for individuals with disabilities, and case coordinators providing support and social services to fulfill the VROCP mission to *facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment and educational awareness programs.*

Vision Resources appreciates all that the Lions have done to support the agency's mission to the blind and visually impaired. VROCP would be interested in District 14-T joining in celebration for the organization's 100th anniversary and forging a *New Century of Service* to the region.

To learn more call 717-238-2531, or email pzavinsky@vrocp.org, thank you for your consideration. *Paul Zavinsky, Director of Development & Public Relations*

2021 State Convention

Presented by Sheetz

“Embracing our Differences to Change the World “

Greetings Lions, Lionesses and Leos,

The 2021 PA Lions State Convention Host Committee has been diligently working to make this year’s experience a memorable one. There will be seminars planned along with speakers and entertainment to inspire you and hopefully make your experience while here in Altoona an enjoyable one. We are in the process of arranging an open golf match for those Lions arriving on Thursday morning.

Friday will start you off with some seminars. Then ID Larry Edwards will be our after-lunch feature speaker, followed by a presentation of Hellen Keller and Melvin Jones. Friday evening will be the Necrology services followed by the Counsellors/District Governors Honors banquet. The evening will conclude with the Hospitality night with a Patriot theme and dancing to the Sharptons.

Saturday will open with additional seminars and the Four Diamonds Foundation presentation at the luncheon. Later in the afternoon we will have David Crone presenting “I’m No Dummy,” this show is a must see full of fun and laughter. Concluding your day with the International Banquet where we are pleased to have our International President Dr Jung-Yul Choi as the keynote speaker.

We look forward to seeing you at the 98th State Convention in Altoona.

MD-14 Campaign 100 Fundraiser

International Director
Larry Edwards

A current International Director and a Past International Director. What is a common feature in both pictures? Yes, a Moustache. Both men have sported a moustache for many years without shaving it off. Be sure to be there when ID Larry and PID Jim remove their own moustaches. All Lions who attend have an opportunity to watch. It's all about raising needed money for the LCIF Campaign 100.

Past International Director
Jim Cavallaro

The Shave The Stache's campaign is intended as a fun event with the overall goal of raising funds for Lions Clubs International Foundation CAMPAIGN 100.

When the overall goal of \$10,000.00 is reached both International Director Larry Edwards and Past International Director Jim Cavallaro will relieve their upper lips of the growth that has nestled there for a combined 100 years.

The rules are:

Contribute \$25.00 to LCIF by purchasing a numbered ticket.

With each contribution of \$25.00 your ticket will be eligible for a drawing at the conclusion of the Campaign for either a Melvin Jones Fellowship or a Progressive MJF.

There will be one MJF /PMJ awarded by the Multiple District for each thousand dollars ~~that~~ is sent LCIF.

The Campaign will be concluded with the Shaving event to be held at the first State Convention when a goal of \$10,000.00 is reached.

Additional tickets may be obtained and the return of the stubs and money can be sent to:
