**A MESSAGE FROM DISTRICT GOVERNOR PEGGY**

***Greetings Lions and Leos of District 14-T***

Happy October!

We have now entered the fall season in Pennsylvania and what beautiful days we have had to end September and start the new month.

1VDG Dennis and I have had wonderful club visits this September with sharing of ideas, hearing

about projects for this fall and induction of new members. We have had several District members do fundraisers for PA Care for the Kids to complete a very active month.

Please continue to add club activities to your Facebook pages and as I see them I share them to the District Facebook page. Seeing the projects others are doing may spark a new idea or two for your club! Please add activities to the MyLion site so not only can our District see what you are doing but clubs in our State and around the world can see and share ideas.

During the pandemic we have all witnessed areas in our communities where gaps have widened, whether it's been healthcare needs, transportation issues, isolation issues or food insecurity, we as Lions, are poised to make a difference this year! Hunger issues in our area are not new and many were struggling to feed their families before Covid 19.

The issue of food insecurity has no boundaries. Seniors as well as children in our communities are affected. We must work to be sure our neighbors are not choosing between paying bills, having food on their tables or getting their medications. A proper diet is so important for many chronic health conditions such as Diabetes and hypertension.

The Central Pennsylvania Food Bank continues to help fill our local food pantries and I would like to do a **Virtual Food Drive** this fall to help fill the Food Bank for the upcoming holiday season. Cash donations allow the Food Bank to purchase fruits, vegetables, milk and meat. **A \$1.00 donation will provide 6 full meals for those in need.**

### **MESSAGE FROM 1VDG DENNIS**

Greetings Lions and Leos,

I hope you are all well and safe. I had the opportunity to visit seven of our clubs as part of the annual District Governor visits. I had a visit to a club outside Region 4 (for once) to both Blain and Fayette and it was indeed fun. Lionism is growing in that our Governor Peggy installed a total of 6 new Lions during September.

During September, I had the chance to attend Guiding Lion training September 18 at the State Office. A total of 4 people from our District were in attendance. PDG Cheryl Wilbur from 14-G conducted the event and it was a gratifying to see so many people interested in starting new clubs.

Training during September also included sessions with PDG Dennis Kelly from Minnesota who is leading a group of First Vice District Governors from around the world. To put times in perspective, a 2PM call on a Friday became an 11:30PM call for one of the First Vices in India. Naturally, all of us all have homework and I am working on mine.

One of the nicer things our Clubs does is collect eyeglasses which we in turn take to a recycling center in NJ for rework and distribution. PDG Joann Williams has informed me that the NJ center doesn't work with eyeglass cases so they can only accept the eyeglasses themselves or the lens. For those Clubs that wish to present eyeglasses at the District Governor visits, it would be helpful if we only received eyeglasses or lens and not the cases.

I am looking forward to continue visiting clubs which is continuing in earnest with our DG Peggy.

Please be safe as we Serve together!

Yours in Lions Fellowship,  
**1VDG Dennis**

## NORTHEAST PA LIONS SERVICE FOUNDATION REPORT

The NEPALSF is pleased to announce two additional board members from District 14T; Lion Tom Klaus and PDG Keldeen Stambaugh. We are excited about the new talents and perspectives they bring to the foundation's work.

The election of officers was conducted at the September board meeting. By a unanimous vote, PDG Gerald Chapman will continue as board president, PDG George Hilsinger was elected first vice-president and PCC Ron Dietz will continue as second vice-president. PDG Kathy Neary serves as secretary and Lion Bob Dickson is our treasurer for 2022.

A long-range planning committee has been formed to ensure that the foundation remains financially strong, aware of emerging technologies that help the vision and hearing impaired, and forward-looking. The NEPALSF board continues to explore ways to improve to our website, [www.nepalsf.org](http://www.nepalsf.org) to make it more informative and user friendly. I will keep you advised of changes.

Since the beginning of the new Lions' year, the NEPALSF has awarded nearly \$58,000 in grants. Some of these include the New Bloomfield Lions (14T) who were awarded \$3,648 for a patient care grant to provide hearing aids. The Jersey Shore Lions (14G) were granted \$16,220 to enable North Central Sight Services to provide rehabilitative and social outings for their clients. The JLW Mountain Laurel club (14W) received \$2000 to provide new bedding for the Sleep in Heavenly Peace community project. The Lakemont Lions (14L) were granted \$15,000 for their Lions Quest community project. Heartfelt thank-you's were recently received by the foundation from three scholarship recipients at Salus University.

Any questions regarding the grant application process can be sent to [grants@nepalsf.org](mailto:grants@nepalsf.org) or consult your board representatives.

## MESSAGE FROM OUR ENVIRONMENTAL CHAIR

Hopefully everyone is enjoying the cooler weather in anticipation of fall's beautiful foliage. It's a great reason to get outside and enjoy nature! This month I'm sharing information about sustainable development goals that impact human needs and environmental needs. You can learn more about it at [Take Action for the Sustainable Development Goals – United Nations Sustainable Development](#).

Of the 17-sustainable development goals, #1-#3 include eliminating poverty, eliminating hunger, and promoting good health and well-being, respectively. **Goal #1**, eliminating poverty, encourages us to donate what we don't use. According to LCI, more than 700-million people live in extreme poverty and we can help insure social protections especially for children and other vulnerable groups. By donating unused or unwanted items, we're living sustainably and it means that we're not exhausting all of our resources.

**Goal #2**, eliminating hunger, creates a great opportunity for us to waste less food and support local farmers. According to LCI, one third of the world's food is wasted, however, about 821 million people are undernourished. Supporting local farmers means that local food is fresher and less resources are used such as fuel and transportation, to obtain it.

**Goal #3** regarding good health and well-being, is important now more than ever. LCI encourages that ensuring healthy lives and promoting well-being for everyone is essential to sustainable development. LCI also promotes vaccinations as a way of ensuring good health and notes that measles vaccinations resulted in an 80% drop in measles deaths between 2000 to 2017. The last 1+ year has shown us how imperative good health and well-being is.

Physical activity, especially while enjoying the outdoors, has several benefits, according to [challengestorm.org](#). These benefits include reduced mental fatigue, reduced stress, reduced depression and anxiety, and mood elevation. If we collectively set a goal to accomplish one thing towards goal #1, #2, or #3, we can have a big impact!

As always, if your club needs a speaker, I'm happy to help.

Best regards,  
Lion/PDG Krista Callear

## BEACON LODGE

### When was YOUR last visit to PA Lions Beacon Lodge Camp?

If you have “**never been**” there or don’t “**remember when**” you went, it’s been way too long! With the Fall season upon us, the 583 acres of mostly wooded land will soon be ablaze with color, a beautiful time to stop by and Executive Director Jonathan and staff would welcome you.

As Veteran’s Day November 11 approaches, I think of **Project New Hope**, the disabled Veterans program at PA Lions Beacon Lodge. As Lions, be proud to know that two 5-day weekend Retreats are provided each summer through the PNH program for those who served our country. See photo and joy on the face of the 89 year old Navy Veteran riding the rails in Children’s Village using the hand propelled mini train car at the PNH Retreat.

It’s through your club contributions that guarantees the maintenance and operation of this special needs camp – YOUR camp! **Thank you** to the 14-T clubs that contributed \$15,796 from Oct. 2020 to Sept. 2021 for operating/capital projects, camperships, Project New Hope, 500 Club, golf outing or Carl Shoemaker award.

This summer 1<sup>st</sup> VDG Lion Dennis had his first visit and participated in VDG Seminar at the Camp. He said he was impressed by what he saw and learned about Beacon Lodge. We invite more of you to go and see for yourself!

## COMMUNITY & UNIVERSITY CHALLENGE PROGRAMS

Trex® is proud to sponsor local recycling programs in universities and communities throughout the country. If your team can collect more than 500 pounds of plastic refuse in a six-month span (about 40,500 plastic bags), we will donate a high-performance composite bench to your school or community.

- Choose a six-month collection window
- Trex® will provide promotional materials and recycling bins
- A volunteer must weigh and report the collected materials every month before delivering them to one of our participating drop-off retailer locations

District 14-T Continues the Plastic collection Challenge ! This is a great project!
