A MESSAGE FROM DISTRICT GOVERNOR PEGGY

Greetings Lions and Leos of District 14-T

Happy November!

Greetings Lions and Leos of 14-T,

We have started this month with chilly but beautiful weather!

1VDG Dennis and I have again had wonderful club visits to fill our October schedule with sharing of ideas, hearing about projects for this fall and induction of new members. The highlights for me were the induction of 13 new members for the Marysville club and trying to do my talk to the Chambersburg Evening Lions while they ALL had on party sunglasses!!! Congratulations are in order for the Chambersburg Evening Club as they celebrated recycling of over 100,00 pairs of glasses!

Please continue to add club activities to your Facebook pages and as I see them I share them to the District Facebook page. Seeing the projects others are doing may spark a new idea or two for your club! ***Please add activities to the MyLion site so not only can our District see what you are doing but clubs in our State and around the world can see and share ideas.***

During the pandemic we have all witnessed areas in our communities where gaps have widened, whether it has been healthcare needs, transportation issues, isolation issues or food insecurity, we as Lions, are poised to make a difference this year! Hunger issues in our area are not new and many were struggling to feed their families before Covid 19.

The issue of food insecurity has no boundaries. Seniors as well as children in our communities are affected. We must work to be sure our neighbors are not choosing between paying bills, having food on their tables or getting their medications. A proper diet is so important for many chronic health conditions such as Diabetes and hypertension.

The Central Pennsylvania Food Bank continues to help fill our local food pantries and I have started a **Virtual Food Drive** to run through the month of November to help fill the Food Bank for the upcoming holiday season. Cash donations allow the Food Bank to purchase fruits, vegetables, milk and meat. **A \$1.00 donation will provide 6 full meals for those in need.**

Please look for more information in this newsletter on how you can participate in this Virtual Food Drive effort!

I am looking forward to seeing you all at our District 14-T meeting # 2 being held at 1VDG Dennis' home club of Lurgan Township on Sunday Nov. 7, 2021. A very Large Thank-you! to Lurgan Township Lions for allowing us to invade your space!

November will continue to be very busy for Lion Dennis and me as we travel to 7 clubs this month, Vision Resources Evening in the Dark Dinner and I am personally honored to be invited to a memorial tree planting in New Bloomfield on Nov. 13, 2021 in memory of long term, 50 year member, Lion Phil Eckert of the New Bloomfield Lions.

Remember, Service from the Heart and Embracing change will guide our way!

Serving Together,

District Governor Peg

MESSAGE FROM 1VDG DENNIS

Greetings Lions and Leos,

I hope you are all well and safe. I had the opportunity to visit eight more of our clubs as part of the annual District Governor visits. All have been a pleasure as we reach out to Clubs in our District but the Marysville visit particularly stood out because 13 new Lions were installed the evening of our visit. Lionism is indeed growing in 14-T. DG Peggy and I also had the opportunity to celebrate the milestone of 100,000 pairs of eyeglasses collected by the Chambersburg Evening Lions Club.

During October, I had the chance to attend the MD 14 Leadership Symposium October 16 at the State Office. At least 5 people from our District were in attendance along with Lions from the eastern part of PA resulting in a full room. PDG Kerry McKnight from 14-C conducted the event with help from PID Cindy Gregg, PDG Tom Gregg, PCC Terri Kodgis, and PDG Cheryl Wilbur from 14-G and it was gratifying to see so many people interested in helping the growth of Lionism. In addition, a food drive was conducted and birthday party was held for International President Doug Alexander.

Training during October also included homework (selected Lions Website courses) selected by PDG Dennis Kelly from Minnesota who is leading a group of First Vice District Governors from around the world. Jan 31, 2022 was the completion date and I am happy to report all mine are complete.

October 29 and 30 brought the 2nd State council Meeting at Valley Forge Resort. A lot more meaningful than the first meeting in that the current slate of first and second Vice Governors are coming together and interacting more as a Group dedicated to the thriving of their Districts and the goals of Multiple District 14. We have an excellent trainer in PDG Kerry McKnight from 14-C with some help from Council Chair Cathy Baker.

1VDG Dennis message cont'd...

I am looking forward to continue visiting clubs which is continuing in earnest with our DG Peggy, and have been very glad to receive donations for our District Projects and learning how our individual Clubs are serving.

Please be safe as we Serve together!

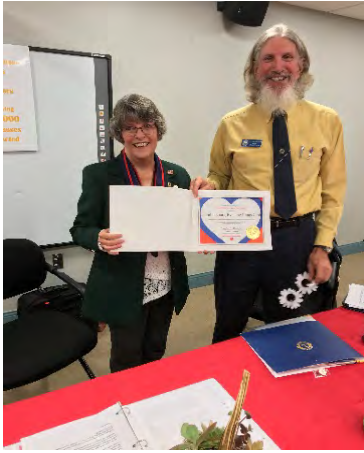

Yours in Lions Fellowship,
1VDG Dennis

VIRTUAL FOOD DRIVE

Dear Family and Friends,

I heard a startling statistic recently – 1 in 10 of our neighbors in central Pennsylvania struggle to put food on their tables. The pandemic has made hunger even worse. Together we can do something about it. I launched a Virtual Food Drive to support the Central Pennsylvania Food Bank and their mission of fighting hunger, improving lives and strengthening communities.

What's a virtual food drive you ask? That is a great question. A VFD is a new innovative way to support the food bank from the convenience of your easy chair, home, office, anywhere! Without the need to lug heavy cans or going out of our way. The VFD is just like safely shopping online, easy and fun and no buyer's remorse!

The Food Bank serves more than 200,000 individuals each month. Last year, they distributed more than 60 million pounds of food!

- **Every Dollar Counts.** The Food Bank maximizes monetary donations and a gift of just \$1 helps provide six nutritious meals.
- **It's convenient. It's easy!** This is an online program; the Virtual Food Drive is just a click away and always socially distant. You can participate from anywhere!
- **How About Them Apples.** Your donation enables the Food Bank to provide more than just cans, items like fresh produce, dairy and center of the plate protein.

Please join me in fighting hunger in our community and donate [today](#) for the Holidays, to help me reach my fundraising goal. Whatever you can give will be appreciated – after all **every dollar counts**. **This 14-T Fundraiser will run until Nov. 30, 2021.**

Thank you so much for your support!
Lion Peggy Hummel, District Governor 14-T

GLOBAL SERVICE TEAM

Lions is about finding the passions in our hearts that will lead us to greater community service, build stronger leaders and connecting us as family and friends. With the holiday season coming upon us, it is a time to reflect upon the good work we do as individuals and as lions in growing our lions family.

Our clubs do incredible service and humanitarian efforts in our communities that are defined through our club hearts and passions. Our lion family continues to expand, and our passions are alive with new possibilities for where we can inspire ourselves, our clubs and the communities we live in.

Holidays are about family and friends coming together to enjoy the love, fellowship and great blessings we all have achieved. Best wishes to each of you and your families for a Happy Holiday Season.

In the Lions way I remain,
PDG Bob W. Roebuck
Global Service Team Coordinator

Zone 1B Lions Service Project

Please join me for an easy environmental project on Sunday, [November 21st](#), beginning at 2:00pm. We'll spend about two hours picking up trash in Harrisburg's Riverfront Park (you may recall we last did this in late 2018). Simply park on City Island and walk across the Walnut Street Bridge, and we'll plan to meet there at the intersection with the Greenbelt trail along Front Street. We'll then clean up along a couple blocks or so heading each way, depending upon participation. This is the day following the city's holiday parade, so there may be a fair amount of trash for us! I'll supply the trash bags.

While this is our "official" Zone 1B project for this Lions year, all certainly are encouraged to participate, including non-Lion family members and friends. The more who show up, the more work we can accomplish! Please also try to wear Lions gear for publicity.

YIS,
ZC Doug

LEADERSHIP!

As new members gain more experience in their local Lions Clubs, encourage them to stretch out and become a Tail Twister. This was my first official position within my club. It allowed me to have fun with other Lions and I really got to know them and their service as Lions. A Lion Tamer is another position to get you more engaged in a club. These positions may be the first steps as you grow as a leader with your club.

Leadership begins at the club level by being a member of your Board of Directors or by stepping up and becoming a club vice president and eventually becoming the President in your club. Remember, every person around you started their service in lionism just like every new member. Do not be intimidated by the “alphabet soup” of our titles like KL, DG, PDG, IPDG, PID, ID. At our hearts we are all LIONS.

I believe that when we embrace being a servant leader we become better individuals and Lions. Be sure to lead by example by being willing to do any job you ask others to do. Putting forth the same effort and working together as a team of lions will motivate them and will help to keep them engaged and help them to see growth in our organizations.

Show people why their job is important at a fund raiser or a service project. Remember, many hands make light work!. We often don't think about all that happens and the planning that goes on behind the scenes before something like a pancake breakfast happens. Can you imagine if the early shift wasn't there to cook the sausages and make the pancake batter? Time and planning and even if it is just mixing up the orange juice and setting out syrup packets, all these things must happen to make it a success.

Remember after your project is over to have a meeting. As leaders we need to encourage our members to speak up about what went right, wrong and things that others think you can use to do better next time.

Leadership covers many aspects of our lives and together we all work better together with engaged leaders. Until we see each other again, have a very Happy Thanksgiving!

HERSHEY LIONS CLUB

HERSHEY LIONS COLLECT USED EYEGLASSES

Derry Township, PA – The Hershey Lions Club met recently during a monthly meeting and sorted over 1,000 used eyeglasses. This is one facet of the Hershey Lions' efforts to improve the lives of the visually impaired.

According to Lions Clubs International, unaddressed distance vision impairment in many low- and middle-income regions is 4-times higher than in high-income regions. Glasses that are collected locally help needy people around the world. "Globally, Lions are known for our work to help the visually impaired and to help prevent avoidable blindness," shared Hershey Lions Club President, Steve Gallerizzo. "Historically, vision causes have been at the forefront of Lions service," added Gallerizzo.

Besides collecting used eyeglasses, the Hershey Lions Club assists uninsured Derry Township residents with eye exams and eyeglasses. The Hershey Lions Club has also been a supporter of the Eye School presented annually by the Penn State Health Eye Center of the Penn State Milton S. Hershey Medical Center. Members of the Hershey Lions Club have also supported local eye screenings.

The Hershey Lions Club looks forward to resuming in-person meetings in the near future. Lions Clubs are groups of men, women and families who identify needs within the community and work together to fulfill those needs. West Hanover Lions Club Recognizes Legacy Fund

The Covid-19 pandemic has made life difficult for service organizations. Regular fundraisers, like chicken barbecues, had to be curtailed due to health and safety concerns. Nevertheless, the West Hanover Lions continued to provide scholarships and grants to deserving individuals and organizations until financial resources became depleted. That's when the Legacy Fund came to the rescue.

The Legacy Fund is a group of ten men from West Hanover Township: Roger Sipe, Rick Lawson, Paul Hepler, Dave Plouse, Doug Spotz, Kirk Ryan, Rick Sipe, Tom Smedley, Rob May and West Hanover Lions Club member Scott Rishell. The guys have known each other since grade school. They meet for breakfast weekly and go on vacations together each year.

They wanted to do something positive for the township, so each week they put some money aside. Their original plan was that the last surviving member of their group would honor their "legacy" by donating the money they collected to individuals and organizations in West Hanover Township. But they decided that they didn't want to wait until they died, so they started to give money to township families and organizations who needed help.

Since many of the fathers of Legacy Fund group members were, or had been West Hanover Lions Club members, the group decided to give a \$1500 grant to the Lions Club; and it couldn't have come at a better time. Their donation enabled the West Hanover Lions Club to continue presenting scholarships and grants even in the midst of the pandemic. At a recent meeting, the Lions Club thanked and honored the group for their generosity.

To learn more, go to the West Hanover Lions web site, westhanoverlions.club; or visit a regular meeting, the third Tuesday of each month at 7pm at the West Hanover Township Community/Recreation Center, 628 Walnut Avenue, just off Linglestown Road across from Central Dauphin High School.
