**A MESSAGE FROM DISTRICT GOVERNOR PEGGY**

*Greetings Lions and Leos of District 14-T*

Happy December!

Greetings Lions and Leos of 14-T,

We have started this month with chilly but beautiful weather!

1VDG Dennis and I have again had wonderful club visits to fill our November schedule with sharing of ideas, hearing about projects for this fall and induction of new members.

Please continue to add club activities to your Facebook pages and as I see them I share them to the District Facebook page. Seeing the projects others are doing may spark a new idea or two for your club! ***Please add activities to the MyLion site so not only can our District see what you are doing but clubs in our State and around the world can see and share ideas.***

During the pandemic we have all witnessed areas in our communities where gaps have widened, whether it has been healthcare needs, transportation issues, isolation issues or food insecurity, we as Lions, are poised to make a difference this year! Hunger issues in our area are not new and many were struggling to feed their families before Covid 19.

The issue of food insecurity has no boundaries. Seniors as well as children in our communities are affected. We must work to be sure our neighbors are not choosing between paying bills, having food on their tables or getting their medications. A proper diet is so important for many chronic health conditions such as Diabetes and hypertension.

The Central Pennsylvania Food Bank continues to help fill our local food pantries and I had designated the month of November for a Virtual Food Drive to help fill the Food Bank for the upcoming holiday season. Cash donations allow the Food Bank to purchase fruits, vegetables, milk and meat. **A \$1.00 donation will provide 6 full meals for those in need. I am proud to report we donated over \$1500 dollars helping to provide over 9,000 meals!**

**MESSAGE FROM 1VDG DENNIS**

Greetings Lions and Leos,

I hope you are all well and safe. I had the opportunity to visit eight more of our clubs as part of the annual District Governor visits. All have been a pleasure as we reach out to Clubs in our District. A lot of activities are happening and we continue to install many new Lions. In fact, very few visits this year have not involved a new member installation.

The District 14-T Facebook page continues to be updated with not only posts related to the district but more importantly photos and other events that individual clubs are doing district wide. With some of the hit or miss coverage that Lionism gets from newspapers any more, Facebook has become the standard way of conveying information and our District is doing updates as well as any District in Pennsylvania. There appears to be increased interest in the Trex plastic bench program. That involves collecting 500 lbs of plastic over a six-month period in return for a bench. They are some documentation requirements but it is one of the better environmental programs going at the moment.

Training during November included additional homework (selected Lions Website courses) selected by PDG Dennis Kelly from Minnesota who is leading a group of First Vice District Governors from around the world. It was reported that our global wide group has already lost one member to death so condolences are in order.

Cabinet selection for next Lions year 2022-23 is expected to start in earnest during December.

I am looking forward to continue visiting clubs after the New Year with DG Peggy and continue to be very glad to receive donations for our District Projects as well as learning how our individual Clubs are serving (21 visits so far this Lions Year).

Please be safe as we Serve together!

Yours in Lions Fellowship,

1VDG Dennis

## Message From the Environmental Chair

Hopefully everyone had a pleasant Thanksgiving. It's a great time to reflect on our blessings. We're very fortunate to have opportunities for education, equality, and access to water where we live. In other parts of the world and even here in the U.S., others are not as fortunate. This month I'm continuing to share information about sustainable development goals that impact human needs and environmental needs. You can learn more about it at [Take Action for the Sustainable Development Goals – United Nations Sustainable Development](#).

Of the 17-sustainable development goals, #4-#6 include helping educate children; empowering women and girls and ensuring their equal rights; and avoid wasting water, respectively. You may be wondering why I'm writing about education and equal rights; however, human needs connect with environmental needs. Children represent our future, in so many ways. According to LCI, in April 2020, 1.6 billion children were out of school and nearly 369 million children who relied on school meals had to find other sources for their daily nutrition. Keeping kids in school is essential. Regarding gender equality, not only is it a fundamental human right, it's a necessary foundation for a peaceful, prosperous, and sustainable world, according to LCI. Globally, more girls are going to school and fewer girls are being forced into early marriage. Unfortunately, with the pandemic, violence against women and girls has steeply increased and women have been disproportionately impacted not only at work but also at home due to the traditional roles of women as care givers. Research shows that gender equality is linked to peace. Regarding clean water and sanitation, 3 out of 10 people lack access to safe drinking water and 6 out of 10 people lack access to safe sanitation, according to LCI. Additionally, while 80% of wastewater is discharged without any treatment into rivers or seas, 70% of water from water sources is used for irrigation. Hence, daily, nearly 1,000 children die due to preventable water and sanitation-related diarrheal diseases. Access to clean water and good hygiene practices are imperative to combatting the pandemic and other diseases.

The aforementioned Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face. You can learn more at [www.un.org](http://www.un.org) and consider how you can take action.

As always, if your club needs a speaker, I'm happy to help.

Best regards,  
Lion/PDG Krista Callear

## Global Membership Approach

As we come to the last month in this calendar year and look forward to the coming one, I'd like to share some thoughts three of the four components of the Global Membership Approach (GMA). As you may recall, this is the approach we are taking as part of Lions Clubs International to grow our membership to meet the ever increasing needs of our communities.

Our district GMA teams continue to work in this area at a district level, I've collected a list of ideas you can consider within your own clubs. After all, service and membership start within our individual clubs. If you have any questions after reading through these lists, feel free to contact myself and the district leader associated with each area.

1. Service – GMA Team Leader – PDG Bob Roebuck, Lower Paxton Township
  - a. Ask for copy of PDG Bob Roebuck's service project ideas
  - b. Ask your newer members for their ideas - don't reject them
  - c. Have your newer members start a project of their own - it's extremely important to engage your newer members (and all members)
  - d. Promote your service projects (social media, newspapers)
  - e. Online materials – Google searches
    - i. Lions Clubs Service Toolkit
    - ii. Lions Clubs Global Service Team Toolbox
2. Membership – GMA Team Leader – PDG Sam Wagner, Landisburg
  - a. Conduct a New Member Drive
  - b. Follow IP Doug Alexander's call – Everyone Ask 1 (encourage all of your members to ask their family members, friends, colleagues, and others to join them in service)
  - c. Conduct Member Orientation - this is important to do ever year
  - d. Wear your Lions pin in public
  - e. Create business cards
  - f. Create club brochure - share these and business cards at your service projects and fundraisers
  - g. Promote your club (social media)
  - h. Invite district chairperson to visit your club
  - i. Online materials – Google searches
    - i. Lions Clubs Club Membership Chairperson
    - ii. Lions Clubs Global Membership Team Toolbox
3. Leadership – GMA Team Leader – CC Cathy Baker, Waynesboro
  - a. Ask your club leaders to read the officer e-Books available on the Lions Clubs website
  - b. Explore Lions Learning Center on the Lions Clubs website
  - c. Review PA Lions leadership events ([www.palions.org](http://www.palions.org)) including RLLI (Regional Lions Leadership Institute)
  - d. Consider Lions University – Bachelors, Masters, and Doctorate degrees
  - e. Consider attending the USA/Canada Lions Leadership Forum - this is the premier leadership training event each year
  - f. Online materials – Google searches
    - i. Lions Clubs Leadership Development
    - ii. Lions Clubs Global Leadership Team Toolbox

If you would like one of our district team leaders or myself to present at one of your club meetings or zone meetings, please contact us.

Happy Holidays!

## WEST HANOVER LIONS CLUB Provides Scholarships and Grants

Again this school year, the West Hanover Township Lions Club will support local students with two \$1,000 scholarships and two \$500 grants.

The scholarships are for students with visual impairments and for grads pursuing higher education in a program related to environmental studies. The vision and environmental scholarships are available to graduates who reside in the area covered by the CD School District regardless of the school they attend, or even if they are home-schooled. Interested seniors can get info and an application at the Central Dauphin High School College and Career Center, and on the Central Dauphin School District web site.

In addition to the annual scholarships, the West Hanover Lions are continuing to provide two \$500 grants for the Central Dauphin Vision and Autism Support Programs.

The West Hanover Lions also make contributions: to support cutting edge equipment at the Penn State Hershey Eye Center, to fund the West Hanover Senior Van Service, to help families affected by disasters, to assist community residents with visual needs, to support local youth athletic teams and facilities, and to sponsor visually impaired campers at the PA Beacon Lodge Camp.

## PENBROOK LIONS CLUB

The Penbrook Lions & Leos are working together once again on a new community project. The Lions & Leos are working together to create a community garden that would provide vegetables to community residents and to the Manna Food Pantry. The Leos approached the Penbrook Borough and requested permission to use a vacant lot on 32nd & Hillside Streets for the garden. The Penbrook Council approved the arrangement at the November 1st meeting. The Lions and Leos met with PDG Krista Callear who provided a wealth of information on how to prepare the plot over the winter for spring time gardening using the no-till method. The Lions and Leos also got support from the Susquehanna MS 4 Director and the Swatara Composting division. The Lions and Leos got free used cardboard from Lowes and free mulch from Swatara, the Borough assisted in the purchase of the silt sock. The Lions and Leos placed the cardboard, shoveled the compost and secured the silt sock. The Fire Company will water the plot.
