A MESSAGE FROM DISTRICT GOVERNOR DENNIS

Greetings Lions and Leos:

Welcome to August. Many service projects and much fundraising are taking place all across our District.

It's been a busy month. I installed officers in Richfield June 16 and Blain July 16. Many thanks to Lion Fay Watson for the tour of the train station.

Club visits started early this year. Blue Ridge Mason Dixon was visited July 18 and I visited the G-A Blue Leo Club today, July 31. Two visits are

scheduled for August. August 3 at Waynesboro Area Lioness Lions and August 16 at Rouzerville Lions. My speech runs only 10 minutes long. I am looking forward to all club visits during the year and am fortunate to have had at least one prior visit to each of our clubs.

I am happy to announce Lynda Krieger of the Lower Paxton Lions as Zone Chairperson for Region 1 Zone A overseeing the following clubs: Harrisburg, Middle Paxton, Millersburg, Paxtang, Penbrook, Penbrook Leos, and Susquehanna Township. A huge thank you to PDG Bob Roebuck for the recruitment.

Commercial time. My district pins will be distributed at club visits this year and I am asking for a donation of \$3 which will be earmarked for the district diabetes research/education project.

The 2022-23 District Directories became available Thursday, July 28 and were printed by Vision Resources. The directories for Region 1 are available from Zone Chair Lisa Lugovich. The directories for Region 3 are available from Zone Chair Bryan DeMuro. The directories for Region 4 Zone A are available from Zone Chair Darrell Miller. I will be distributing the directories for Region 4 Zone B the first week of August. There are plenty of extra directories that are presently stored in my garage.

There are at least 2 corrections needed in the directory. First, District Project 4 needs to be labeled as District 14-T Eyeglass Collection. The Helen Keller Emergency Fund has been discontinued. Second, the zone meetings for Region 4 are not combined. The schedule and

Thank you!

location in the directory for Region 4 is for Zone A only. The zone meeting schedule and location for Region 4 Zone B is to be determined.

Our first District Cabinet Meeting is scheduled for Saturday, August 20 at the park in Landisburg. A catered meal is planned with the same caterer and meal as what we had at Little Buffalo last August. More details will follow shortly.

The 2022-23 District Convention is scheduled for Saturday, April 22 and we have ID Jay Moughon from Virginia slated as our speaker.

Lest I forget, please keep the family of Amy Hornbaker in your prayers. Amy's husband passed away during the month. Amy put together our District newsletter for many years and updated it to what it is now. Finally, I know most clubs that file 990's for the last Lions Year due Nov 15 received a letter from the Internal Revenue Service during July. The letter stated that all 990's (N,EZ) must be filed electronically with the Lions Year that ended June 30. The fact is that a paper return can no longer be filed in that there is no longer an address to mail one to. For clubs with gross receipts under \$50,000, a 990-N can be filed for free on the IRS website, The charities and nonprofits area has a spot where a 990-N can be filed. Those inputting them will need to create an account which involves coming up with a username and a password. I filed our 990-EZ for the district using a provider named Form 990 Online for free and received an acknowledgement form the IRS that the filing was accepted.

I also received 50 new member kits from LCI this month. They are in my garage along with the extra directories.

Thank you in advance for your support for the rest of 2022-23.

Yours in Lions Fellowship,
District Governor Dennis

Message from 1VDG Patti

As my journey begins as 1st Vice District Governor, I look back on last year as 2nd Vice District Governor and I hear a familiar phrase when introduced to other Lions upon our District Governors visits. The phrase "Hi, I'm just a member of this club". This has stuck with me more than anything else over this period of time.

When each person even considers becoming a Lion, something within them rises up and shows their compassion, their kindness, their dedication to mankind, the big heart with a matching smile which they were eager to share with those around them. Also helping all those in their community who need help or support. To serve in this compacity is an honor and privilege.

No one is "just a member of this club". Lions are a special kind of person. Lions are caring, Lions are loving, Lions give their heart in every situation.

Remember our motto: We Serve

Let us go into our new year, "Roaring like a Lion" and show our dedication to our community, our club, and the world.

FROM OUR ENVIRONMENTAL CHAIR

Greetings District Members. I hope this finds everyone well and enjoying our summer weather. Some parts of the country are seeing extreme weather events with record heat, drought conditions, wildfires, flooding, etc. We're pretty fortunate here in District 14-T, although, we may occasionally see some temperature spikes for a few consecutive days. The Centers for Disease Control (CDC) offers the following tips for safely enjoying a healthy summer:

1. Get at least 150-minutes of aerobic physical activity each week.
2. Wear sunscreen (at least SPF 15, reapply after 2-hours) and insect repellent (along with long sleeve shirts and long pants to avoid insect bites).
3. Keep cool in extreme heat (use fans or AC, stay hydrated, and keep informed).
4. Eat healthy foods.
5. Drink water (instead of sugary drinks or alcoholic drinks).
6. Avoid tobacco use.

To learn more visit [Tips for a Healthy Summer \(cdc.gov\)](https://www.cdc.gov/healthysummer/)

Previously, I shared that I raise Monarch butterflies. July was a great month and we recently released 8-Monarch butterflies (4/female and 4/male). Pollinators are very important and contribute to about 1/3rd of the food that we eat. One super easy thing that anyone can do is set up a bee watering station (pictured below). Materials include a container, a few rocks, and water. Ensure that the materials are clean and fill the container with water until the rocks are half submerged. The goal is to provide a water source for bees so that they don't drown. Bird baths are often too steep and deep for bees. Place the watering station in a location that bees frequent such as near a garden and clean the container and rocks as needed. You can also watch a quick YouTube video on this at [How to make a bee watering station - YouTube](#).

I also previously shared with you about the 17-sustainable development goals (SDG) from www.un.org. We're now up to goals #16-#17. This includes #16-Peace, Justice, and Strong Institutions; and #17-Partnerships for the Goals. #16 Peace, Justice, and Strong Institutions impacts our communities and how residents feel safe within their communities. We're currently witnessing the largest number of violent conflicts globally since 1946 and 25% of the global population lives in conflict-affected countries (as of 2020). One third of the world's population – mostly women – fear walking alone in their neighborhoods at night. And, a record 100-million people have been forcibly displaced worldwide (as of May 2020). While this sustainable development goal is very people-focused, it doesn't measure as relevantly as some of the other goals.

#17-Partnerships for the Goals is a goal made us. We excel at building partnerships. A main objective of goal #17 is to build strong and global partnerships to achieve the sustainable development goals. We can do that within our communities as well. We can build robust, effective collaborations that maximize partnership impact and generate greater outcomes for all of our community projects, including environment projects. You can read about SDG implementation success stories at [SDG Good Practices: A compilation of success stories and lessons learned in SDG Implementation-SECOND EDITION | Department of Economic and Social Affairs \(un.org\)](#).

As always, if your club needs a speaker, I'm happy to help: **717-343-0021** or kcallear146@comcast.net. If your club is in need of easy and manageable environment projects that have an impact, please contact me.

MILITARY SHARE PROJECT

The 14T newsletter has contained information about our Military Share Project which is developing into a huge success. There has been a change in the distribution day of the week, from **Tuesday** to the first **THURSDAY** of each month. The time to report for the volunteers has also been changed from 9:30 am to **8:30 am**. The veterans will be picking up their items from 10:00 to 12:00 also instead of 11:00 to 1:00.

We are trying very hard to make this project a zone or even district project. We would love to see at least one person from each club if at all possible. Just a description of the operation in case you did not read the first article. The trucks from the Pa. Central Food Bank will arrive approximately 8:30- to 9:00 am. Before the truck arrives long tables are set up and bags are ready for items. Meats (several kind), chicken, eggs, milk, bread and a 20lb box of fresh produce plus another box with much needed items is also prepacked for each veteran.. Also if the veteran has died their widow/widower is eligible. The volunteers unpack the boxes of meats, etc and start loading the bags. These are items which are individually packed in large boxes. Skids are used to move these items inside the building.. We are set up like a production line and it is very effective. If the veteran is living with family food is also provided for everyone in the home. The cars are directed to form a line around the distribution building and the bags and boxes are placed in each car or truck.

Nothing warms your heart as much as walking up to a vehicle and finding a widow sitting there with tears of joy, as she described it, running down her cheeks and being told how grateful she was for this food. A beautiful moment in time!!

If you can help, please call Lion Patti Ohler at [717-385-2434](tel:717-385-2434). I need to get the number of volunteers we are supplying for each distribution day.

Location of distribution center:

425 Franklin Farms Lane, Chambersburg, Pa. 17202

This is a road located immediately along the side of Sheetz on Lincoln Way East.

Hope to see you there. Remember please let me know if you will be helping.

Positives & Negative PA Lions Beacon Lodge Camp

Donations to Beacon Lodge help keep "Your Lions" camp operational. Whether it be by 500 club, golf outing, Project New Hope, general donations or other areas, every single donation is put to good use. **Thank you 14-T!**

Lions Appreciation Day was well attended and enjoyed. Duct Race Winners: (one from 14-T

- 1st Wayne Stevens 14-A \$1,000, 2nd Joseph Duchynski 14-P \$500
- 3rd Shery Barker 14-F \$250, 4th David Miller 14-P \$125
- 5th - Lori Castle 14-T \$125 Last Andy Piskel 14-W \$5.00

A positive note: Project New Hope was a success at PA Lions Beacon Lodge Camp. Although not all 12 cabins were filled with disabled veterans and their families, those that attended were impressed with what YOUR camp offered them.

Seven cabins were filled for EACH of the June and July Retreats.

June Retreat- attendance 7 families, (**two first timers**) 1 service dog

July Retreat- attendance 7 families, (**six first timers**) 1 service dog

In addition to myself, 5 other Lions volunteered at the PNH Retreats.

Excellent presenters both sessions: Perry Co. VAD Perry Jim Scott, Mifflin Co. VAD

Jim Cowman and from Dept. of Military/Veterans Affairs Samantha Cossman , Coordinator Central Region and Craig Swineford, Veterans Services Specialist.

A negative note: Beacon Lodge struggled with locating counselors and volunteers for the 2022 summer's camping sessions. Some sessions cancelled for that reason. It's disturbing not to be able to provide camps for special needs individuals who want to attend due to lack of the necessary help and workers. Several Beacon Lodge Board members filled in as volunteers, but there wasn't enough interest from the PA Lions to do the same. Please consider putting Beacon Lodge on your calendar for summer of 2023 if or when volunteers may again be needed for summer camps, even a few days help is beneficial.

In addition to the much needed donations, support by volunteering is needed to continue with the camp's purpose to provide camps for special needs children and adults.

WEST HANOVER LIONS CLUB

West Hanover Lions Club Provides Scholarships and Grants

Again this school year, the West Hanover Township Lions Club will support local students with two \$1,000 scholarships and two \$500 grants.

The scholarships are for students with visual impairments and for grads pursuing higher education in a program related to environmental studies. The vision and environmental scholarships are available to graduates who reside in the area covered by the CD School District regardless of the school they attend, or even if they are home-schooled. Interested seniors can get info and an application at the Central Dauphin High School College and Career Center, and on the Central Dauphin School District web site.

In addition to the annual scholarships, the West Hanover Lions are continuing to provide two \$500 grants for the Central Dauphin Vision and Autism Support Programs.

The West Hanover Lions also make contributions: to support cutting edge equipment at the Penn State Hershey Eye Center, to fund the West Hanover Senior Van Service, to help families affected by disasters, to assist community residents with visual needs, to support local youth athletic teams and facilities, and to sponsor visually impaired campers at the PA Beacon Lodge Camp.

Learn more about the West Hanover Lions Club on their web site, westhanoverlions.club, or at a regular meeting, the third Tuesday of each month at 7pm at the West Hanover Community/Recreation Center, 628 Walnut Avenue, just off Linglestown Road, across from CD High School.

West Hanover Lions Club President Don Holmes, left, congratulates 2021-22 school year environmental scholarship winner, Margaret "Maggie" Doherty and her mother, Jenny, right.

PTCP Trading Post

August 2022

Hello Fellow Lions,

As we enter the new Lions year two big things are happening in the Pin Trading realm. First and foremost we are celebrating the 50th year of the Lions International Pin Trading Club (LITPC) and there will be celebrations at pin trading events all year long. Secondly the trading world starts their new series of Farming, Agriculture and Gardening. Every 2 years the trading world votes on a new theme for the next 2 years. We just finished 2 years of Circus & Carnivals and there were a lot of clowns around both pins and pin traders!!!

PTCP had our first event of the year on July 17th at Beacon Lodge on Pennsylvania Lions Appreciation Day. Many Lions from across the state dropped to see us. It was a fun day for all!

A reminder for the current District Governors that I will be placing information for the annual District Governor pin contest at your seat during the first State Council meeting. We hope that you all join this fun contest.

PTCP Officers:

President: Jason Radmann

Pin History

District 14A - The first pin that came from District 14A was in 1977 is seen below. Not sure what the building it is but it was a very nice pin for the time.....

District 14B - District 14B released 2 pins in 1969. One was the blue pin below as well as a woman's brooch. They took the pin and attached it to a round gold ring.

This is a sneak peek at my first two pins in the new series!
