Greetings Lions and Leos,

I went to Montreal and came back as District Governor. Well, OK, it wasn't that simple but I am glad to have been elected as District Governor of PA Lions District 14-T. Canada did involve a lot of training but the 6 days that ended with the installation and 'ribbon pulling" ceremony (that might have lasted 5 minutes) became an experience. You really don't understand how international our Lions organization is until you attend an International Convention.

And 13 of the 17 DG's in Multiple District 14 (PA) were there. Many thanks to PDG Bill Tuttle for his part in the ceremony and Cabinet Treasurer Darrell Miller for making the trip with me.

Our 2022-23 International President is Brian Sheehan from Bird Island, MN and his theme is "Together We Can". That statement pretty much sums up what our clubs and district is based on. Nobody achieves the successes in service all on their own. His communication strategy for 2022-23 is different than anything Lionism has experienced.

My goals are simple and will be part of the 2022-23 directory. With the support of all in the District I hope to end the year with at least a modest increase in membership. That and expanding the number of clubs reporting service hours and projects and hopefully the clubs doing more service. PDG Bob Roebuck has a wealth of ideas for service projects that maybe that your club hasn't thought of. And let's not forget continued support of LCIF, our foundation., Ask anyone in post tornado Mayfield, KY what LCIF is capable of. Oh, and I am retaining all of the 16 District Projects from last year.

From talking with other incoming District Governors in Montreal, what we're experiencing within 14-T is similar to other districts in the (hopefully) post COVID era. 2 kinds of clubs were identified. Many clubs stopped meeting at the start of COVID and never restarted. That tells me that there is a lot of service that isn't happening in those communities. The other club type is the club that has added a lot of new members (particularly in the last year and which happened in our

district) and took the benefit of a lot of people that wanted to become Lions and help their corner of the world (and beyond). And that translates to increased service and participation.

We have a lot of opportunities this year to increase and/or reintroduce Leo Clubs but the big growth for Lionism could actually be from the expansion of specialty clubs (people in a community with a common interest) and branch clubs (especially those ethnic based in some of our larger towns)

Lest I forget, please keep the family of Dwight Steinly in your prayers. Dwight was to have been a new Zone Chairman this year and passed away suddenly last Friday.

Thank you in advance for your support in 2022-23. My club, Lurgan Township, has told me "Just don't let us down" and I will try not to. It will take all of us for the year to be successful.

Yours in Lions Fellowship,  
District Governor Dennis

### Message from 1VDG Patti

What an exciting year this will be!

As 1<sup>st</sup> VDG I look forward to meeting so many of you, getting to know you, and experiencing learning about your projects, your service and excited to watch your clubs grow.

My husband and I joined Lions July 1, 2015 and it is one of our best decisions. We watched as our community of Lions worked together to help others. Our local food bank told us if it would not be for our donation to them each year, they may not exist. Fire Departments also received donations, Woman in Need, Over the Rainbow, 4-H Therapeutic Horse Farm, and so many more. Lions are making a difference whether donating or volunteering.

Yes, I did go from "oh, that's nice" to full blown Lion enthusiasm.

I am honored to be your 1<sup>st</sup> Vice District Governor and will always try to do my best for my community, my region, and Lionism.

So, sitting here with the computer and thinking about my journey, know that my pride in my home club and those I have met along this way grows each day. Thank you one and all for the confidence you have in me.

Together we will Serve,

Lion Patti Ohler, 1<sup>st</sup> VDG

**FROM OUR ENVIRONMENTAL CHAIR**

Greetings District Members. Happy New Lion's Year and Happy Summer!!!

Many thanks to DG Dennis Alleman for asking me to continue as the Environment Chairperson for this year. We aspire to increase club environment projects, participation in the environment photo contest, and speaking opportunities with the clubs.

Previously, I shared that an early summer visitor came to my garden. A female Monarch butterfly deposited several eggs on our common milkweed and I raised them into caterpillars which would eventually become more butterflies. It is said that they are barometers of our environment. Unfortunately, of the first eggs, all 4-caterpillars became sick and didn't make it. Of the second group, which was only 2-eggs, both developed successfully and emerged from their chrysalises as Monarch butterflies and we released them. I'm hopeful that they are depositing eggs on milkweed for the next generation of Monarch butterflies. I do this since in the wild they have a 2% survival rate during metamorphosis.

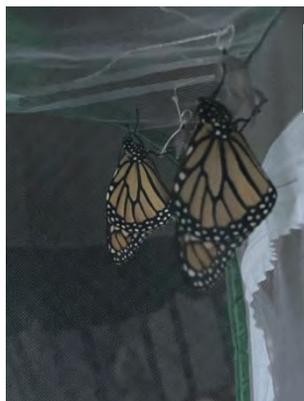

I also previously shared with you about the 17-sustainable development goals (SDG) from [www.un.org](http://www.un.org). We're now up to goals #13-#15. This includes #13-Climate Action, #14-Life Below Water, and #15-Life on Land. All 3-goals directly relate to the environment. More specifically, #13 combatting climate change is more crucial than ever. Did you know that as of 2017, human activity is responsible for increased warming by 1-degree Celsius (or 1.8-degrees Fahrenheit) above pre-industrial levels? It doesn't seem like much; however, it doesn't take much warming for sea levels to rise, CO2 emissions to increase, potable water to become scarce, population shifts to occur, etc. Transitioning to sustainable energy could trigger benefits of \$26-trillion in economic benefits and create 18-million jobs. Raising awareness about climate change is helpful and as district members we can support LCIF's disaster relief and the humanitarian crisis in Ukraine.

#14 Life Below Water is important since about 3-billion people depend on the ocean for their livelihood. On average, there's 13,000 pieces of plastic for every square kilometer (1-kilometer = 247+ acres) of ocean. By 2050, there will be more plastic in the ocean than fish. That's alarming! As district members we can do our part to remove plastics from the environment: promote reusable items over single-use items, recycle, roadside cleanups, stream cleanups, etc.

#15 Life on Land is something that may be more relatable since it is something that we can see. Forests cover 30% of the earth's surface, providing important habitat for millions of species and helping provide us with clean air. Annually, 13-million hectares of habitat are lost (1-hectare = 2.47 acres or 32,110,000 acres). Think of New York (NY) state to our north occupying a total area of 30,680,960 acres, or a habitat area somewhat larger than the state of NY being lost annually around the world. (Pennsylvania is slightly smaller at 28,804,480 total acres.) District members – the need is greater than ever to plant trees! I recommend oak trees since they offer the greatest benefit for the most wildlife. Oaks are also "champions of carbon sequestration, soil stabilization, and watershed management" (Doug Tallamy).

I appreciate PDG Bill Tuttle and the Paxtang Lions for the speaking opportunity with the club during June. I very much enjoyed the visit and the opportunity to share environment information. As always, if your club needs a speaker, I'm happy to help: **717-343-0021** or [kcallear146@comcast.net](mailto:kcallear146@comcast.net). If your club is in need of easy and manageable environment projects that have an impact, please contact me.

Best regards,  
Lion/PDG Krista Callear

# Lions Clubs International

## Dear Lion Leader,

The time to train your incoming club officers is approaching. Don't miss these opportunities!

**Courses** - For the latest information, be sure to encourage your club leaders to access the Lions Learning Center offered by Lions Clubs International. Under "Course Catalog," there are four courses available for their use:

- Club Officer Training
- Club President Responsibilities
- Club Secretary Responsibilities
- Club Treasurer Responsibilities

## **Making a Plan: Exceptional leadership starts with a great plan**

Take the time to review the [Club Quality Initiative Program](#) with your officers to discover how to make a great club even better!

Also, review the **Plan for your Club's Success** with them. Use The [planning guide](#) and [PowerPoint](#) to help clubs discover their strengths, ways to improve and new opportunities that will help their club grow and thrive. Planning forms help develop a vision, assess their club's needs and organize plans for successful implementation.

**Webpages and e-Books** - Lions Clubs International has designed webpages for each of the club officers. Every webpage provides materials and resources, as well as e-Books, to assist the officer as they serve in their role. Take a moment to visit the seven club officer webpages and familiarize yourself with them so you are able to inform your elected officers.

- [Club President/First Vice President](#)
- [Club Secretary](#)
- [Club Treasurer](#)
- [Club Membership Chairperson](#)
- [Club Service Chairperson](#)
- [Club Marketing Chairperson](#)
- [Club LCIF Coordinator](#)

**Social Media** - If you are a Facebook user, visit us at [Improving Lions Club Quality](#). Here you will find helpful information from Lions around the world. You can post questions, comments, stories and share new ideas to improve your club quality. As you prepare for your year, please contact us if you have any questions. We can be reached by phone at [\(630\) 468-6890](tel:6304686890) or by email at [clubofficers@lionsclubs.org](mailto:clubofficers@lionsclubs.org).

Sincerely,

Your District & Club Administration Division Support Team

## PA LIONS BEACON LODGE CAMP

### **Project New Hope**

Having just returned from Beacon Lodge and helping with Project New Hope, by spending 4 days with disabled veterans and families, I again saw the extreme benefit this program is for our Veterans. As always, excellent guest presenters gave knowledgeable info and counseling to our attendees and the activities and fellowship were enjoyed by all.

As Lions, remember to mention the availability of PNH whenever you are with or in contact with a Veteran or Veteran facility. I am always available to give additional info on the PNH program. ***The next PNH Disabled Veteran's Retreat will be July 9 thru July 13, 2022.***

Although several 2022 camps needed to be cancelled due to lack of counselors, some have been or will be taking place. Lion volunteers are needed and welcomed to help at the various camps. Contact PA Lion Beacon Lodge direct if you have a few days to volunteer.

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children with Special Needs.

## WEST HANOVER LIONS CLUB

### West Hanover Lions Honor Members and Community Volunteers

At their annual banquet, the West Hanover Lions Club presented the prestigious “Lion of the Year” award to King Lion Don Holmes for his work as club President, for the many new members he has recruited and for his tireless efforts to connect the Lions Club to the West Hanover township community it serves.

Also at the banquet, an award was presented to Lion Bob Lawson for his more than 50 years of membership and dedication to the Lions Club and his many years as club Treasurer. And West Hanover Senior Van Volunteers were recognized at the banquet for the vital transportation service they provide to township seniors.

In addition to their support for the West Hanover Senior Van Service, the West Hanover Lions Club supports many other vital community projects, including two annual \$1,000 scholarships for area high school graduates, grants for the Central Dauphin Vision and Autism Support Programs, cutting edge equipment for the Penn State Hershey Eye Center, help for families affected by disasters, assistance for community residents with visual needs, support for local youth athletic teams and facilities, and sponsorship for visually impaired campers at the PA Beacon Lodge Camp.

Learn more about the West Hanover Lions Club on their web site, [westhanoverlions.club](http://westhanoverlions.club), or at a regular meeting, the third Tuesday of each month at 7pm at the West Hanover Community/Recreation Center, 628 Walnut Avenue, just off Linglestown Road, across from CD High School.

## LANDISBURG LIONS CLUB

The Landisburg Lions grant service awards each year to graduates within our service area. In addition to academics, teacher recommendations, and a written essay, the awards are based on community service and volunteering in the community. This year, Lion Cathy Gilbert presented the recipients' of our "Link to the Future" award for 2022 to Elijah Houtz, Emma O'Toole, and Jaden Kitner.

Thank you to everyone who has made a gift in honor of Helen Keller and in support of the VROCP mission. The fundraising campaign will continue until the end of the month so you still have time to mail in your check or to make a secure gift online at [www.vrocp.org](http://www.vrocp.org). Every contribution will help to facilitate independence and empower individuals who are visually impaired, enriching the quality of life for everyone in this region.

### HONORING HELEN KELLER

**"Although the world is full of suffering, it is full also of the overcoming of it."  
— Helen Keller**

Ms. Keller was very inspirational. As a young person she was quite familiar with the struggles and suffering in her life, but she found a way of becoming a master at "overcoming" it. She valued the independence she was able to obtain, even though she was blind and deaf, and worked tirelessly that others might learn and share a similar quality of life that she achieved.

Keller attended Radcliffe College of Harvard University and became the first deafblind person to earn a Bachelor of Arts degree.

In 1915, along with renowned city planner George Kessler, she co-founded Helen Keller International to combat the causes and consequences of blindness and malnutrition.

In 1920, she helped found the American Civil Liberties Union.

When the American Federation for the Blind was established in 1921, Keller had an effective national outlet for her efforts. She became a member in 1924, and participated in many campaigns to raise awareness, money and support for the blind.

Please honor Helen Keller and support the mission of Vision Resources and with your contribution we will work to achieve greater independence for blind and visually impaired individuals. Ms. Keller was born in 1880, remember her on her birthday, **June 27**, thank you.
