A MESSAGE FROM DISTRICT GOVERNOR PATTI

Greetings 14-T Lions & Leos!

The old phrase “March comes in like a Lamb and goes out like a Lion” comes to mind every year. Let’s hold this phrase in our minds and souls. As your District Governor I have had the honor in recent months to welcome several new members into the Lions. So, let’s count that as “comes in like a lamb”.

Our membership campaign 1.5 million new members worldwide is in full gear.

Let’s take March “out like the Lion” we can be. How? Just ask ! As I say at the Governors visit meetings, the word JOIN is a 4-letter word. Yes, my friends, how many of you when asked to JOIN an association freeze up. In your head are many reasons you cannot JOIN their organization. Oh, I am too over committed, I attend too many meetings, just not interested, etc. Also, the thought of how do I get away from this person repeats in your mind. We all have been through it.

But if you were approached by someone who asks you “how would you like to help your community?” hopefully your response would be “how can I do that?” Now bring that conversation back to yourself and “pay it forward” by telling someone else how wonderful it feels to help others. Invite that person to help with a service project before they become a Lion. Let them experience the purpose of the project, the friendly Lions helping to complete that project, and the satisfaction of helping those in need. Believe it or not, service projects have resulted in many, many, new members.

Let’s see what we can do in the month of March, let’s gather an entire pride of Lions and charge into the world and make the biggest impact ever in Lionism.

District Governor, Patti Ohler

 14T Convention Day, monetary donations will be collected for the statewide Service Project: "Jared Box Project"

A STATEWIDE PROJECT – THE JARED BOX

Mark your calendars now – May 16-19, 2024, our State Convention. It will be held right here in Harrisburg at the Red Lion Hotel.

Each year a Service Project is included during the Convention. This years' Service Project will be packing **Jared Boxes**.

You ask: What is a **Jared Box**? A **Jared Box** is a plastic shoe-sized storage box filled with small gifts, toys, games, crayons, coloring books, and fun activities. Each box contains items selected for a specific age (from infant through teens) and gender. The boxes are given to children in the hospital to provide a special, fun diversion.

About The Jared Box Project

The project was started in 2001 by the children of Our Lady of Victory School in State College, Pennsylvania, to honor their classmate, **Jared**, who battled cancer with courage and faith. **Jared** was diagnosed with an incurable brainstem tumor in 1999. He carried a backpack full of toys and games to all appointments and questioned why the other children didn't bring toys to their exam rooms. **Jared** shared his toys and invited the other children to join him in a game of UNO. At just 5 years old, he demonstrated faith, wisdom and compassion for others.

After **Jared** passed away, his classmates decided to honor him by creating **Jared Boxes**. The school children made 81 **Jared Boxes** for the children at Geisinger Janet Weis Children's Hospital in Danville, Pennsylvania. Soon after that, other community groups started making **Jared Boxes**. They picked up where **Jared** left off and shared toys with the children in the hospital. This wave of kindness quickly took off and spread across the country.

Since 2001, more than 1,000,000 **Jared Boxes** have been delivered to over 500 hospitals across the United States. Boxes filled with the "gift of play" are given to young patients in emergency rooms, hospital rooms, surgical centers and clinics. 121 hospitals in Pennsylvania are participating – **Jared Boxes** made at the Convention will be going to Pennsylvania hospitals.

Lions Clubs throughout our Multiple District will be asked to make a donation to provide the items to complete our **Jared Boxes**.
