**A MESSAGE FROM DISTRICT GOVERNOR PEGGY**

*Greetings Lions and Leos of District 14-T*

Happy September!

I hope you are all well and staying safe as we continue to try and navigate the Covid infections. Although we are anxious to get back to “normal”, we must continue to serve in the safest way possible for all those in our communities.

September is Childhood Cancer Awareness Month. Please give as you can to the PA Lions Care for the Kids campaign. Their new Signature fundraising program is **Play for the Kids**. Check out Lion Emily Miller’s donation page: <https://playforthe.kids.donordrive.com/participant/Emily-Miller> as she plans to walk a mile every day this month in honor of her daughter. Way to go Lion Emily! I am sure the Lower Paxton Lions Club is very proud of you!

PDG John Mallonee of the Hershey Lions Club has pledged to run 100 miles this month for **Play for the Kids**! Amazing!! Check out his page: <https://playforthe.kids.donordrive.com/index.cfm?fuseaction=donorDrive.participant&participantID=244784>

Hurricane and fire season is upon us and our Foundation, **LCIF**, is ready and waiting to send funds to help and support those in need in any disaster area. Please remember that **LCIF** is one of the premiere Charities in this country as evaluated by Charity navigator. Consider giving today, either an individual donation or club donation!

Thank-you, to all who attended the 1<sup>st</sup> District meeting at Little Buffalo State Park. We had a wonderful time with no rain! PDG Krista helped us all understand how we can all become environmental Champions! Our “special” raffle basket for twins Ella and Eve Oakley of Marysville raised \$110.00 to help with travel expenses for the girls to Wills Eye Hospital in Philadelphia. Both girls have bilateral eye cancers and must travel routinely to the hospital for ongoing exams by the specialists. They have a wonderful Facebook page, Oakley Twins Journey, if you would like to follow their progress.

Our Global Leadership Team and Zone Chairs are very excited to visit or help any clubs this year with Fundraisers, Service Projects, or the “Nitty gritty” and sometimes headaches, of reporting to LCI all the wonderful things your club is doing this year. PDG Bob Roebuck has so many service ideas, he is bursting and is just waiting to help any club with some new ideas as we head into this year.

I am looking forward to seeing you all very soon as I make my way around the District.

Remember, Service from the Heart and Embracing change will guide our way!

Serving Together,

**District Governor Peg**

#### MESSAGE FROM 1VDG DENNIS

Greetings Lions and Leos,

I hope you are all well and safe. I had the opportunity to attend some of our fairs and festivals some of our clubs held particularly in Region IV. Fundraising continues to be a challenge with substantial food price increases.

During August, I had the chance to attend the first State Council Meeting of 2021-22. It was quite the learning experience and thanks to the date being post COVID there was an opportunity to interact with other 1<sup>st</sup> and 2<sup>nd</sup> Vice Governors from all over PA. I was amazed at the number of committees and reports presented. Good things are happening.

Training during August included a virtual training on the important work performed by Leader Dogs for the Blind. The training for guide dogs is not easy and dogs need to be trained to not be distracted in their mission. One of my favorite parts included the use of cats in dog training. Testimonials from some of the individuals who have received assistance shows how vital and worthwhile this project is to LCI and the folks we endeavor to help.

As many of you know, The Global Membership Approach program has been started. This replaces the North American Membership Initiative (NAMI) which was the precursor of this program that took place last year in the US and Canada. This effort is the responsibility of VP Brian Sheehan who will be next year's International President. Membership recruitment and retention can't be stressed enough.

I am looking forward to continue visiting clubs which is continuing in earnest with our DG Peggy. Please be safe as we Serve together!

Yours in Lions Fellowship,  
1VDG Dennis

## LEADERSHIP!

Leadership - Is defined as the action of leading a group of people or an organization.

We all have done these actions without realizing we were using leadership skills. As parents we make the plans for our families such as camp, baseball practices, paying the bills and even balancing our checkbook.

The first step in leadership is having a vision. When we communicate our vision, and we strengthen this vision when we share it with others.

When we are planning a meeting we start with an agenda to make sure we cover all topics/vision to our members. Embracing a new fundraiser or service project would be a new vision and it may reenergize your members to become more active and attract new members. Have you clearly stated your vision? Do you have members who have experiences that you can draw on? Being a leader does not mean doing it on your own. We plan who are best Lions for each of our committees. Their experiences are of a great value to us and within these committees we often find our future leaders.

Leadership in your club can begin in the role of tail twister. Part of that role is keeping the meetings fun! There is a Facebook Page with loads of ideas and jokes to keep your meetings fun, search for Lions Online Tail Twister Group and join the fun.

During the rest of this year, we will continue our journey in leadership.

## LIONS OF PA FOUNDATION

The Lions of PA Foundation is here to support all clubs in Pennsylvania!

Records go back to 2002 when the Lions of PA Foundation began providing for grants requests.

Records show that in 19 years, the Lions of PA Foundation granted 167 requests. Of those 167 grants, 14-T received 4 grants for a total of \$42,500 – 1 of those grants went to the Fayette Lions Club in 2014.

With the pandemic, there was a lack of grant requests. Over the past 2 years, the Foundation had funds to carry over.

At the end of June 2021 we still had \$129,112 available for Grants. July 1 \$125,000 was added to that. So we start this Lions year with \$254,000 in the account for Grants.

The Clubs of 14-T give to the Foundation through the fellows, awards and the district projects. But as you can see, our Clubs have NOT applied for grants to help them serve their communities.

As a board member, we approve grants to Clubs throughout the state – if your club has a project and is in need of a matching grant, please consider applying for funds.

Visit the Foundation's website at: [www.lionsofpafoundation.org](http://www.lionsofpafoundation.org)

You will find the Grant Application and the criteria for the matching grant.

As a member on the Board of the Foundation I am here to assist you with information about the Foundation and Grants. I am also available to honor your fellow members when you present a Foundation Fellow or a Past International President Joseph Wroblewski Award.

**MESSAGE FROM OUR ENVIRONMENTAL CHAIR**

Dear District 14-T Members,  
Many thanks to those who recently attended the morning environment presentation as well as the afternoon cabinet meeting at Little Buffalo State Park. A big thanks especially to DG Peg for selecting a wonderful outdoor venue.

For those who weren't able to attend, the environment presentation encouraged us to improve the quality of life and increase engagement in our communities as stewards of natural resources; strengthen relationships between communities and our environment; and to improve the well-being of our communities by sustainably protecting and restoring the environment through partnerships.

To help build alliances, here are a few environment related organizations that clubs can reach out to:

**Dauphin County:**

- Dauphin County Extension; email [DauphinExt@psu.edu](mailto:DauphinExt@psu.edu) this includes 4-H, Master Gardeners, and Master Watershed Stewards. Website at [Dauphin County \(psu.edu\)](http://Dauphin County (psu.edu))

Clubs can also use the Community Needs Assessment (MK-9) to gauge their community's environment needs. The assessment is available at [lionsclubs.org](http://lionsclubs.org) and includes instructions. It's recommended that clubs provide their assessment to community stakeholders that share environment concerns.

If your club is looking for a speaker, please let me know. I'd be happy to tailor a presentation to your club's needs.

## STRATEGIES TO INCREASE MEMBERSHIP IN YOUR LIONS CLUBS

Joining a Lions Club is a great way for people of all ages and backgrounds to get involved in your community. By offering a network of like-minded individuals who get together for the same cause or reason, Lions Clubs are an enjoyable way of doing what you love with others. Every Lions Club is tasked with increasing membership and retaining members. Let's dive in and discuss actionable steps you can take to achieve these goals.

**Increase Awareness of Your Lions Club** - First and foremost, people must know about your club in order to seek membership. Membership marketing is vitally important to the continuation of our Lions Clubs, should be simultaneously carried out in a variety of ways. Word of mouth is the most powerful way your existing members can drum up interest.

Other Methods Your Club Can Use:

- Social Media
- E-Mail
- Posters, flyers and billboards
- Reach out to relevant organizations that could spread the word
- Host Local Events

In conclusion, let us all as Lions plan events and plan to attend them to share and discuss various ways we can increase membership in our Lions Clubs.

In the Lions way I remain

## EAST HANOVER LIONS CLUB

East Hanover Lions will host a **50's dance on October 9, 2021 at East Hanover Community Building.**

Tony Bennett will be the DJ. It is a fun night of dancing for all. Wear your poodle skirt and saddle shoes or just come and have a fun time for \$5. The proceeds will be used to purchase clothing for children in need in our community.

We also plan to participate in the International Lions Peace Poster contest. We have had beautiful posters made by our youth in our community. This opportunity allows them to share their creativity with a theme of "Peace".

Our club maintains the Seaman's baseball field in East Hanover Twp. Many hours are spent mowing the field and trimming trees so our youth can enjoy playing baseball.

## PENBROOK LIONS CLUB

**Penbrook Community Night:** Penbrook Lions served from the heart once again on Saturday, August 28<sup>th</sup>, 2021. Penbrook's Community & Government Chair, Councilwoman Vicki Shaw, sent a grateful thanks to everyone that assisted in making the community Movie Night a success. She stated that attendees shared compliments and expressed thanks for an enjoyable evening. The Lions and Leos pitched in and made cotton candy and popcorn, and then served the treats during the movie, along with ice cold water. Penbrook Police Officer Bloss and Lieutenant Foltz were on hand to address any mischief, but there was none. Money and time were donated for the event by many silent and supportive partners. The movie, "COCO" was enjoyed by all those that attended. And yes, there was no rain! Another great community happening in Penbrook! A special shout-out to Council woman Vicki Shaw for making the Movie Night event a positive experience for the families of Penbrook.

**Years of Membership/Acknowledgment:** At the Penbrook Lions Club's August 12<sup>th</sup> meeting, Zone Chair Doug Long presented the 25 Year Membership Chevron and Acknowledgment Letter to Lion Mary Hafer.

Lions Tammy Sweger and Randy Howarth received 10 Year Membership Chevron and Acknowledgment Letters, but were not attendance. Congratulations to Lions Mary, Tammy and Randy. And thank you for your commitment and support to the Penbrook Lions and the Penbrook community. Pictured: Zone Chair Doug Long presents 25 Year Membership Chevron to Lion Mary Hafer.

## PENBROOK LEOS

**Penbrook Community Night:** The Penbrook Leos were in action at Penbrook's Community Night, assisting the Lions with the preparation and distribution of popcorn, cotton candy, refreshments and other goodies during the evening. The Leos helped with the setup and cleanup at the end of the evening. The Leos and their families enjoyed the movie and serving others.

## CHILDHOOD CANCER AWARENESS MONTH

September is Childhood Cancer Awareness month and our new, signature fundraising program – [Play For The Kids™](#). Thank you to those of you who have already registered to PLAY! With this being a brand new program, we were not really sure what to expect when it launched, but we currently have 28 teams, 100 participants, and nearly \$17,000 raised! Some of the feedback we have received is that people want to participate, but are still unsure of what to do or how they can help. With that being said, I am excited to share with you our featured kids' challenges:

**1. Move Your Body with Lesenia's 40 Mile Challenge**

Whenever Lesenia heard music, she couldn't help but move. Download her Spotify playlist and walk, run or bike 40 miles in September and ask your friends and family to donate.

**2. Eat Like a Kid with Elliot's Noodle Night**

Throughout treatment, Elliot struggled with taste and to keep weight on. The food that kept him going was noodles! He loves Chinese food, ramen noodles or really any noodles! Organize an in-person or virtual noodle night and ask those joining to make a donation to participate, For The Kids®.

**3. Fun & Games with Weston's Birthday Bash**

Weston is a very social kid who happens to be celebrating his 7th birthday on September 26th. Get "social" by sharing his story on your social media pages, tag 7 friends asking them to donate \$26. Help Weston's wish of conquering childhood cancer come true!

**4. Play Your Way with Summer**

Summer's interests cannot be put in a box. If this describes you too, join Summer by playing your very own, unique way. Summer suggests that you do whatever makes you happy. Maybe it was something you did as a child that makes you look back with nostalgia.

These are all very specific (and FUN!) ways that you, your Districts, your Clubs (including Leos), and your members can join our Play For The Kids efforts this September. Participants can start/join a team or participate as an individual.

**To learn more or to register, please visit <https://playforthekids.donordrive.com/our-inspiration> .**

It's my hope that you all choose to participate in some way, shape, or form. Even if you, personally, are unable to participate, please consider sharing this opportunity out with your personal and professional networks. You never know who may be interested.

Together, we will conquer childhood cancer!

For The Kids®,

# LCI Peace Poster Contest

For the last 34 years Lions Clubs around the world have proudly sponsored the Lions International Peace Poster Contest in local schools and youth groups.

We encourage every Lions Club to engage with the youth in their community to sponsor a Peace Poster Contest entry.

The Theme of the 2021-2022 Peace Poster Contest is

HELLO FELLOW LIONS! As your newly crowned Mrs. PA Earth 2021, I am tasked with completing a large environmental project...and who better to help than my fellow lions! Please join me on **Saturday, September 18<sup>th</sup>** (World Clean Up Day). Get your club together and do a litter clean up in your community. Send me the results: your club, how many volunteers participated, how many bags of trash collected and photos too! I will compile the data and use for my project when I compete on the national stage in January. I can't wait to show everyone how LIONS all over Pennsylvania are helping our Earth through the Global Initiative for the Environment.

Thank you in advance-
