A MESSAGE FROM DISTRICT GOVERNOR BARB

**SERVING TODAY, TOMORROW
AND ALWAYS**

Lions and Leos of District 14-T:

Welcome to the 2025-2026 Lions Year. I am looking forward to build upon the successes we had last year! Last year District 14-T was busy as always serving our communities as well as other organizations.

This year there are a few new service initiatives where we can further our service throughout the district. LCI has chosen three focus areas:

Mental Health and Well-being
Hunger
Environment

October 14-12, 2025
January 3-11, 2026
April 18-26, 2026

"Special Initiatives - As we embark on a new year of service, we are excited to introduce our 2025-2026 Service Focus Weeks, designed to amplify Lions International's global impact by uniting efforts around specific causes. International First Vice President A P Singh encourages districts to engage with these causes year-round, with a special emphasis on creating a unified, global impact during these designated weeks. I commit to encouraging my district to participate in the 2025-2026 Service Focus Weeks."

You can find more information on the Lions Website,
www.lionsclubs.org. If you have any ideas or information that will help, let a cabinet member know.

Message from DG Barb continued...

I hear "I never logged into the website." This year, training will be held for those interested. There will also be training for club officers and zone chairs.

New projects may spark interest for others. This is also a good way to promote Lionism to all that are interested. Tell them what we are all about. Bringing in new members will help our district grow. (Mission 1.5 new members).

My Service Goal will focus on the following two global causes. First Global Cause: Childhood Cancer
Second Global Cause: Humanitarian.

Stretching our service a little will accomplish much. Don't forget that two projects can be done at the same time.

I will discuss my other goals over the coming months: Membership Development, Leadership Development and LCIF

Yours in Lionism,
DG Barb Dudek

PICS FROM THE LAST DISTRICT COUNCIL MEETING of 2024-2025

Greetings from the GST

I am excited about being the GST for our District this year. Service is the purpose for the existence of Lions Clubs. Lions Club service projects make a difference in people's lives.

I am new to District 14-T. I moved here two years ago from District 22-D in Delaware. I want to learn more about your club, the types of service projects that you do and what challenges you face in serving your community. The best way to learn more about your club and community is to help you with one of your service projects. So please invite me to an upcoming project.

I am here to assist your club with service reporting, preparing grant applications for service projects and sharing information about what other clubs are doing in their communities. Contact me if you have a question.

Dear Lion Secretary or President,

As in the past, the Beacon Lodge Golf Outing is coming up in August. Again, we are asking your Lions Club to sponsor a hole. The cost is only \$100.00. Our District has a great reputation for their support of Beacon Lodge. PCC McCarl, PDG Kathy Duelle, and I want our district to be the first 100% contributor to this great project. That means that each club in the district will be the sponsor of a hole, and the district also contributes. We unfortunately did not reach 100% last year. **This year let's make it 100%**

If your club sponsors a hole, there will be a placard on display at the hole. Let us show the rest of Pennsylvania how our District comes through when needed. I will also be calling in May to remind you of this much needed support. As you can see below, there are other sponsorship levels as well.

Your checks can be sent directly to me at the above address. Do not send them directly to Beacon Lodge. Make your checks out to: PA Lions Beacon Lodge Camp and please consider adding this to your club's yearly budget.

Sincerely,

Denise Heck
Beacon Lodge Board Member

Thank you for helping us serve!

In 1948, PDG Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.
