Club Excellence Award-The criteria has changed for clubs to receive the Club Excellence Award. PDGs Kathy Fouse, Bob Roebuck and John Mallonee attended a Zoom meeting. There is no longer a form to be filled out, signed by the District Governor and submitted to LCI. LCI gathers the necessary information from each club's Lions Portal as submitted on the Club's Reports.

Message from DG Barb Cont'd...

This is the link to the information <https://www.lionsclubs.org/en/member-resource-center/grants-and-awards/association-awards/excellence-awards>

At a few meetings, I heard information that would be beneficial. Someone knows someone involved in service projects. For example, Joe knows someone who is involved or has information about ??? with a special project that may be a good service project for your club/district. Share this information with other Lions and the district cabinet.

Let's look outside the box or the confines of our clubs and share with all of the clubs of District 14-T

DG Barb Dudek

MESSAGE FROM 1VDG JOEL

Good day to all District 14-T Lions:

Three months of this Lions year are now history, it is hard to believe.

I thank all Lions for support and sympathy during my wife's recent illness and death. It still seems like a bad joke and I am waiting for the punch line. For a while I felt I should expect the Lion's truant officer to come calling. I am now fully able to participate in activities and my duties.

I know the DG is still looking for Lions to fill certain positions this year. There are several behind the scenes positions available well as some more obvious ones.

LCI as well as other organizations runs on data, and the data that is most important is the monthly activity report for each club. Please be sure reports are complete and sent on time and that the box **Report Complete** is checked, until that box is selected the report stays on your computer.

I know there are a lot of Lions activities planned or the next several weeks and I thank each club for helping.

A question I have- Are you aware that with a few extra strokes of the cursor on your computer you can use your planned and complete Service Reports to make press releases and entries on Facebook?

NEED HELP WITH THE LIONS' PORTAL?

At the August 16 meeting of the Long Range Planning Committee, the attending PDGs discussed various ways we could help our club officers and members become familiar with the Lions Portal. We discussed in-person group meetings at various locations throughout the district (with or without virtual connection), Zoom meetings and one-on-one training.

PDG Kathy Fouse offered to do one-on-one training – either at member's home, a convenient meeting location with Wi-Fi (McDonalds, etc.), or by phone.

If you would like to meet with PDG Kathy for one-on-one training or if you have any questions concerning the Lions Portal, please contact her via email:

lionkathyfouse@gmail.com or phone: 717-645-4322.

The one-on-one training is open to ALL Lions. Although officers and members have different degrees of access to the Lions Portal, you do not have to be an officer to have access to the Lions Portal.

Group meetings will be announced.

FROM THE BEACON LODGE LIAISON

The summer camping season is complete. A lot of planning and hard work went into operating the camp. And work continues all year long.

A few dates for you to keep in mind:

Pa Lions Appreciation Day with meal, duck race, and entertainment is July 19, 2026,

There are two spring and one fall work weekends scheduled, the weekend in April that fits us is April 10-12 along with 14-C Lions. The other scheduled weekend, April 25, is our District Convention. The fall weekend is Sept 25-27, 2026. We encourage participation in these weekends. If another weekend fits a group better you can contact the camp office for more information.

A project to consider:

Raffle off a Christmas /Easter Stocking for Beacon Lodge. Make a very large Christmas /Easter stocking valued at about \$200.00. Obtain 500 tickets made with two numbers on each ticket. Large stocking can be purchased from Amazon or Walmart for around \$15.00.

About one and one half month before Christmas or Easter begin your sale. Sell each ticket for \$1.00. Have the stocking displayed at a business and set up to sell your tickets. They will sell out extremely fast. Your club will bring in a profit of around \$300.00 each time and will enable your club to send a great donation to Beacon Lodge.

Remember, any questions you have about the camp should be directed to one of the Board Members or myself.

Do you know how many cottages at Beacon Lodge were erected and supported by District 14-T?

2025 SUMMER NEWSLETTER

THAT'S A WRAP. CAMPING SEASON 2025

This summer, Beacon Lodge came alive with the joy and energy of both returning campers and new faces. Children and adults living with disabilities experienced days filled with adventure, creativity, and meaningful friendships. From spirited sports games and hands-on arts & crafts to peaceful nature walks, thrilling zipline rides, and rock wall challenges, every camper found opportunities to explore, grow, and shine. Evenings were just as memorable, with campfire gatherings under the stars and lively nights at the canteen.

This season also brought exciting adventures beyond camp. Campers browsed treasures at the Bellville Flea Market and stepped back in time at the East Broad Top Railroad Museum, where they not only explored but also enjoyed the unforgettable experience of riding an authentic steam locomotive.

But Beacon Lodge is more than a camp—it's a community. Here, differences are embraced, friendships blossom, and every individual is celebrated for who they are. The laughter, triumphs, and memories created this summer will stay with us long after the season has ended. As we look ahead, our hearts are already eager for another summer of joy, discovery, and togetherness in 2026.

VETERANS RETREAT PROJECT NEW HOPE

Veterans, families, and two service dogs enjoyed the relaxation and camaraderie of fellow veterans. PNH Co-chairs, PDG Tom Jones and PDG Jan Adams, enjoyed the 5-day Retreat with the men and women Veterans. As always, we are grateful for donations to the Beacon Lodge Camp and Project New Hope.

Lions Screen Vision and Hearing

KidSight began as a program of Lions International in 2014. The program is a response to the fact that often vision problems can be more easily treated if they are discovered when children are younger than school age. The purpose of KidSight is to provide free vision screening to preschool children. Results that indicate that there may be a vision problem are given to parents so that they can follow up with a comprehensive examination by a vision or hearing specialist and then with any treatment that may be needed.

The Lions Clubs of Pennsylvania District 14-T, which comprises Perry, Juniata, Franklin, and Dauphin counties, work together to provide screening at local preschools and day care centers, and at elementary schools on kindergarten registration days. These efforts are supported by grants from the Lions International Foundation which helps with the cost of the expensive equipment that is needed. In Perry County, hearing screening is also offered with the vision screening.

Lions International has supported efforts to identify and treat vision problems almost from its beginning more than one hundred years ago. In addition to screening young children, local clubs provide funds for eyeglasses for persons who cannot afford them. The clubs also collect used glasses to recycle. Used glasses are collected at various locations throughout Perry County, including at Karns grocery store in New Bloomfield. Assistance with the cost of hearing aids may also be available through Lions clubs, depending upon need. Written requests may be sent to: New Bloomfield Lions Club, PO Box 226, New Bloomfield, PA, 17068.

She sets a tone in her classroom where there are high expectations for students in regard to behavior as well as student academic performance. Mrs. Kleinfelter builds meaningful relationships with her students and create a nurturing classroom environment. When you walk into her classroom, you will see students working together to solve various math problems or creating a math board game. Her students are highly engaged in hands-on

learning activities and utilizing math vocabulary as they talk with one another during collaborative learning. Mrs. Kleinfelter's classroom makes you feel excited to learn math! Middletown Area Middle School is extremely privileged to have such a dedicated teacher educating our students."

LANDISBURG LIONS

The Landisburg Lions are very busy helping students in our service area combat food insecurity. Partnering with our local school district, we are helping provide non-perishable food items to young people suffering from hunger. The students in grades K-12 are identified by their school nurses, teachers, and school staff and are truly in need. Bags and backpacks are sent home with the identified students each weekend so they have adequate food for the days they are away from school.

Delivery of fresh turnips, spinach, bunching onions, kale, lots of cherry tomatoes and spicy peppers is made each Thursday to the Manna Food Pantry. EVENING IN THE SHADOWS

No other fundraising and awareness event Vision Resources has ever held has received as much positive feedback and compliments as EVENING IN THE SHADOWS. It could be the wonderful five-course meal that is served, or the delightful pairings of wine served with each course that has made SHADOWS so popular. However, just from the comments guests have made, it may be the entire experience of being blindfolded and sightless throughout the evening that captivates participants' attention.

EVENING IN THE SHADOWS will be Thursday, November 6, at the gorgeous King Mansion on Front Street, overlooking the Susquehanna. Part of the planning that makes the event special is the limited number of tickets that VROCP sells for the evening. Keeping the number of attendees small allows chefs to create unusual courses that are delicious, guessing at times what they are eating, and conversing about the meal they are sharing.

Between dinner courses CEO Cheryl Cuddy usually finds interesting stories and facts that she reads to help increase awareness about blindness and visual impairments for the guests. There will also be live music to provide added ambiance.

Tickets may be purchased online at vrocp.org or by calling VROCP during weekday business hours, 717-238-2531. Please join us for a memorable experience.
